At Utah Lineman Academy, we do not require any purchase of climbing tools as they will be provided for instruction. However, if the student would like to purchase tools for themselves, we can facilitate that for an additional cost. If the student also needs a CDL we can help facilitate that as well for an additional cost. Please indicate below if any of these items are desired.

Do you want your own climbing gear to be purchased

Yes ☐

No ☐

Do you want help obtaining a CDL

Yes ☐

No ☐
