

CASA GRANDE YOUTH ALLIANCE

WHAT IS THE CASA GRANDE YOUTH ALLIANCE?

We promote and build positive mental health and resilience. The CGYA mobilizes our members to research and take on issues important to youth.

		
<h3>YOUTH VOICE</h3>	<h3>ACTION RESEARCH</h3>	<h3>YOUTH ENGAGEMENT</h3>
<p>Our members share their ideas, thoughts, and concepts in a safe and supportive space. We ask our members for input and provide the opportunity for youth to make decisions, leading to true youth-adult partnerships.</p>	<p>Youth Participatory Action Research (YPAR) is an innovative approach to positive youth and community development. CGYA members are trained to conduct research to improve their lives, their communities, and the institutions intended to serve them.</p>	<p>Through strong youth-adult partnerships we engage CGYA members in responsible, challenging actions to create positive social change. This means involving youth in planning and in making decisions that affect themselves and others.</p>
		
<h3>STUDENT LEADERSHIP</h3>	<h3>COMMUNITY SERVICE</h3>	<h3>NATIONAL RECOGNITION</h3>
<p>Real-world leadership training for real-world students, The Student Leadership Challenge tailors one of the worlds most respected leadership models to students' unique needs and provides a proven pathway to success.</p>	<p>We engage in service to our school and community which instills a sense of civic responsibility and empathy, cultivates leadership skills, and allows for personal growth while positively impacting both the individual and the community.</p>	<p>We offer our CGYA members a prestigious national honor offered in recognition of volunteer commitment. Established in 2003, this award honors individuals and groups who have demonstrated a sustained commitment to volunteer service over the course of 12 months.</p>
