

On behalf of The Gettysburg Choral Society, Inc., we would like to personally invite you to make a difference in the cultural and artistic enrichment of our community. Formed in 2017, we are a nonprofit 501(c)(3) organization composed of auditioned singers who utilize their talents to pursue excellence in choral music performance. Our chorus fulfills its mission by offering an opportunity for artistic expression and by inspiring an appreciation of performance-based art through free public concerts.

We are excited as we embark upon our performance season for 2025/2026, which includes two performances for our Christmas series on December 5th and 6th, 2025, and two concerts for our patriotic series Memorial Day weekend on May 23rd and 24th, 2026. Throughout history, music has been the common language used to tell the stories of humanity, while connecting different generations and cultures through inspired melody. Music holds the power to change lives and bring us all closer together.

Will you please partner with us? Your financial support would ensure that we will continue to develop and sustain our mission. Please review the enclosed materials and consider a sponsorship with a personal or corporate donation. If you would like more information about our organization, please do not hesitate to contact us. Thank you for your consideration and interest!

Musically Yours,
