
SHOW YOUR SUPPORT!

The Waxahachie High School Theatre Department is dedicated to promoting quality theatre for our school and community. Students in the department learn about all aspects of play production while gaining valuable life experience in teamwork and communication.

The Shining Star Patron Program was developed to help defer the production costs and the many other expenses involved in the production of plays and musicals!

The program also funds the WHS Theatre department scholarship program to provide financial assistance to the students in their pursuit of higher education. **Over the past 11 years, Pow Wow Players Booster Club has provided over \$55,000 in scholarships for our students thanks to generous donations.**

You can experience the thrill of the theatre here in Waxahachie while supporting our program and WISD students through the Shining Star Patron Program!
