## *State Deputies Message*

Brothers we are just a week or so away from the end of Columbian Year. We have a lot to be proud of, as we continue to grow our great order in Newfoundland and Labrador. My term as your State Deputy is drawing to a close. The past two years have been the highlight of my life in the Knights of Columbus, an experience I would never forget and will remember fondly.

I would like to thank Archbishop Peter Hundt for his friendship and guidance during his three years as our State Chaplin and in particular during my first year as State Deputy and to Father William Hearn during my second year. I would like to thank our Canadian Growth Director Paul Perry and his wife Charlene for his continued assistance in growing the order in this province and to Robert Ennis, Director of Canadian Growth for his assistance over the past two years.

I would also extend my gratitude to the State Executive and their wives and families for the hard work and support that they have shown me over the past two years. To the State Appointed personnel and your families, thank you.

It has been a privilege for Bev and I, to serve the Knights of Columbus in this great province we continue to call home as your State Deputy, travelling throughout our province, meeting many wonderful brothers, their wives and families. Wherever we have travelled we have been welcomed and made fell at home. Thank you.

Thank you and your families for all for the time and dedication that you give your councils and our order.

Brian Hurley

## *State Chaplain's Message*

Dear Brother Knights:

This month of June presents my last occasion to address you through the Knightly News in this Columbian year 2018-2019. It has been a good fraternal year for the Knights of Columbus in Newfoundland and Labrador.

The State Convention in April at Gander highlighted so many accomplishments among our Councils. Convention gatherings bring to my mind Psalm 133 which begins "Behold, how good and how pleasant it is for kindred to live in unity "charity and fraternity.

In this letter I wish to recommend to you the Marian Prayer Program with the Icon of 'Our Lady Help of Persecuted Christians'. At St. Joseph's Parish in Gander during May, members of the Knights of Columbus and the Roman Catholic Women (RCW) partnered to offer this Prayer Service. Two 4th Degree members of the Order carried the Icon in procession to a place of prominence in the sanctuary. There were approximately 40 parish members in attendance. We prayerfully followed the service booklet outline. It is user and prayer friendly and allows for a variety of participants to offer prayers, readings, intercessions and the Sorrowful Mysteries of the Rosary. It was an educational, unifying and rewarding spiritual exercise for all concerned.

Every Council in the province should avail of this Marian Prayer Program and have the Icon on display for some time in their local church. Devotion to the Blessed Virgin Mary is strong in our province and this is a wonderful way

our Councils may offer faith in action and engage the parish community.

I recently discovered a poem entitled "An Irish Woman's Rosary" "I bless myself and kiss the Cross and the Holy Creed I tell; and the paters and aves trip off my tongue, for it's me that knows them well; for its many a day these same old beads I told in the same old way; I got them my First Communion morn and that's 60 years this May." (Irish Folklore)

Brother Knights, I wish you, your spouses and family members all the blessings of a safe and enjoyable Summer. I will be attending a State Executive Meeting on June 19-20 at the Wilds on Salmonier Line. Let us never grow weary of planning and promoting the work of our venerable Order. Let us take every opportunity of inviting membership of those we may encounter during our summer days of leisure, travel and worship. Peace be with you!

Sincerely,  
Fr. William Hearn,  
State Chaplain

## *State Secretaries Message*

Brothers: another Columbian Year is quickly drawing to a close.

In two short weeks, a new State Executive will take office. And as well, on July 1<sup>st</sup>, most Councils will also see a leadership change. Council Elections should be completed by June 30<sup>th</sup>.

As in past years, the start of a new Columbian Year also brings with it some new changes to the way the Knights of Columbus does things. First

and foremost is the Regalia change for Fourth Degree Honor Guards.

The Supreme Council has set June 30<sup>th</sup> as the absolute deadline for the use of the Plumed Chapeau and the Cape, by Honor Guards. After June 30<sup>th</sup>, only members wearing the new Fourth Degree Regalia, that is the Jacket, Slacks and Beret, will be permitted to participate in *The Honor Guard*.

Your State Council has scheduled an Organizational Meeting for Gander from July 5-9, 2019, and all councils are urged to have a representative attend these meetings to get first-hand, as much information on changes to the Order. Expenses for First-time Grand Knights will be covered by your State Council. The cost to any other council sending a delegate to the Organizational Meeting will be the Council's expense.

