State Deputy's Message

Hello to all my Brother Knights of Newfoundland and Labrador. It is a great pleasure for me to welcome our new Editor of the **Knightly News, Brother Roland Castillo**, to our State personnel team. I would also like to thank the out-going Editor, **Brother Bob Miller** for

to share ideas and activities that are taking place in different councils and gain new insights from each other.

As your State Deputy, I want to thank you for the confidence you have shown in me by electing me to this position at State Convention

“Without new members, the writing is on the wall.”

his efforts in the past number of years keeping everyone up to date on news in our jurisdiction. Great job, Brother Bob! To make this newsletter successful, we need the support of every member of the Knights of Columbus in Newfoundland and Labrador. Your support can be shown by simply submitting items to Brother Roland Castillo to be published in the Newsletter. This is a way for every council

in May 2021. I, along with your full State Executive, am here to help and guide the jurisdiction to a successful year. This can be done only with the cooperation of everyone from the State Executive, District Deputies, State-appointed Personnel, Grand Knights and their elected Council Officers and all our individual members in the jurisdiction. Don't be shy about stepping forward

to help with activities in your council or volunteering to take on a director's role when the need is there. The more help we get, the less work for everyone. Remember, many hands make light work!

As per usual, we will be looking to grow the **membership in our jurisdiction** as well as having **strong, active programs** that will be visible to prospects that are looking to join our ranks. Many members often say that membership is all about the numbers and the more I think about it, this statement has a great deal of truth in it. Just look at your own council and try to imagine where your council will be in 5-10 years **if you do not grow the membership**. Every council needs new members to continue our

works and therefore it is way for our councils to survive. **Without new members, the writing is on the wall.**

So far, this Columbian year we have had 14 new members join in July and August and there are approximately 20 new prospects waiting to join a council. Congratulations to the successful recruiting councils and to the councils that will soon be signing up new members.

On behalf of State Council, I welcome everyone back to their respective council meetings which will start, for most councils, in September after a summer break. Thank you to the councils that kept activities and programs going throughout the summer months and let's get on with all the work of helping the

Church through the Knights of Columbus COVID Recovery Program as a means of getting more people back into our churches.

To conclude, let's get the ball rolling in our individual councils to continue with strong programs and as a result the whole jurisdiction of Newfoundland and Labrador will benefit and have a great year in all respects.

To all members and their families, Be Safe, Be Healthy!

Fraternally,
Pat Gambin
State Deputy

Message from State Chaplain

May the Lord's Blessings be with you!

Let us praise God for His goodness to us all! We are just preparing to wrap up from this summer season and all our young girls and boys have returned to their studies and routines. Our young adults

are back to their campus. We have been fortunately here in Newfoundland and Labrador to experience the easing and lifting of many covid restrictions that were in place over the past number of months. We are praying to God that a fourth wave does not arrive so that we may

have some normalcy in our lives and our relationships. We are coming back to church celebrating and hoping to be nourished by the Word of God and the Most Holy Sacrament in Communion.

While many of us have become accustomed to our

arm chair religion live-streamed to homes Saturday evening or Sunday mornings, many wonder and ponder the need to return to the church for spiritual nourishment. After all, it's pretty cozy at home, isn't it???

For our true shut-ins, who are no longer physically able to attend mass, and who have journeyed to the church over their entire lives, God gives them great comfort with their TV mass. Yet many of them speak to whom they miss the most, apart from not seeing friends in church, the Eucharist. The witness of their faith-filled lives teaches us that mass is a genuine, personal encounter, not only with those gathered with them, but most particularly, with Jesus in the Holy Communion. They teach us who is truly important in this life - Jesus the Lord. Holy Communion to them is truly the Bread of Life. No matter how beautiful TV mass is celebrated, they miss Jesus. They truly desire to be present at mass and can't be. However, you and I can be, and we should be. We are the people who can return to mass and carry the love and prayers of these shut-ins with us. After all, we are

commanded to love God and our neighbor as ourselves. We should be blessed to be able to carry out these good works for our shut-ins. Let us be the ones to place the prayers of their hearts on the paten, and the love of their hearts on the chalice, that as the gifts are transformed into the Body and Blood of Jesus, and as Jesus holds them in His heart, that we may be too held in His heart. It is Jesus that strengthens and nourishes us for the good work.

