

Women's Ministry

Serving in Tuesday Grace Kids Program

At Grace Kids, our desire is simple: to partner with parents in helping children know, love, and follow Jesus. Whether your child joins us on Sunday morning or during midweek programming, they'll experience a safe, fun, and engaging environment where God's Word is taught with clarity and care.

Using **The Gospel Project**, children discover that the entire Bible tells one story — God's story of redemption through Jesus Christ and how to have a relationship with Him.

Midweek is designed to help kids take the next step. Together we'll practice spiritual disciplines, hide God's Word in our hearts through Scripture memory, ask great questions, and discover how the gospel shapes everyday life.

- **What to know when it's your week to serve:**
 - **Watch for an email from Ellie the Tuesday before you serve.** You'll receive a general serving request, which will appear as either **Green Lanyard** or **White Lanyard** based on your background check status. Ellie will also ask if you have any age or classroom preferences. **Please reply by Thursday at 10:00a** for your room preference to be considered.
 - **Your specific room assignment will be sent by Thursday afternoon.** Ellie will do her best to accommodate any age or room preferences submitted by the Thursday 10:00a. deadline, but specific placements cannot be guaranteed. Please watch for your updated serving request so you know where you'll be serving before Tuesday morning.
 - **Watch for an email on Monday with final details for your serving day.** A Grace Kids staff member will send you the morning schedule along with any important information or instructions specific to the age group you'll be serving.
 - **Day of serving: Day of serving: Please arrive by 9:20 a.m.** Check in with Ellie, pick up your lanyard, and then head directly to your assigned room. **You need to be in your room with your lanyard by 9:30 a.m.** so the Grace Kids team is ready to welcome families and children.
 - **Please plan to serve in the room you've been assigned.** Because all classroom placements and staffing have been finalized before Tuesday morning, Grace Kids is unable to accommodate room-change requests the morning of serving.
 - **Plan to serve through 11:30a.** Child pick-up begins at 11:15, but volunteers need to remain in their assigned rooms until all children have been picked up.
 - **If you need to leave early, please let Ellie know before Tuesday.** This allows Grace Kids to plan classroom coverage ahead of time. You'll also be reminded of this in the initial email Ellie sends the Tuesday before your serving week.

- **If you're unable to serve during your assigned week, you'll be rescheduled for the next available serving week** that corresponds with Moms Life or Women's Bible Study. If you already know that you'll be unavailable for your group's assigned date, please email Ellie at ellie.brazell@grace.church as soon as possible. The earlier you communicate, the easier it is for Grace Kids to plan ahead and make sure classrooms are fully staffed.
- **New this year:** If women are unable to serve in a classroom due to physical limitations or other significant concerns, please have them communicate with their small group leader as soon as possible, preferably by September 22. Small group leaders will then communicate those needs to Grace Kids. Having this information in advance helps Grace Kids adequately staff classrooms and gives them time to prepare meaningful, alternative ways for these women to serve during their scheduled week. Our desire is to accommodate their needs while still giving them an opportunity to serve and support the ministry in a valuable way.
