

RIDGEFIELD OUTDOOR PICKLEBALL COURT USAGE SPRING 2023

Last Update: March 23, 2023 - Subject to Change

We are pleased to share that pickleball lines were recently painted on one of the outdoor tennis courts at Governor Park (Yanity), adjacent to the basketball court. This increases the total number of pickleball courts available for outdoor play at this location from three courts to five!

Thank you for deferring court time to organized programs offered through Parks & Recreation this spring, when Ridgefield High School tennis courts are not available for our use.

Please take a moment to review the usage guidelines below for Spring 2023.

The following times are designated for all-inclusive play, open to any resident, member and their guest:

DATES	LOCATION	DAYS	TIME

**Tennis Camp will be using all three tennis courts Monday, April 10-Thursday, April 13 from 9:00am – 4:00pm. There is a scheduled rain date (if needed) on Friday, April 14.*

Anytime outside of the designated all-inclusive play is considered available for private or closed group play on a first come, first serve basis.

- During times not designated as all-inclusive, a closed group may occupy a court for as long as you like, unless there are no other courts available and people are waiting.
- If no other courts are available and people are waiting, you may occupy the court until the top of the next hour (e.g. if it is 9:40, the top of the next hour is 10:00). This is on the honor system.
- Basketball play and tennis play is included in this on the hour rotation system during the times that are not designated as all-inclusive play. For example, if a basketball or tennis player or players arrive and pickleball is playing, basketball (or tennis) will start at the top of the next hour and run until the top of the following hour.

Closed group is defined as a group of private players that do not have to open their game to outside players.

Open play is modeled after regular indoor rules and all are welcome to rotate into the game.