So my dear brothers and sisters, may the good Lord that gives us life, breath, and faith, inspire us to move out of the comfort of our homes into the Joy of His home as with gratitude we lovingly return to His Holy Mass and to "Jesus the Bread of Life".

Rev. Jeff Kolnel
State Chaplain

Message from State Secretary

Brothers, first of all, let me welcome our new Public Relations and Knightly News Editor, Roland Castillo. Knightly News is an important service that lets us know what is happening in our districts. Congratulations

to Brother Pat Gambin for taking on the important role as State Deputy. A big thank you to our Immediate Past State Deputy, Gordon Lannon, who has worked tirelessly and led us through a difficult two years. Now it's time to pick ourselves up and move forward. As we slowly progress out of COVID, many councils are now starting to get back into full or expanded operations and programs. We have changed our State Directory from a hard printed copy to an online version mainly due to cost. Also, the many changes in council positions made it difficult to keep track of who was occupying important council positions at any given time. The latest copy of our State Directory is available and will be issued shortly. In any event, should you wish a copy please sent me an email. In the meantime, please inform me of any changes to your council structure i.e GK, FS or Chaplin or service program positions. We use this same master list of names and emails to create group emails for all our mailings.

Take advantage of our Fall Lottery ticket draw to earn much needed funds for your council. Fall assessments

notices have been issued. You will notice that Council assessment amounts have been cut in half to assist councils get their finances back in order. Your State Council is here to assist you. Contact us should you need any assistance. Let's get that innovative spirit going. Good luck to all our councils!

Fraternally,
Gary Gallagher
State Secretary

Message from State Treasurer

Brother Knights, welcome back to the start of another Columbian year for all our councils after a less restricted summer than last year. All councils should have already received your notice of the first half assessments for 2021-2022. I want to stress the importance of keeping these assessments current. Keeping dues and assessments current affects the council's standing with Supreme and State as well as making your council eligible for awards and benefiting from our Member Medical Travel Fund.

I also want to encourage all councils to put forward a great effort in the sales of our Fall Sweep tickets as well as

our State Lottery tickets (50/50) since these are the life blood of our jurisdiction. These ticket sales allow us to continue to operate our jurisdiction in a successful manner and support the many worthwhile causes and projects in which we are involved.

As we continue in Public Health Alert Level 2, I remind you all that we can gather together to do good works of charity and even hold meetings as long we follow current guidelines. I look forward when we meet again in person and share our experiences. I encourage all Grand Knights to keep in contact with their Brothers.

The growth of the Order is of prime importance and I challenge all Councils to actively recruit Catholic gentlemen. Make sure that every eligible man in your parish is encouraged to join the Knights of Columbus. My wife Christine and I hope that everyone's summer was peaceful and relaxing. With our children and grandchildren back in school for another academic year, we wish them success. I look forward to meeting many of you during the year.

Fraternally yours,
Paul Baldwin
State Treasurer

Message from State Advocate

Brother Knights, first of all, I want to say congratulations to our new State Deputy, Brother Pat Gambin, and wish him a successful term in office. Also, congratulations to our past State Deputy, Brother Gordon Lannon, for his dedication and hard work during his term in office. I welcome Brother Roland Castillo as our new newsletter editor.

Brothers, I welcome you all to the New Columbian Year of 2021/2022. As your newly elected State Advocate I oversee the legal operations of our jurisdiction.

One aspect I wish to appeal to all Grand Knights is that your Councils become fully compliant and take the Safe Environment Program as it's required by our Supreme Council. I sent an email out a week ago with directions on how to become compliant and I hope it was helpful. Please keep in mind that it is one of the requirements for a Council to earn the Star Council Award.

Covid-19 may have given us new terms such as “Alert Levels” and “Staycation”, and has also given us “new normal”. Under new normal, we as Knights of Columbus can still continue the good work that we are known for and will continue to be known for.

If you need any assistance, please feel free to reach out to me at any time.

I will all Councils a very successful Columbian Year and Keep Safe.

Vivat Jesus!

