President's Message

November is going to be an extra special month for the Manley Art Center. First a reminder that we are encouraging our members to support our "Give the Gift of Local Art" retail section. For the months of November and December we are expanding to 4 items priced at \$50 or less. If an item sells, replacements can be brought in the following Monday. Please let Rob know you are coming, since the gallery is closed.

The best event is our Cheers for 70 Years Celebration on November 14th. Check your mail for your invitation. Let's fill up our gallery and showcase with all our wonderful artists – our photographers, fiber artists, painters and all 2D art, ceramics, writers, 3D artists, musicians and talented jewelers. This is our moment to shine and share with our community. Join the celebration of this special place that you have helped create.

November is also synonymous with expressing gratitude. As the Event Coordinator I want to thank the members who consistently volunteer and support our events like Second Saturday, the Azalea Festival and now our 70th celebration. Your ideas, the foods you provide, the set up and clean up and the time you give are greatly appreciated. You Rock!!

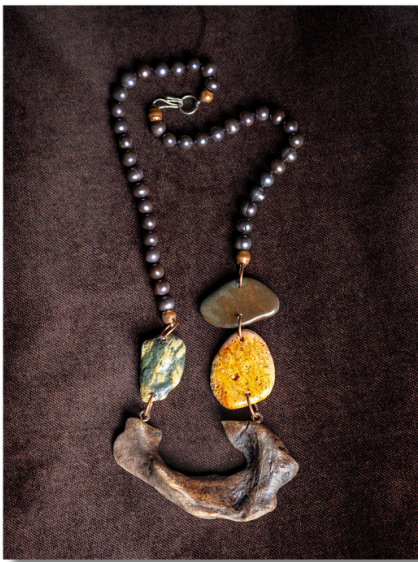

Colleen Chambers - Board President

Creative Crossovers: Seeing and Imagining Anew

November brings two wonderfully different — yet equally imaginative — workshop experiences at PBAA. Our photography workshops invite artists of all mediums to sharpen their eye for composition, contrast, and light. Whether you're a painter, pastel artist, or mixed-media creator, learning to "see like a photographer" can deepen how you approach every canvas or creative project.

On the other end of the creative spectrum, we're diving down the rabbit hole with the whimsical Mad Hatter Headdress & Tea Party. Join the fun as you sip tea, learn the basics of millinery, and create your own fantastical headdress — perfect for a festival, dinner party, or simply to delight your favorite pet! This playful afternoon celebrates pure imagination and the joy of making.

Come explore something new this month — whether it's capturing the world through a lens or through a bit of Wonderland-inspired magic!
