The parties do hereby enter into this contract pursuant to 49 U.S.C. 14101 (b) for the purpose of providing and receiving specified services subject to specified rates and conditions, and under which the parties intend to waive certain rights and remedies permitted to be waived under the Interstate Commerce Act and all amendments thereto, including the ICC Termination Act, and Title 49 of the United States Code and all corresponding regulations, to the extent that any provision therein is inconsistent with any of the provision of this Contract. In consideration of the mutual promises and covenants set forth herein, the parties hereto agree as follows:

General Business Covenants

Term. The term of this Agreement shall commence on the Effective Date and shall continue thereafter from year to year until terminated by either party without cause, on thirty (30) days prior written notice at any time and shall renew for successive one year periods without the proper notice by either party hereto.

Independent Contractor. Carrier understands and agrees that Carrier is an independent contractor of Broker and that Carrier has exclusive control and direction of the work Carrier performs pursuant to this Agreement and each Load Tender Document. Carrier represents that it is registered with FMCSA as a motor carrier in interstate, intrastate, and/or foreign commerce and is in all respect qualified to transport freight as required by Broker. Carrier agrees to assume full responsibility for the payment of all local, state, federal and provincial payroll taxes, and contributions or taxes for unemployment insurance, workers' compensation insurance, pensions, and other social security or related protection with respect to the persons engaged by Carrier for Carrier's performance of the transportation and related services for Broker or the Customer, and Carrier agrees to indemnify, defend and hold Broker and Customer(s) harmless therefrom. Carrier agrees to perform the services under this Agreement in accordance with the highest standards of the industry, operating under its own authority, using its own employees and using its own equipment. Carrier shall be wholly responsible for performing the contemplated transportation and for all costs and expenses of such transportation including without limitation costs and expenses of all Carrier's transportation equipment and those who operate it. In providing services, Carrier represents and warrants that the driver(s) utilized are competent, properly licensed and are fully informed of their responsibilities for the protection and care of the involved commodities.

Compliance with Applicable Laws and Regulation. Carrier warrants that (1) it is legally qualified to perform the contemplated transportation, (2) it does not have a "conditional" or "unsatisfactory" FMSCA safety rating, (3) maintains all applicable statutory and regulatory required insurance, and (4) it shall immediately notify Broker in writing of any adverse change in its safety rating or any suspension or revocation of its operation authorities. Carrier agrees to comply with all applicable provisions of any international, federal, provincial, state and/or local law, rules and regulations. Without limiting the foregoing Carrier shall, at Carrier's expense, comply with all laws, rules and regulations which are required for Carrier to provide Broker the transportation and related services under this Agreement. Carrier agrees not to accept a shipment from Broker if that shipment would require Carrier or any of its employees, agents or permitted subcontractors to exceed or violate any speed of safety law, rule or regulation.

Solicitation of Broker's Customers. Carrier shall not during the term of this Agreement and for eight (8) months following the termination of this agreement, directly or indirectly, solicit the traffic of the freight between the origins and destination that were first offered to Carrier by Broker (hereinafter "Brokered Traffic"). If Carrier transports Brokered Traffic other than that for Broker during the term of this Agreement and for Eight (8) months following the termination of this Agreement, then Broker shall be immediately entitled to a commission of fifty percent (50%) of the rates and charges received by Carrier on such Brokered Traffic.

Successors and Assigns. This agreement shall be binding upon the successors and permitted assigns of the parties hereto. Carrier shall not assign this Agreement, or any part thereof, without the prior written consent of Broker.

Venue and Choice of Law. The terms and conditions of this Agreement and the Tender Documents, including but not limited to Bills of Lading, Rate Confirmations, Proof of Delivery and the like, shall be governed by, and enforced in accordance with, the laws of the State of South Carolina without regard to its conflict of laws rules, and any suit or action enforcing the terms and conditions of this Agreement and all Tender Documents shall be brought and adjudicated in the court of general jurisdiction for Greenville County, South Carolina. By the execution and delivery of this Agreement, both parties hereto consent to the exclusive jurisdiction of those courts. Each party hereto irrevocably waives any objection, including any objection to the laying of venue based upon the grounds of *forum non conveniens*, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction in respect of this Agreement of any documents or instruments relating hereto. Each party hereto waives personal service or any summons, complaint or other process. Such process may be made by certified mail or by any other means permitted by South Carolina State law.