Brendan Vickers
State Advocate

Message from State Warden

My Brother Knights, Greetings to all councils in Newfoundland and Labrador for this up-and-coming Columbian year. Thank you for your support and electing me as your State Warden at the 2021 convention. My contact information is in our state directory should you need my assistance. As State Warden, I am also our appointed State Program director. I am available to councils and program directors as required. I thank

the State Deputy Pat Gambin and his executive for the appointment and confidence in me to promote our orders programs.

Our Columbian year has begun. Councils are now beginning to meet, programs are being discussed, and plans put in place to enact same. As discussed during our summer convention, programs are most important to the order. A council’s success is defined by running programs and keeping members engaged at the council level and at our State and Supreme levels. I encourage all members to think outside the box. Continue with your traditional programs but also look at new ideas. Facebook, Twitter and on-line social platforms can help to promote your councils and its programs. Take advantage of our Columbian magazine and look on-line to see what our fellow knights are doing in other provinces. I have spoken to members who promote their sales of tickets via Facebook. Others, Drive-in food drives, both great ideas. Our Scholarship programs also promote our order and remain available to all, so let’s continue to promote same.

Faith, Family, Community and Life are the core for our order. Faith in action! James 2: 24 24 “*So you see, we are shown to be right with God by what we do, not by faith alone*”. Charity defines who we are as Knights. This in turn generates recruitment opportunities.

The 19th annual Knights of Columbus Rosary and Light Procession will take place on Thursday, October 7th at the Basilica of St. John the Baptist in St. John’s starting at 7.30 PM.

Congratulations to Brother Roland Castillo, our new Editor and his first edition of Knightly News. Thank you for this important service to our order.

Wishing all a successful Columbian Year.

Fraternally,
Darrell Long
State Warden
State Program Director

Message from Immediate Past State Deputy

The new Columbian Year started on July 1st, and COVID is still with us. As such, many councils are still

not fully active. Brothers, it's been eighteen months since the pandemic hit, disrupting our lives and activities in untold ways.

Some councils were able to weather the past year and a half and were even able to carry out local projects and activities despite the COVID restrictions and protocols that had to be followed. Now that those restrictions have eased somewhat, all councils should be able and willing to try to get back to some semblance of operations.

The Supreme council has developed a COVID Recovery Program to help councils and their parishes emerge strongly from the recent pandemic.

The Program focuses on resuming operations in a way that inspires members and parishioners to become re-involved with church and community activities.

Each council should have a copy of the Covid Recovery Program Booklet by now, and I would urge all to use the booklet to try to get back into full swing. If you haven't received the booklet, or have misplaced your copy, your district deputy or any member of the State Council

will be only too happy to help you get one.

Council officers are also encouraged to take advantage of the many training opportunities offered by Supreme Council and by the Canadian Association of the Knights of Columbus to seek further advancement in their council.

This is also a good time to try to recruit new members.

Brothers, I'd like to wish you all good luck with your endeavors this year, and to let you know that if you have any questions or concerns, your DD's and your State Council are just a phone call away.

Gord Lannon
Immediate Past State Deputy

Message from District Deputy #5

Greetings Brother Knights to you and your families. Hope you all had a wonderful summer. During this past year or so, through the Grace of God, we have found ways and means of continuing the work of our founder Blessed Michael McGivney. For this year, I have been asked to continue to represent the councils of District #5.

Brothers always remember, if you are a member of The K of C, or a member with a position on the executive, we are one body caring for the needs of our Church and Communities through the virtues of Charity, Unity, and Fraternity; together making a difference in our communities and also around the world. Through the experiences of Covid 19 and the difficulties that we have faced, the one thing that has helped me and our families was prayer, especially the Rosary. As we continue our journey as members, please remember and be faithful to prayer and the Works of The Knights of Columbus. It will help make our world a better place to love and to live, as we journey together making a difference one day at time.

God Bless
Dave Kenny
District Deputy #5

Message from State Faith Director

Greetings my brothers, may this small salutation find you and all dear ones well. The workings of this new year stand waiting. I wish all councils in our wonderful NL

well and with willing hearts to be the “Right Arm” our church needs in an ever changing and challenging world. As we meet in our individual councils, may we never lose sight of the fact of our fraternal charity, unity and brotherhood. I’m fully aware I’m *“preaching to the choir!”* Along with our patriotic fervor “long may our order stand in this great land.” I leave you with the words of Saint Francis of Assisi: *“never cease to preach the gospel use words if necessary.”* With good wishes and fraternal blessings.

