

# Let's go Camping

BY Presley and Rosalie

The background of the image is a landscape at dusk or dawn. The sky is a mix of dark purple, blue, and orange, suggesting the sun is low on the horizon. Silhouettes of various trees, including what appears to be a large tree on the left and several smaller ones on the right, are visible against the bright sky. The overall mood is serene and natural.

We will go to Houston  
Mesa campground

And our presentation is for...

8 and up!! If you are not 8 you can not come,

A large number of cars in various colors (red, blue, green, white, black) are parked in a desert landscape. The cars are arranged in a loose grid pattern across a flat, sandy area. In the background, there are low mountains and a few sparse trees under a clear sky. The overall scene is brightly lit, suggesting a sunny day.

The drive will be 1  
hour 25 min long

everybody will be driving their own cars

# Houston campground prices

A photograph of a public bathroom stall. The walls are covered in light-colored square tiles. In the foreground, a white toilet is visible. To the left, a white sink is partially seen. On the wall, there are two black paper towel dispensers. A white paper towel is hanging from the dispenser on the right. The text "Don't worry peeps there will be public bathrooms" is overlaid in a white, outlined, handwritten font. A vertical white line is positioned to the right of the text.
