

THE PURSUIT

Discipleship Frontier is not a program, it is a pursuit.

We are a ten month pursuit for young adults who desire to become like and live like Jesus. Through scripture, adventure, and service we discover Jesus' call to discipleship. We believe young adults have a role in God's creation that is far greater than what society expects. We strive to refine what it means to be a modern day disciple of Jesus in a world consumed by fear and anxiety. Join the Frontier to push physical, emotional, and spiritual limits that come with following Jesus.

Why Alaska?

Contrary to Hollywood, Alaska is more than a frozen tundra. There is a magnetism of Alaska that, once experienced, will always draw you back. The people here combine southern hospitality, north-eastern work ethic, and a west coast laid back mentality. The people and culture are as beautiful as the landscape. Anchorage, where you will live, is a city like any other with world class mountain biking, skiing, hunting, fishing, hiking, and coffee right out your back door.

MISSION Confirm, strengthen, and establish young adults to experience abundant life.

FOUNDATIONS

SCRIPTURE

Genesis to Revelation.
Creation to Restoration.
We believe all scripture leads to Jesus. Through the Bible we will discover who Jesus is and who the Holy Spirit calls us to be.

Scripture confirms.

ADVENTURE

"An undertaking usually involving danger and unknown risk."
The Alaskan wilderness will refine physical, emotional, and spiritual beliefs that are driven by anxiety rather than adventure. We seek risk, we seek the unknown, we seek Jesus.

Adventure strengthens.

SERVICE

Discipleship without service is vanity. Service is not reserved for the nonprofits and monasteries. Service is every word and action intended to build up a brother, sister, or stranger.

Service establishes.
