

THE COMMUNITY

JUNE 2025

Thy Kingdom Come

Thy Kingdom Come (TKC) is a global event inviting Christians around the world to pray from Ascension to Pentecost for more people to come to know Jesus.

Since May 2016, TKC has grown into a movement uniting over a million Christians in prayer, in nearly 90% of countries worldwide, across 85 different denominations and traditions - so that friends and family, neighbours and colleagues might come to faith in Jesus Christ. *That's really impressive!!*

Joining in is simple - just set time aside for the 11 days and pray. Pray that those who have not yet heard the Good News of Jesus Christ will hear it for themselves and respond and follow Him.

Everyone is invited to pray that God's Spirit might work in the lives of five people. So join in and tell your family, friends and neighbours that our doors are open at St Philip's!

St Philip's in Parliament

The work done in our churches is so often there to meet the wider need in our communities, with food banks, community cafes and warm spaces such as that at **St Philip's church in Chaddesden**, to name just one.

Join in with a nature and climate initiative. We are more likely to nurture and defend God's creation if we spend time enjoying it. Joining in with wider initiatives reminds us of the power and encouragement of being part of communities and taking action together.

Great Big Green Week is the UK's biggest celebration of community action to tackle climate change and protect nature. During the week, communities, churches, and more join together in a wave of support for action to protect the planet. [**greatbiggreenweek.com**](http://greatbiggreenweek.com).