Modification. Carrier agrees that Carrier’s rules, tariff(s), circular(s) or other publication(s) are not incorporated into this Agreement of any Tender Document. Any printed provisions on the reverse side of Carrier’s forms shall be deemed deleted.

Savings Clause. If any provisions of this Agreement or any Tendered Document is held to be invalid, the remainder of the Agreement or any other Tendered Document shall remain in full force and effect with the offensive term or condition being stricken to the extent necessary to comply with any conflicting law. Carrier agrees that the termination, breach or invalidity of this Agreement of any Tendered Document does not cause Carrier’s rules tariff(s), circular(s) or other publication(s) to govern the transportation and related services that Carrier provides to Broker or its Customers.

Waiver. No provisions of this Agreement or any Tendered Document shall be waived by any party hereto, unless such waiver is written and signed by the authorized representative of the party against whom such waiver is sought to be enforced. Waiver by either party of any breach or failure to comply with any provision of this Agreement or any Tendered Document by the other party shall not be construed as, or constitute, a continuing waiver of such provision, or a waiver of any other breach of failure to comply with any other provision of this Agreement or any Tendered Document.

The Carrier agrees to pay all insurance deductibles in the event a claim is filed with the Carriers Insurance provider. Carrier agrees to defend, indemnify and hold harmless Broker from all losses, damages, fines, expenses, attorney's fees, actions or claims for injury to persons, or property or cargo, including death, which Broker may incur arising out of this contract. Carrier shall provide Broker a certificate of insurance naming Broker as Certificate Holder and as additional named insured providing for notice prior to cancellation, and evidencing the foregoing coverage, prior to providing any services to Broker under this Agreement.

In the event of a claim, payment of services rendered to the Carrier from the Broker will not be performed until all outstanding claim issues are fully resolved and the appropriate parties made whole.

Performance of Services. Carrier agrees to meet Broker's distinct transit and pricing requirements agreed to by the parties from time to time after the Effective Date as confirmed by the Broker's issuance of a Load Tender sheet, re-note, Tare Confirmation, Bill of Lading, Proof of Delivery or other load tender documents that Broker may use from time to time (hereinafter "Tender Document"). Additional service requirements are as follows:

- Carrier shall transport Broker's shipments without delay. Carrier shall immediately notify Broker of any likelihood of delay. Carrier shall transport all freight tendered by Broker only on equipment operated under Carrier's authority.
- Carrier shall comply with all of Broker's reasonable shipping instructions communicated to Carrier, and comply with all applicable provisions of any provincial, federal, state and/or local law or ordinance and all lawful orders, rules and regulations.
- Carrier shall obtain from the consignee a complete, signed delivery receipt for each shipment, and it shall notify Broker immediately of any exception on any document. Carrier shall send Broker delivery receipts and bills of lading within twenty-four hours of delivery, as Broker directs.
- Carrier is responsible for ensuring that all freight is properly blocked and braced for transportation to allow for the safe and damage-free delivery of the goods and to avoid damage to other property.
- Carrier is responsible to determine that the goods being shipped are in apparent good order and condition, to the extent that such is ascertainable through a visual examination of the exterior of the goods shipped, before loading and, in the event that they are not, Carrier will contact Broker for further instructions.

Bills of Lading and Delivery Receipts. Carrier will issue and sign a standard, uniform straight bill of lading or other receipts acceptable to Broker and Customer, upon acceptance of goods for transportation. All terms or conditions written or printed on the receipts or bills of lading which have not been specifically agreed to by Broker, either in this contract or any signed addenda hereto, shall have no binding effect against Broker. The receipt of bill of lading issued or executed by Carrier shall be prima-facie evidence of receipt of goods in good order and condition unless otherwise noted on the face of said document. Carrier shall submit to Broker the original signed bill of lading evidencing good delivery of goods. If Carrier fails to maintain and provide the bills of lading as agreed, Carrier assumes all risk of loss resulting from the failure to prove good delivery. In the event that Carrier's personnel are not allowed or afforded an opportunity to view and/or examine the goods being shipped in order to ascertain the condition of those goods prior to loading on to Carrier's vehicle, the carrier's personnel shall immediately notify Broker and wait instructions prior to transporting the shipment and shall note on the bill of lading that they were not allowed or afforded an opportunity to view and or examine the goods shipped.

Business Conduct

Rates and Charges. The rates that shall be in effect for all movements tendered to Carrier by Broker shall be set forth on the Tender Document issued by the Broker and given to Carrier (the "Charges"). For purposes of this agreement "Tender Document" shall be defined as the Bill of Lading and the rate corresponding confirmation contract sheet which originates with Broker and is sent to Carrier. Carrier represents, warrants and agrees that there are no other applicable rates or charges except those set forth on the Tender Document issued by Broker from time to time. Broker shall pay carrier 30 days after Broker's receipt of Carrier's invoice, shipper's bill of lading, signed, clear delivery receipt and other documentation required by Broker

or Customer. Carrier agrees that it shall not bill the shipper/consignee or any other third party directly nor shall it communicate in any manner, directly or indirectly, with Broker's customers, consignors, consignees, or any party other than Broker, concerning the collection of any charges relating to transportation services accruing in connection with or as a consequence of this Contract; and waives any right it may otherwise have to proceed or commence any action against any Customer for the collection of any freight bills arising out of transportation services performed by Carrier under this Contract. Carrier will not accept payment from any shipper/consignee or any third party for providing transportation under this agreement. Carrier's performance of the work contained in the Tender Document, or commencement to perform, is confirmation of acceptance of the rate and charges contained in that document. No other rates, terms, conditions, charges, fees, expenses, or any other amounts shall be payable by Broker to Carrier unless such items are included in the written Tender Document. Nothing in any Bill of Lading or other Carrier issued document shall be binding upon Broker or customer, unless specifically included in the Tender Documents. Broker shall not be required to make payment for any accessorial charges, equipment or escort rentals for the tendered movement, or any other special permitting or operating expenses, unless noted in Tender Documents.

Carrier will not re-broker, assign or interline the shipments hereunder, without written consent of Broker prior to the shipment being tendered to any other Carrier.

We do not pay driver detention at first come-first serve (FCFS) facilities unless there are extraordinary circumstances (i.e. product not ready, loading equipment malfunction, etc.) Also, we will not pay driver detention if we are not in direct communication with your driver in order to try and resolve any detention situation. We must be notified of any potential issues within one hour of the carrier's arrival.

Hostage Loads. For purposes of this Agreement "hostage loads" is defined as the Carrier refusing to immediately release shipper's freight upon demand or otherwise exerting unauthorized control over freight, refusal to deliver a load at the scheduled time and place of delivery, refusing to provide Broker with information on the location of shipper's freight or refusing to deliver, or failure to release or produce such freight. In the event that the Carrier does hold freight hostage, Carrier agrees to pay Broker \$1000 for each day the freight is held. Carrier agrees that such amount constitutes reasonable liquidated damages for damage to Broker's reputation with the shipper and/or others. Broker shall be entitled to all other available or alternative remedies at law or equity in the case of hostage loads.

Entire Agreement. This Agreement, with the Tender Documents issued by Broker constitutes the entire agreement between the parties and supersedes all contemporaneous oral agreement and all prior written or oral communications, agreements and contracts between Carrier and Broker with respect to the subject matter of this Agreement. Any provisions on any Carrier-provided form whether before or after the execution of this Agreement, shall be deemed null and void and of no effect and shall not modify the terms and conditions of this Agreement. Broker from time to time, can modify or amend the terms or conditions of this Contract by means of a written amendment which it shall promptly mail or otherwise transmit to Carrier. Said modification or amendment shall become effective three (3) days after transmission by Broker. Carrier's continued acceptance of freight tender by Broker or Broker's customer thereafter shall constitute acceptance by Carrier of such modification or amendment of this Contract. In the event that any portion of this Contract is declared void or unenforceable, then such provision shall be deemed severed from this Contract which shall otherwise remain in full force and effect.
