

On behalf of The Gettysburg Choral Society, Inc., we would like to personally invite you to make a difference in the cultural and artistic enrichment of our community—and beyond. Formed in 2017, we are a 501(c)(3) organization composed of auditioned singers who volunteer their talents to pursue excellence in choral music performance. Our chorus fulfills its mission by offering an opportunity for artistic expression and by inspiring an appreciation of performance-based art through public concerts.

We are excited as we embark upon our performance season for 2023, which includes three public concerts of our patriotic series this spring and summer, and two public concerts for our Christmas series. Throughout history, music has been the common language that has been used to tell the stories of humanity, connecting different generations and cultures through inspired melody. Music holds the power to change lives and bring us all closer together.

Will you please partner with us? Your financial support would ensure that we may continue to develop and sustain our mission by offering opportunities for audience members of all ages to attend our concerts. Please review the enclosed materials and consider a sponsorship with a personal or corporate donation. If you would like more information about our organization, please do not hesitate to contact us. Thank you for your consideration and interest!

Musically Yours,

Julie Strickland
