The screenshot shows a web browser window with the URL <https://signup.com/client/invitation2/secure/1083267064038/true#/participants>. The page displays a form for signing up for a game. The form is titled "Participant's Information" and includes the following fields:

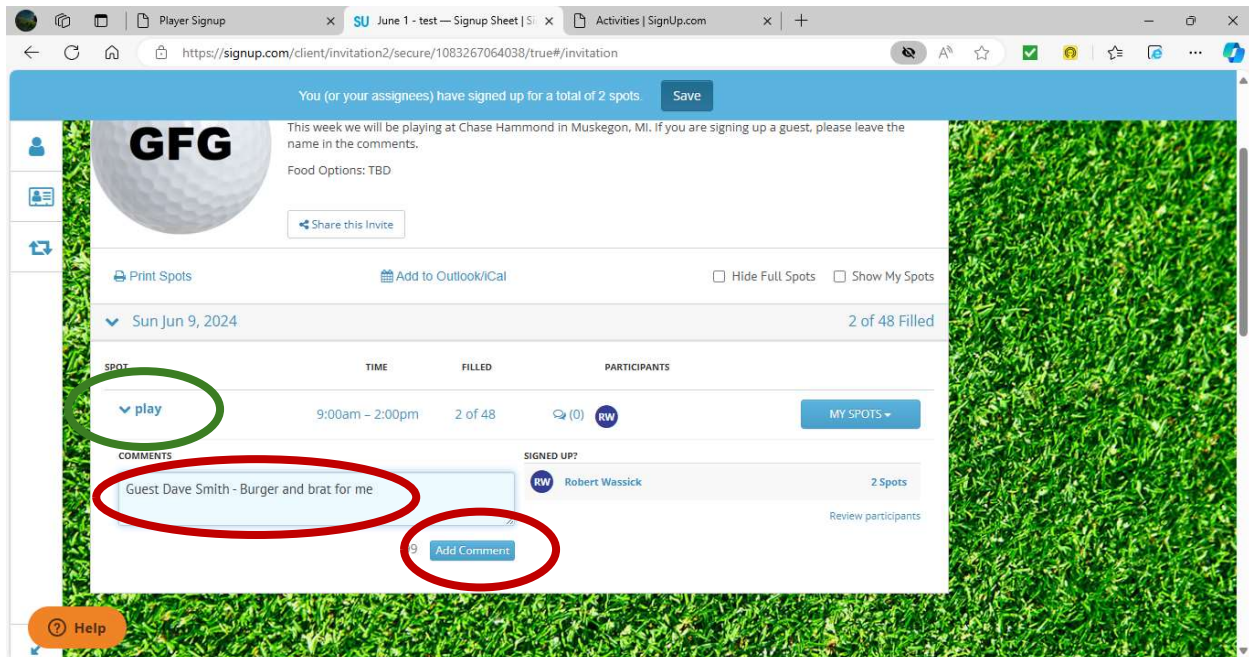

- Name ***: Robert Wassick
- Phone ***: 6189732112
- # of Spots**: 2

At the bottom of the form, there are two buttons: "Save and Add Another Person" and "Save and Done". The "Save and Done" button is highlighted with a red circle. Other red circles highlight the "Name" field, the "Phone" field, and the "# of Spots" field.

Enter your name, and phone number if you are new. The signup system will remember your information. Click the Save and Done button.

Note: Change the number of spots to 2.

IMPORTANT NOTE: Once you have entered and saved this information continue to use the same information for the entire season. The computer system will treat Bob and Robert as two different people.

Enter your guest name and food choice in the comment box and click Add Comment button.

Note: Not need to add your name or other information.

Note: If the comment box is not visible, click the >Play button (green)

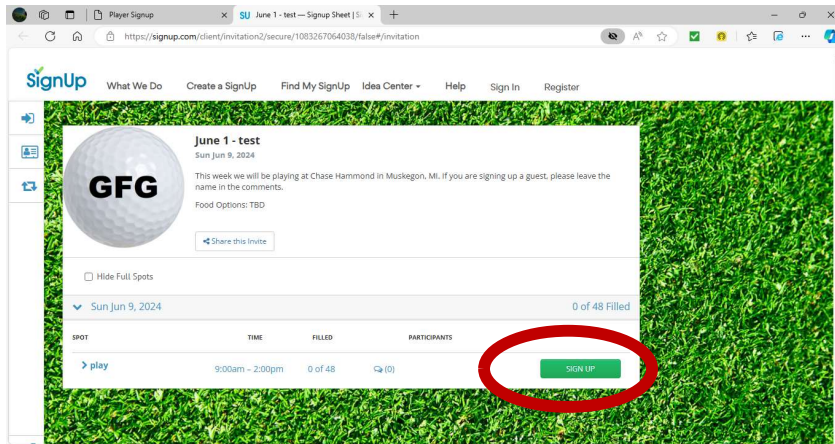

Signup is complete.
