

PLANTS vs. ZOMBIES

The background of the slide is the title screen for the video game 'Plants vs. Zombies: Garden Warfare 2'. It features a chaotic battle scene with various plants and zombies. In the foreground, a large, orange, mechanical-looking plant is on the left, and a large, red, mechanical-looking zombie is on the right. In the center, a green pea shooter plant is firing. The title 'PLANTS vs. ZOMBIES' is at the top in green and black, and 'GW2' is below it in large, stylized letters. The 'G' and 'W' are grey, and the '2' is purple. A small silhouette of a character is inside the 'W'.

PLANTS vs. ZOMBIES GW2

story

- The plants and zombies from the original to Battle for Neighborville have always been at war Garden Warfare 2 they are literally at war in a war ground

The background of the slide is the title screen of the game 'Plants vs. Zombies'. It features the title 'PLANTS VS. ZOMBIES' in large, stylized green and grey letters. To the left are several plant characters, including a Sunflower and a Peashooter. To the right is a large, grey zombie character with a wide, toothy grin. The scene is set in a suburban neighborhood with houses and trees in the background.

history

- Plants vs zombies or PVZ was originally intended to launch on October, 28, 2008 by Popcap it was originally named bloom and doom but was delayed and first released on may 5 2009 it originally was mad for steam on Microsoft windows and Mac Os. an I phone edition first was released on February 15 2010 after some time and many releases on different consuls , phones, and computers plants vs zombies 2 came out on August 15 2013 plants vs zombies garden warfare came out on February 25 2014 and plants vs zombies garden warfare 2 came out on February 23 2016 and last but not least Battle for Neighborville came out on September 4 2019

How it works and how to play

The first PVZ game the goal was to protect your house from the zombies by collecting sun to plant plants. In PVZ 2 it's the same goal only your traveling through time and trying to get Crazy Dave his taco.

In garden worfir1 and 2 the goal is to vanquish the Enemy .In Battil for Neighborville it depends on which story Mode you choose you could by saving old town as a plant Or you could by saving a football dummy as a zombie

Characters from PVZ1 and 2

- In PVZ1 and 2 there are too many plants to list them all but I can list the major characters
- PVZ1 Crazy Dave your crazy friend and Zomboss the final boss
- PVZ2 Crazy Dave, Penny the time traveling van, and Zomboss, the final boss that shows up 10 times
- See the pictures below for some of the plants

fun fact

- Garden warfare 1 and 2 both had open speech and plant and zombie variants while Battle for Neighborville has set speech and no variants

A vibrant, stylized animated scene from the movie 'Spirited Away'. The scene is set in a whimsical, colorful environment. On the left, a bright yellow light beam emanates from a small, smiling sun-like character. In the center, a large, dark, tree-like character with a face and a small hat stands prominently. To the right, a character with a large, round, brown head and a blue outfit is shown in a dynamic pose, possibly dancing or performing. The background features a mix of architectural elements, including a building with a sign that says 'Spirited Away' and a large, stylized tree. The overall atmosphere is festive and magical, with a clear blue sky and a bright sun. The text 'The end' is overlaid in the center of the image.