Brothers, hopefully, I will see many of you at the upcoming meetings in Gander in a few weeks. And, on that note, I'd like to extend a thank you to everyone for their cooperation and understanding this past year.

My term as State Secretary comes to a close on June 30<sup>th</sup>, but I look forward to continuing to serve next year as your State Deputy. I would like to extend a heartfelt wish to all Brother Knights and their families to have a safe and enjoyable summer.

Fraternally,  
Gordon Lannon  
State Secretary/ State Deputy Elect

### *Thought of the Day*

*What disease did cured Ham have*

## *Message from State Treasurer*

Brother Knights, we are almost to the end of the Columbian year 2018-2019. Just over a month ago we held a successful State Convention in

Gander with most of our councils participating. The next step is the Supreme Convention that is being held in Minneapolis, Minnesota in early August. I will be one of the delegates attending this Supreme Convention and I look forward to an enjoyable and informative few days of fraternity with our jurisdiction's delegation as well as all the worldwide jurisdictions.

As this year closes, we are gearing up for the new year which starts July 1, 2019 and business will start as usual. Early in July, your councils will be sent First Half Assessments for the new year by our State Secretary, yours truly, and I encourage all councils to please submit payment in a timely manner, as most councils are accustomed to doing.

This past year our revenue from our \$ 40.00 State Lottery tickets was down from last year's revenue but we saw an increase in the sale of the Fall Sweep tickets. The result overall was just a little less than last year's total count. At this time councils should be in possession of the Fall Sweep tickets and I would encourage councils to distribute those tickets as early as possible so as to get a jump on sales during the Summer months when people are visiting from away and there are plenty of activities such as garden parties, music festivals and other group gatherings taking place.

On a housekeeping note, I would like to remind councils of the change of the year-end date for the Member Medical Travel Fund to coincide with the end of the fiscal year on February 28, as was passed in Resolution at State Convention 2018. The current claim period is from March 01, 2019- February 28, 2020 with a grace period for claims up to the end of March 2020. I want to encourage all the council who send in medical requests to please send them in a timely manner instead of waiting until you have several requests at the same time. This makes the accounting process much easier and gets the funds replenished to your councils' accounts on a regular and faster basis. If you wait too long, the funds allocated for that time period may not available due to being already paid out or too late for the claim period. In the past two (2) years, as your State Treasurer, I have tried to be very prompt with getting claims processed and back to councils. I also want to thank those councils that were very cooperative in those matters by submitting their claims as they received them from eligible members.

Just a note to remind councils to send any claims that you received after the end of June 2019, from the Member Medical Fund, to the incoming State Treasurer, Brother Gary Gallagher.

On behalf of State, I want to thank everyone for your cooperation and understanding during the past two (2) years and for the confidence you have placed in me by voting me into the position of State Secretary at our Annual State Convention in Gander. I look forward to continuing to serve your councils next year in that capacity.

Just a friendly reminder that our two (2) fund raisers: State Lottery and Fall Sweepstake, are

our life blood from a financial point of view and we should make a concerted effort to make 2019-2020 a banner year in ticket sales in our jurisdiction if we hope to maintain our level of financial support to our councils and the many groups and organizations we support on a regular basis.

From my family, have a safe and enjoyable Summer!

Fraternally,  
Pat Gambin  
State Treasurer

### *Our 4 Principles*

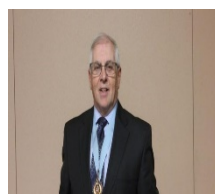

**Charity** "Love thy neighbor as thyself."

**Unity** together – we can accomplish far more than any of us could individually.

**Fraternity** we watch out for and take care of one another.

**Patriotism** We are proud of our devotion to God and country

### *Message from State Advocate*

Brothers: As we enter the final days of this Colombian year let me congratulate all Councils for their excellent efforts in making this past year a very successful one. Overall our numbers of Councils in full compliance under the Safe Environment program has continued to improve, there are some councils who have yet to get complete the mandatory program and I urge all Grand Knights and Program personnel to complete the training. Our Charter

Constitution Laws sets out the official rules of the order and your Advocate and Council Executive should have a copy close by for use when addressing issues that sometimes arise within Councils. It has been an honor to serve our jurisdiction as State Advocate. As we celebrate our 101st year of Knight Hood in this province lets be proud of our accomplishments. My wife Sheila and I wish all my Brother Knights and your Families an enjoyable summer and your Council's success now and in the future.

