The Friends of the South Congaree-Pine Ridge Library are working to complete the Reading Garden Paver Project that will give the circular walk a completed and finished appearance. The red carpet of bricks will entice even the youngest reader to spend time in the garden reading.

By purchasing an engraved brick, you will not only support the programs and events of the Friends Group and the Library, but it will be a permanent tribute for everyone to see.

Your tax-deductible contribution will pave the way to fund this project as you honor friends and family. Show your support for the South Congaree-Pine Ridge Friends group with the purchase of a brick paver.