Brian J. Terry
State Faith Director

Message from State Life Director

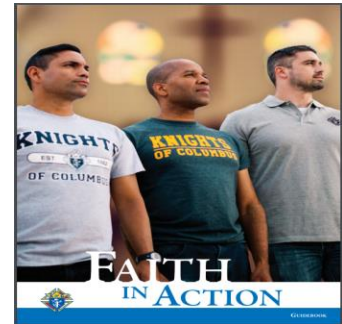

Hello Brother Knights:
Welcome back to a new fraternal year filled with new possibilities, new plans and greater participation in our programs. A new year always warrants some reflection. We looked back on the year past with its many restrictions, and we hope that with God’s help we will be able to do more of the activities we were used to

doing in our councils, in the year ahead.

I would encourage all council Life Directors and Grand Knights to ensure their councils are fully participating in our life programs. Our “Faith in Action” guidebook outlines the many activities that councils can participate and support. It is extremely important for councils to defend life from conception to natural death.

Once again our province will participate in the Silver Rose program that promotes respect for life through a meaningful pilgrimage. More information will be sent to all Life Directors and Grand Knights when it is available. The Centre for Life needs our continued support more than ever. I would like to encourage all councils that are selling tickets for the centre to make an extra effort to sell as many as possible. Also, councils take out or renew your membership with the centre, it only costs \$20.00. As Brother Knights we need to remember that we are united by our founding principles of unity, charity, fraternity and patriotism and we will defend life to the end.

Fraternally yours,
Eugene Hurley
Life Director

Message from State Lottery Chair

To Worthy Grand Knights and Brother Knights, our annual fall ticket sweep campaign is well under away again. By now, all councils should have their tickets distributed to their members. The draw date is only two and a half months away on December 4th. These tickets are only one dollar each and are a good fundraiser for councils. All tickets must be passed in at the registration desk, during the winter meetings. Have cheques made out the Knights of Columbus State Council.

Jerry Barker
State Lottery Chair

SAVE THE DATE – OCTOBER 7, 2021

Brother and Sir Knights are encouraged to set aside some time for a special event that is taking place at the Basilica of St. John the Baptist in St. John's early next month. The event is the 19th annual Knights of Columbus Rosary and Light Procession that is scheduled for Thursday, October 7th starting at 7.30 PM. Because of COVID 19 some changes had to be made but this special ceremony does maintain a truly spiritual feeling. Although one of the changes resulted in the elimination of the impressive candle light procession around the Basilica a smaller moving procession does take place. Knights will carry the Banner of the Blessed Virgin Mary, a picture of Blessed Father McGivney and the Knights of Columbus ICON.. Among those taking part in the procession will be our Worthy State Deputy Brother Pat Gambin and our Fourth Degree Master Sir Knight Gerard Butt.

Anyone wishing to come to the Basilica for the Rosary and Light Procession must register with the parish by calling 754-2170. Also the ceremony will be live streamed on the Basilica Parish website www.thebasilica.church/live broadcast. All knights are asked to come to the Basilica on October 7th, if possible, or watch it virtually. Invite your family and friends as well.

The Rosary

The Rosary is a prayer to remind us that Jesus loved us so much that he died on the cross for us.

The rosary tells the story of Jesus' life in four parts:

- The Joyful Mysteries
- The Sorrowful Mysteries
- The Glorious Mysteries
- The Luminous Mysteries

Catholics have been given a very special gift in the rosary. Each time we pray the rosary we should focus on Jesus' life as well as a special person or intention that we want to pray for.

Message from State Membership Director

The first quarter of the fraternal year is rapidly passing us by. Brothers as you have heard many times, **membership** is what we are about. Without growing our Order, the great work to help our families, church, and communities that the Knights of Columbus has been known for, will not get done.

Let each of us recruit a new/former member in the next 3 weeks.

The State Scholarships deadline is fast approaching and you could use that as a recruitment tool. Check with your Councils and get a list of names of students who graduated in June 2021. If they are 18 years old and are Catholic they can become members. Also use our top rated insurance products, the member/spouse medical travel program and the Hostel program to recruit members. There are many great reasons to join the Knights of Columbus but we have to ask prospective members and give them a reason to join. Remember nothing gets the attention of people more than

something that affects the pocketbook.