Fraternally  
Gary Gallagher  
State Advocate

### *Message from State Warden*

My Fellow Brothers.

I take this opportunity to offer thanks to Worthy State Deputy Brian Hurley and my fellow State officers for having faith in my abilities and I truly appreciated being appointed mid-term as your State Warden. Additionally, I want to thank all the delegates at the past State Convention is supporting me as your State Advocate –Elect.

This Columbian year has been a challenge Order wide as we transitioned from our “Surge with Service” program to our new ‘Faith in Action” program. A challenge that all Councils in Newfoundland and Labrador met head-on and with success. I assure you that the State Officers have worked diligently to aid as much as possible during that transition.

As we prepare for a new Columbian Year, I would like to congratulate the new Council

Officers that have been recently elected and given the confidence of your Brothers. To the outgoing Council Officers, I thank-you for your service to your council and to the Order.

As the school year is rapidly coming to a close, both my wife Christine and I wish you all a very safe and Blessed summer. Treasure your family memories.

I look forward to the July meetings and meeting new friends.

Vivat Jesus  
Paul R Baldwin  
State Warden

### *Message from DD# 1*

It has been a privilege and honor to serve as District Deputy for District #1. I thank all the Grand Knights for their cooperation and their efforts in supporting the work of the Order. In addition, I thank the Worthy State Deputy for giving me the opportunity to serve as District Deputy.

This past fraternal year has seen great things accomplished in the district and unfortunately a great deal of sadness. Dalton Council # 1448 tragically loss it's Grand Knight, the late Brother John Ethridge was a dedicated Grand Knight, dedicated Faithful Comptroller; and a loving and dedicated husband and father. I want to thank all the Councils that came to the aid of the Ethridge Family and I encourage all members to avail themselves of the Order's insurance plan.

I want to thank Grand Knights William Dobbin, Rusty Noseworthy and Phil Hurley for stepping up to the plate to lead their councils during the

transition to the new “Faith in Action” program. In addition, I want to congratulate Brother Rusty Noseworthy for being selected as the new District Deputy. Congratulations are in order for Brother David Power, Grand Knight –elect for Avalon Council, and Brother Phil Hurley, Grand Knight for Monsignor McCarthy as he received overwhelming support for another term as Grand Knight. For all the outgoing officers, I thank you for your service.

As the school year nears its end, I wish you all a safe and blessed summer. The summer months are busy for councils and I hope you make many family memories.

Fraternally yours,  
Paul R Baldwin  
DD#1

### ***Message from DD# 2***

Congratulations to St. Teresa’s Council # 7702 and Holy Spirit Council # 6792 of District # 2 who received Awards at the 101st State Convention in Gander. This should give pride to the general membership of these councils for their hard work over the past year.

St Teresa’s Council #7702 led by Grand Knight Cyril Synard, received the Columbian Award for 2017-2018 and the most improved council in the jurisdiction of Newfoundland and Labrador for 2018-2019.

Holy Spirit Council # 6792 led by Grand Knight Darrell Long received the 1st place award in Community Activities, 1st place in Culture of Life Activities, Fr. McGivney Award and Br. Joseph Santos and Family received the State Family of the year Award.

Congratulations to Brother Joseph, Worthy Grand Knight Cyril Synard, Worthy Grand Knight Darrell Long and the executive and all the members of these two councils for a job well done.

As your District Deputy, I am very honored to represent you at State level.

Vivat Jesus  
Leonard Furlong  
DD # 2

### ***Message from DD# 7***

Brothers: Greetings from District 7

It's hard to believe that another Columbia year is winding down. Some wise person once said that time flies when you are having fun and I hope there is some truth in that statement. The camping, gardening, and fishing season is upon us ... enjoy it to the fullest with family and friends and stay safe.

We enjoyed a great Convention in Gander and I want to take this opportunity to congratulate those who received recognition for the great work that was conducted in the area of council programs for last year. Hopefully the upcoming year will be equally successful and to guarantee success going forward you have to start planning as early as possible. Maybe we will have a Start Council Award in our District next year.

