

# Christ Evangelical Lutheran Church Online Worship Survey

Dear Congregation,

As BC begins to lift COVID-19 restrictions, we need to decide whether we will continue to provide online worship services, that is, whether we will continue to film our services as they are happening to be watched from home.

To make this decision, we need to know if and when you are watching the services, and whether you will continue to do so when in-house services resume.

Please know that all answers will be anonymous unless you choose to share your contact information, and the data will be stored in the Church's Google account.

**Please fill out this survey and drop it off in the office**

If you have already filled it out online, thank you! and there is no need to fill it out again.

If you have any questions about this survey, or would like help filling it out, please call the church at (250) 860-2447 or drop by the office. We will continue to collect surveys until September 1st.

We greatly appreciate the time you take to fill out this survey.

How often do you watch our prerecorded or live online services?

- Every week
- Multiple times a month
- Once a month
- Less often
- Have never watched
- Watched some, but do not watch anymore
