

# Bowlero

By Ezra

The background features a series of thin, curved lines in shades of gray, some solid and some dashed, creating a sense of motion and depth. A large, solid blue rectangle is positioned on the left side, with a small triangular pointer extending from its bottom edge.

# History

Bowlero Corporation (formerly known as Bowlmor AMF) is an American bowling center operator. It is the largest ten-pin bowling center operator in the world with over 325 centers, almost all of which are located in the United States.

The background of the slide features several thin, curved lines in a light gray color, some solid and some dashed, creating a sense of motion or a stylized globe. A blue speech bubble is positioned on the left side of the slide.

Where the  
name bowlero  
comes from

Bowlero Corporation (formerly known as Bowlmor AMF) is an **American bowling center operator**. It is the largest ten-pin bowling center operator in the world.

Any questions

The end

The background of the slide features a series of thin, curved lines in a light gray color, sweeping across the frame from the top left towards the bottom right. These lines vary in length and curvature, creating a sense of motion and depth. The lines are more densely packed on the left side and become more sparse towards the right.

Why I made  
this  
presentation

**Because I love going to Bowlero**