I am looking forward to working with the Councils in District 7 during the next year in the role of District Deputy. Sincere thanks to the incoming State Deputy, Brother Gordon Landon, for providing me the opportunity to serve in this capacity for another year.

Worthy Grand Knights, once your Council election is held, may I suggest that you complete form 185 and submit it immediately after you hold your election. If you have vacancies on the Executive you can add them at a later time. This form is an important one and it has to be submitted early to ensure that the executive members receive the necessary information that

will help them with their duties and responsibilities. Please place the completion of form 185 the first item on your to do list.

To the outgoing Grand Knights and Council Executive members I express sincere thanks to you for your service and cooperation during the past year. The commitment and dedication to your duties has enhanced the growth of your Council, the District, the Jurisdiction and the Order.

I would also like to congratulate the newly elected Grand Knights and the Council Officers. I am looking forward to meeting with you in the near future for your installation ceremony.

Have a safe and enjoyable summer everyone.

Fraternally,  
John George  
District Deputy 7

### ***Message from DD# 10***

Brother Knights: District 10 has been busy this past Columbian year with the District Meeting taking place last fall with all Councils being represented. There were 11 Brother Knights in attendance. All 3 active Councils embraced the changes in our programming format from the

Surge with Service to the Faith in Action model.

There was a Financial Secretary's Seminar held in Stephenville at OLPH 3742. This was chaired by our F.S. trainer Brother Dennis Jones.

As DD I attended meetings in all three Councils at least 3 times or more.

Each Council have been involved in their Church & Community with activities & programs.

I would like to thank each council for their hospitality & cooperation throughout my term as District Deputy. I won't be returning as DD in coming year.

Congratulations to the new executives in various councils and I wish you all the very best in the upcoming year.

To all Brother Knights and your Families in this great Jurisdiction, Have a safe and great summer

Fraternally  
Ron Aucoin  
DD#10

### ***Message from State Program Dir.***

Greetings Brother Knights, As we bring to a close this Columbian program year I want to thank all our Councils and your members for the great work you have done throughout the past year. As Program Director I had the privilege of reviewing all your program submissions and I am constantly amazed at the

good works and varied programs undertaken throughout the jurisdiction. There are many thousands of people throughout the province who have been recipients of your good works. Food drives pamper and baby supplies. great meals served to our seniors, Free throw Basketball contests, community speak offs, essay contests and many more programs which all bear witness to the great works done by your councils. I want to thank all our members for your contributions to the many programs sponsored by Supreme, State and at Council levels. This is what Knighting is all about.

On behalf of my wife Sheila and myself I bring best wishes for a safe and happy summer.

Fraternally  
Gary Gallagher SA  
State Program Director

### ***Message from State Youth Director***

Brothers, another successful Columbian year is coming to a close. It has been a pleasure serving as Youth Director for the jurisdiction of Newfoundland and Labrador. Working with the State council and Grand Knights.

The Keep Christ in Christmas poster contest, the Substance Abuse and Alcohol Awareness poster contests, Essay contest and the Basketball Free Throw were a great success again this year. Congratulations to all the participants and winners.

I would like to thank Notre Dame Council 2053 and P.J. Connors Council 8700 for your help with the regional and provincial Basketball Free Throw Competitions this year.

Thank you to all who helped with the youth programs this year.

I would like to wish all Brother Knights and your Families a safe and happy summer.

John Thoms  
State Youth Director

### ***Message from State Membership Dir.***

Hello Brother Knights. This is the final edition of our State Newsletter for the Columbian year 2018-2019. We have had a fairly successful year in the recruitment of new and former members to the Knights of Columbus. Our goal for this year, as in the past couple of years was 150 new or former members and at the present time, June 8, 2019, we have reached approximately 70. Hopefully, with 3 weeks remaining we can increase these numbers to a more respectable total and finish our year on a more positive note. A number of councils have plans to hold First Degree ceremonies in the next week or so and other councils have Church drives planned in the next couple of weeks. Let's see if we can't bring our numbers close to 100 for this Columbian year.

