Chateau Marjosse Bordeaux Blanc 2023

The 2023 Marjosse is made up of 45% Semillon, 35% Sauvignon Blanc, 15% Sauvignon Gris, and 5% Muscadelle from vineyards close to Saint Emilion.

Winemaker Notes: Very beautiful pale golden color, clear and bright. The nose is very expressive and evokes citrus (grapefruit), white fruits (pear) and exotic (lychee and pineapple) with floral notes of boxwood, juniper, and laurel. Well balanced with a pleasant liveliness which extends long in a very tasty finish.

90-92 points Jeb Dunnuck

Always terrific, the 2023 Chateau Marjosse Blanc is no exception and has vibrant crushed citrus, lemon zest, and minty herb notes in its medium-bodied, bright, racy, mineral-driven profile. It's a beautiful white well worth seeking out.

90-92 points The Wine Independent

The 2023 Marjosse Blanc sings of freshly squeezed lemons, lime blossom, and juicy pears plus hints of elderflower and dill seed. The medium-bodied palate delivers impressive intensity, with a silky texture and great tension, finishing with a spicy lift. Nice! (LPB)

Saintayme 2020 Saint Emilion Grand Cru

Merlot 100%

The 2020 Saintayme was aged in French oak barrels, 30% new. Deep purple-black colored, it needs a little coaxing to unlock scents of tar, forest floor and aniseed, over a core of baked black plums, blackberry pie and chocolate-covered cherries, plus a touch of dried mint.

The full-bodied palate is densely packed with muscular black fruits and loads of earthy accents, framed by firm, rounded tannins and just enough freshness, finishing on a lingering minty note. 63,000 bottles are expected to be made." - Lisa Perrotti-Brown, The Wine Advocate (5/20/2021), Ratings: 90-92, Drink: 2024-2038

Château Peyrabon Haut-Médoc 2006

The 2006 Chateau Peyrabon is 59% Cabernet Sauvignon, 31% Merlot, 7% Cabernet Franc, and 3% Petit Verdot.

The vintage boasts very pleasant qualities: density, tension on the structure, volume, and lovely length. The 2006 Chateau Peyrabon offers delicate wood and spicy attributes. This wine impresses with depth, and outstanding keep potential.

Château Peyrabon is an unusual cru Bourgeois property with vineyards split between the appellations of Haut-Médoc and Pauillac. Founded in 1766, the Château became increasingly popular, so much so that by the late 1800s their prices rivaled those of the 1855 classified growths. Spurred on by this success, then owner Arnaud Roux sued for Peyrabon to be included as a classified estate. Sadly for him he was unsuccessful.