Also don't forget the free online membership for the first year----log in to www.kofc.org/joinus and use the code MCGIVNEY2020 for free membership.

As members of the Knights of Columbus we all have as Past Supreme Knight, Carl Anderson said "a moral responsibility to invite every eligible Catholic man to join the Knights of Columbus". This was Blessed Michael J. McGivney's vision for the Knights of Columbus when the Order was formed in 1882.

Let's all commit to doing our part to have this jurisdiction achieve the Circle of Honor this fraternal year.

Promote Membership always,
Maurice Lewis
Membership Director

Knights of Columbus State Council Scholarships

The deadline for the Knights of Columbus **State, Jubilee, and Channing Scholarships** is **October 31**. Please **contact all schools** and **put a notice in the Church Bulletin**.

A request has been sent to all 3 Dioceses to ask all Parishes to put the announcement in Church Bulletins from Sept. 12 to Oct. 31 and **advertise on the Community channel**.

State Council provides \$8000 annually for Scholarships. Last year we received few applications especially for the State Scholarships.

There are many students who graduated with Honours in June 2021 and are presently attending a Post-Secondary institution that do not know about these scholarships.

Let us all do our best to inform all students and their parents about this opportunity.

This year there has been a significant change in regulations. Members, children of members/deceased members and grandchildren of members/deceased members can apply.

All information students need to apply can be found on the State Council website at www.kofcni.org under **Scholarships**.

These Scholarships can be a great recruiting tool. Let's use it to recruit members. They are out there waiting to be asked.

Students must submit a transcript of marks as well as confirmation of registration at a Post-secondary institution.

Thank you for your assistance in providing this information to students in your area. Deserving students will thank you for it.

Knights in Action

Corpus Christi Council #7786

Council is hoping to start Sunday morning breakfast soon. Every 3 months, council hosts a free-of-charge, community breakfast that is usually well attended.

Submitted by: Herb Stead, Deputy Grand Knight

St Teresa's Council #7702

After a long break from Bingo due to restrictions of COVID 19, we started up our weekly Bingo on Sunday, July 4, 2021. Bingo runs every Sunday at the Canadian Legion Branch 1, Blackmarsh Rd. Also, on May 5, 2021, we restarted our monthly Rosary and Mass. The Rosary was led by our Faith Director, Brother Doyle Rose.

Submitted by: Gerard Walsh, Life Director/Programs

Join Us....

*Brother Knights, please emphasize the need to **RECRUIT!*** Supreme is once again offering a free year of membership via the **MCGIVNEY2020** promotion, through December 31, 2021, in commemoration of the beatification of our beloved founder, Fr. Michael McGivney on October 31, 2020. Please promote this gift of a free first year membership to all potential members between now and December 31, 2021. Interested prospects should simply visit kofc.org/joinus, complete the membership application, and enter the promo code **MCGIVNEY2020**. Any questions, please contact Gerard Butt, NL State Online Membership Coordinator, at Gerard.butt@gmail.com

Editor's Note

Brother Knights, it is with great pleasure that I present to you the first quarterly edition of the *Knighly News* for this Columbian year, 2021-2022. This newsletter is your platform for informing fellow brothers on new and on-going programs and services of your councils and allows us to showcase the important work we do as Knights.

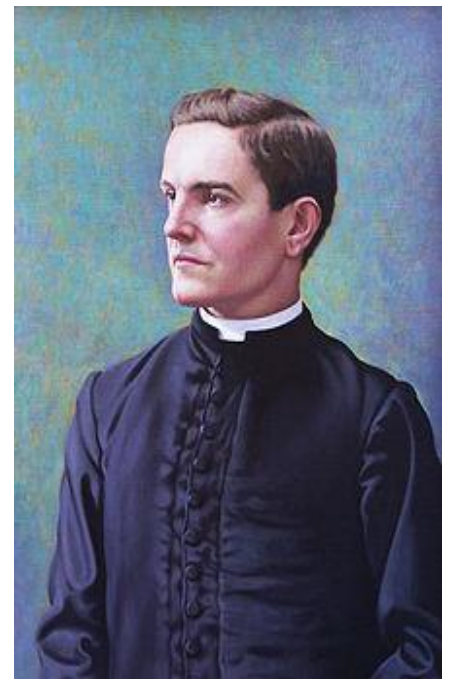

I would like to take this opportunity of thank State Deputy Br. Pat Gambin for having the confidence in me to assume the role as your new editor. I have big shoes to fill in taking over for past editor Br. Bob Miller as he did an outstanding job for the last 10 or so years. As I told Br. Pat, I will give it the "old college try" so please bear with me in learning the ropes in putting together an informative newsletter.