On behalf of State Council, I want to encourage all councils to continue their efforts in recruiting in the remaining 3 weeks and even put in an extra push for those councils who need only a member or 2 to reach Star Council Status. If your council has not recruited any new or former members this year, it is not too late to ask a prospect to join. This could be the impetus to kick start recruiting during the Summer months and get a head start for next year's recruiting drive. Also, I want to encourage councils to take advantage of activities going on

in your communities throughout the Summer as recruiting opportunities. There will be more people out and about and as a result more opportunities to ASK prospects to get involved with these activities and eventually join our great organization.

Again, thank you for all your support and encouragement this past year in recruiting. I also want to thank State Deputy Brian Hurley for appointing me to the position of State Membership director for the Columbian year 2018-19. It gives me the opportunity to meet people who are genuinely interested in the future welfare of the Knights of Columbus. We need to get more councils and individuals actively involved in recruitment in order to grow this great organization.

To all Brother Knights and your families, on behalf of my family, have a safe and enjoyable Summer and keep a watchful eye out for prospects for the Knights of Columbus. Rejuvenate during the Summer break and start again in September with a renewed energy to continue to grow the Order for the benefit of your own council, your Church, your family and Society in general. Let's build our jurisdiction together ONE MEMBER AT A TIME!

P.S. Don't forget to fill out the form for your Council's Columbian Award to reward the members for the many activities in which they have been involved throughout the Columbian Year 2018-2019. Deadline is June 30, 2019 but you don't have to wait until the deadline. Send it in now.

Fraternally,  
Pat Gambin

## *Message from State F.S. Trainer*

Thank you to all the Financial Secretaries and other council officers who attended training seminars and workshops during the past year; and a special thank you to the District Deputies and Grand Knights who organized the events and provided facilities for us. It was a pleasure to meet so many of you and to see that you are implementing the features of the Membership Management and Billing System!

The fraternal and fiscal year for our councils and assemblies ends June 30th. This is a great opportunity for Financial Secretaries and Comptrollers to begin using the billing system to even greater advantage. If you have not already commenced to use the system to generate receipts and vouchers, this is the prime time to commence. If you are already doing this, then it would be to your advantage to improve your account list and your event list to give you more and better reporting flexibility.

If you need any assistance please contact me, and if needed we can set up training sessions through your District Deputy. Training sessions are also useful to other council and assembly executives and to members who may want to sit as on the executive board in the future.

Training is one of the keys to running a successful council or assembly!

Thank you all for your valuable time and the great efforts that you put into the work of your councils, assemblies, parishes and communities!

God bless!

Dennis Jones, State Financial Secretary  
Training Coordinator

## *Message from State Lottery*

Brother Knights,  
During the 2019 Annual State Convention a total of 35 Councils returned tickets, in 2018 there were only 34 Council returning sold tickets. An increase of one more Council selling tickets. Of these Councils, 13 Councils sold more tickets than they did in 2018 and 21 sold less than they did 2018. One Council sold the same amount this year as they did last. There were 391 tickets less sold this year than last year. This year there were 6945 State Lottery tickets sold.

With the summertime just about upon us this is a good time to put a push on selling the Annual Fall Tickets. With various garden parties, festivals, family reunions, and vacationers on the go. It's a good time to sell tickets.

In 2018 there were 6084 more Fall Sweep tickets than there were in 2017. Let's put an extra effort in beating that total this year.

On behalf of the State Lottery Committee, John Thoms, Eugene Hurley, Dave Delaney and myself I want to wish everyone a safe and enjoyable summer

Jerry Barker  
State Lottery Chairman

## ***Let me think about it***

Many times, people will delay the purchase of needed life insurance because they assume there is no rush. A recent study of claims paid on Knights of Columbus life policies reveals that in 2018 there were a number of claims paid on plans that were in force less than 12 months\*. The leading causes of death were cardiovascular disease and motor vehicle accidents. The claims paid were from seven states and three provinces of Canada.

### ***Less Than Twelve Months***

| Time In Force |      | Cause of Death                   | Age | Occupation            | Amount Paid  |
|---------------|------|----------------------------------|-----|-----------------------|--------------|
| Months        | Days |                                  |     |                       |              |
| 0             | 1    | Motor Vehicle Accident           | 25  | Hotel Management      | \$15,000.00  |
