METROPOLITAN LOGISTICS LLC

Capability Statement

Metropolitan Logistics LLC is a valued and trusted partner with both government entities and corporate businesses providing relocations and logistical expertise. Founded in 2008 by Rory McFadden and Tyler Reynolds, Metro is a cVe verified SDVOSB based in Northern Virginia, specializing in relocations & moving services, specialized electronic handling, staff & augmentation services, and courier & express delivery services. Metropolitan Logistics, LLC is a privately held, financially stable contractor that has established deeply rooted relationships with DMV companies and their customers, providing niche logistics offerings. Leveraging strong relationship skills has allowed us to partner with other prime contractors with different expertise than us to create synergy to accomplish anything. Our versatile team at Metro Logistics has extensive experience organizing & executing complex deliveries, both large & small.

OUR MISSION

Metro's mission is to offer a positive work environment to our employees, where everyone can be themselves, while providing elite level service to our government and private sector clients. Metro leverages its innovative technology, operational expertise, and a high-capacity network to lower costs and improve productivity and service levels.
