

Daniel Caron
Board Member

Daniel Caron is principal of TrussT Consulting LLC and has more than 30 years of experience in the pharmaceutical industry. Caron has demonstrated proficiency steering business and global operations from start-up through full commercial integration. He has overseen facilities in 30+ countries and has created and managed the construction, laboratory management, procurement, global security, environmental health and safety, lease administration, sustainability, and philanthropy divisions.

Caron served on the Connecticut Community Foundation's board of trustees from 2012 to 2018. In addition to being vice-chair of the board, he was chair of the scholarship committee, the strategic planning committee, and the development committee. Caron has served on the career advancement committee for the Connecticut Employment and Training Commission and has been a member of the agricultural sciences advisory committee for CT's Region 14 School District since 2005. He has also been a member of the board of directors for the Gateway Community College Foundation since 2014 and has been a member of AmeriCares Leadership Council since 2016.

Caron is a volunteer for Junior Achievement and HomeFront. He has received several awards and recognitions, including the inaugural green advocate award from the Connecticut Green Building Council and the 2015 humanitarian award from the Children's Community School in Waterbury.

He holds a B.S. in biology from Adelphi University, an M.S. in bioengineering from Polytechnic University, and an honorary degree in humane letters from Gateway Community College.
