

Watching Your Home/Boat When You're Away

WHAT IS HOME WATCH

The visual observation of a home/property looking for obvious issues.

HOW DOES HOME WATCH WORK

We visually check your home/boat/property providing you a report with photos, location and date stamped.

weekly or bi weekly(every other week) visits

BENEFITS OF HOME WATCH

You have a person physically/visually observing your home/boat/property.

You have written/photo documentation of your property should you need to file a insurance claim.

You have a person you can call for issues at your home/boat/property that will help you resolve these issues. Technology can alert you, we help you!

Unlike your neighbors or friends we want to look after your home/boat/property; **IT IS OUR JOB!**

We are insured for Liability, Bonded for Honesty, Achieved the highest available Home watch training/education in 2021. Participate in continuing Home Watch education and have years of experience.

IT'S TIME YOU GET HOME WATCH
