The End

The background is a dense, overlapping collage of various colored sticky notes. The colors include bright pink, light blue, lime green, and yellow. On the right side, there are also darker, muted tones of purple, grey, and olive green. Each sticky note features a large, bold, black question mark. The notes are layered in a way that creates a sense of depth and movement, with some notes appearing more prominent than others. The overall composition is vibrant and visually busy, reinforcing the theme of inquiry.
