MOSH PIT PLAZA & EVENT CENTER

To reserve your event
please email:
stevie@moshpitinc.com

We have many versatile rooms to accommodate any number of groups from informal lunch-n-learn for training sessions, to small and medium sized classroom settings. Our largest space available is the Robert R Johnson Event Center that includes a full stage and can hold up to 500 people for standing-room-only type events such as music concerts or other types of live performances, to more formal or traditional gatherings such as award shows, conventions, conferences, corporate meetings, weddings, banquets or team building events.

Our event staff will be glad to help you meet your audio/visual needs, including options such as a live DJ or provide access to a personal coordinator for selecting live entertainment. We offer several on-site catering options with Mosh Pit Eats being the stand-out choice. Experience full-service event planning from start to finish. We have expert planning designers who will be with you every step of the way. We handle all of the details from our rental items to flowers, lighting, and tablescapes which includes: Linens, Tablecloths, Tableware, Centerpieces and Decor. Consider us as your event venue of choice from Rock n' Roll to Weddings!
