Dear Friends,

**I am writing with an important request on behalf of Burbank students and schools.** The Burbank Human Relations Council has a rich history with the Burbank Unified School District (BUSD) providing policy input, advocacy and holocaust educational programs. We are now working together to support a transformational undertaking- the final implementation of the name change of **Dolores Huerta Middle School**

In 2018 BHRC wrote a letter to the BUSD committee that was designated to deliberate the name change of David Star Jordan Middle School. BHRC strongly recommended the name be changed. We were hopeful that a new name would provide opportunities to further educational goals, foster academic leadership, inspire creativity and chart a new and hopeful path for future generations to thrive.

Here we are today, with a new school name: **Dolores Huerta Middle School!** She is an educator, a creative force, an extraordinary leader, champion for equality and human rights, inspirational and has charted the path for many to succeed and thrive. A great choice for the school name!

**The final steps of this school transformation requires some funding – we need your help! Our funding will provide the necessary resources to provide Dolores Huerta Middle School with new school signage, a mural and a legacy garden in her honor.**

To make an online tax deductible donation go to our website at: [www.BurbankHumanRelationsCouncil.org](http://www.BurbankHumanRelationsCouncil.org) or mail a check payable to Burbank Human Relations Council to P.O. Box 3333. Burbank, CA 91208-3333

If you have any questions or would like additional information, please contact (818)860-2472 or email us at [theBHRC@gmail.com](mailto:theBHRC@gmail.com)

I believe that together, and under the banner of Dolores Huerta, we can support our school district efforts that continue to foster an academic environment that accepts every person without regard to race, religion, ethnicity, gender, income, disability or sexual orientation.

Thank you for your consideration, your support will help ensure that Dolores Huerta Middle School is a positive force in education for generations to come. Together we can do great things!

Si se puede!  
Sincerely,

Marsha R. Ramos
