PO Box 96  
Old Saybrook, CT 06475

Dear Mrs. Dionne,

On behalf of the Lynde Point Land Trust thank you to you and your students for making easy work of planting 800 plugs of grass on the Hepburn Dune. This area has a history of being damaged during major storms and filling in with the grasses will hopefully help this latest project survive Mother Nature's attempts at control. Details of this project can be seen on the LPLT website <https://lyndepointlandtrust.org> and we will be posting a recognition of the hard work soon.

We were very impressed with their energy and work ethic and hope we can convince them to return and help with our ongoing control of invasives.

Thank You, Chloe, Lily, Camellia, Andrew, Jack, Jameli, Kevin, Arthur, Breno, Evie, Karly, Katie, Emily, and Rya. Hopefully no one was misspelled or forgotten.

Sincerely,

Ethel Davis  
President Lynde Point Land Trust
