

November 23, 2020

Greetings Parents,

In service to Casa Grande families and in partnership with Casa Grande Elementary School District, we will be operating Learning Hubs at Casa Grande, Cactus and Villago Middle Schools for the foreseeable future. Please be assured that we will take the necessary precautions of wearing masks, observing physical distancing, encouraging frequent hand washing and will otherwise do our best be observant of the CDC guidelines to protect everyone from Covid-19.

Our goal with the Learning Hubs is to provide your child(ren) with the opportunity to focus on their academic success by participating in online classes and completing classwork in a safe, supervised, and supportive learning environment.

- Open Monday through Friday from 8:00 AM to 4:00 PM
- Free breakfast and lunch through CGESD Nutrition Services
- Assistance with technology and learning online
- Tutoring and mentoring, as needed
- Supervised recreational activity, as appropriate
- Access to arts and crafts projects and supplies

Additionally, should your child(ren) need extra assistance with specific classes or with online learning in general, please let us know and we will do our best to coordinate with teachers and to provide additional support for your child.

Should you need to ask questions or if there is anything else we need to know, we can be reached in the following ways:
