KY All Star Team

- Scores will be kept all season at Kentucky USTA competitions averaging the top two scores at each level on each event. Top two girls and top boy will be announced at USTA KY State competition for the upcoming year.*
- After announcing team qualifiers, parents are responsible for paying \$125 to be able to participate on the team. This fee is used to purchase All Star uniforms.
- KY All Star Team members perform at Kentucky sanctioned competitions during lunch breaks

- KY All Star Team uniforms are required to perform. The design will change every other year.
- If you know your athlete will not be competing the following year, State Chair will be notified by April 1st. At this point we will move to the next athlete in line. The Athlete will be announced, but no team apparel will be needed.
- If a competition offers only two five skill passes for novice and above tumbling, then these athlete scores will not count toward the All Star team calculations as the passes should technically be one five skill pass and one eight skill pass.
