

On behalf of The Gettysburg Choral Society, Inc., we would like to personally invite you to make a difference in the cultural and artistic enrichment of our community. Formed in 2017, we are a 501(c)(3) organization composed of auditioned singers who volunteer their talents to pursue excellence in choral music performance. Our chorus fulfills its mission by offering an opportunity for artistic expression and by inspiring an appreciation of performance-based art through public concerts.

We are excited as we embark upon our performance season for 2024, which includes two concerts for our patriotic series this Memorial Day weekend, and several performances for our Christmas series this December. Throughout history, music has been the common language used to tell the stories of humanity, connecting different generations and cultures through inspired melody. Music holds the power to change lives and bring us all closer together.

Will you please partner with us? Your financial support would ensure that we may continue to develop and sustain our mission. Please review the enclosed materials and consider a sponsorship with a personal or corporate donation. If you would like more information about our organization, please do not hesitate to contact us. Thank you for your consideration and interest!

Musically Yours,

Julie Strickland