For those that don't me, I have been a K of C member since 2008-2009, completing all my degrees (including 4th degree) in less than a year. I am a Past Grand Knight of Council #9464, Our Lady of Assumption - Stephenville Crossing, past State Family

Director, and current Recorder of my council.

I would like to encourage as many newsletter submissions as possible. Again, the Covid-19 pandemic has severely impacted council activities for almost 2 years now. However, with restrictions starting to ease here in our great province, I anticipate councils to once again implement the many activities involving faith, community, life, and family. So brothers....let's keep each other informed!

Fraternally,
Roland Castillo
Editor – *Knighly News*

Our Founder – Blessed Father Michael J. McGivney

Bank Mortgage Insurance vs Knights of Columbus Insurance

11 Things to Know

Bank Insurance

1. Written by a mortgage advisor
2. Certificate of Insurance (policy owned by bank)
3. Term of Coverage limited by term of Mortgage
4. Rates can go up with renewal of Mortgage Term
5. Can be declined for renewal of insurance
6. Bank may fight claim (and you are not around)
7. Bank may deny claim if errors on questions
8. Bank may charge higher rate if medical issues
9. Bank may only pay a portion of the claim

10. If declined by bank at a later renewal then what? Try to apply to other companies at an older age with medical issues and a history of being declined for insurance?

11. First to die type plan

Knights Insurance

Written by a Professional Insurance Advisor
You own and control the contract-protects you
Guaranteed Term of Coverage (up to 20 years)
Rates don't go up (can apply to reduce)
Policy is medically protected upon issue
Claim paid within 2-3 weeks
Policy protects your beneficiaries (no denial)
Rates are not changed after contract issued
Full amount paid

Individual plans-Surviving spouse still has insurance

All members and families should be informed about our insurance and investment products.

Call your agent today and book an appointment. It could be the most important appointment you will ever make.

Ceremonials, Council Retention & Reactivation

Ceremonials

Ceremonials are a primary importance of the growth and strength of the Knights of Columbus. Ceremonials play a very important role in each of the order's rules from the Installation of Officers, Degree Exemplifications, Council Meetings and Proper Protocol.

In January 2020, the three separate degrees, Admission, Formation And Knighthood was rolled into one degree, namely a combined degree of Charity, Unity and Fraternity. With degree secrecy eliminated, it is preferable that the degree to be held in church or other menu with the candidates' family and friends in attendance. It can be done in approximately 30 minutes with five members, a Leader, Warden, and one each for lessons of Charity, Unity and Fraternity. Any member doing the combined degree will become a third degree member at the one exemplification. Those 1st or 2nd degree members can attain their Knighthood degree at one seating. Also with this change robes has been replaced with the wearing of baldrics along with your dress attire.

Council Reactivation

The NL jurisdiction is composed of 36 active councils and 18 inactive councils for a total of 54 councils. To protect the members of inactive councils, the State Council has continued the process of merging inactive councils with active councils in the general area. Just recently, we were successful in merging Our Lady of Fatima Council in Clarenville, with Msgr. Williams Council in King's Cove, and St. Columcille Council #9677, St. Fintan's, with Our Lady of Perpetual Help Council #3742, Stephenville. Work is continuing on the merging of other councils that has 0 members. Many thanks to the Grand Knights and their membership for their excellent cooperation. We continue to have on-going dialogue with the District Deputies, Parish Priests, and State Personnel looking for an opportunity to reactivate inactive council. To date, no concrete results as of yet.

Council Retention

Reviewing the 2021-22 Directory, we were successful in electing Executives for 95% of our councils. In spite of our success, some of our councils are without a Grand Knight. District Deputies must continue to make a concerted and concentrated effort to ensure that each of their councils has the Grand Knight's position and other members of the Executive filled as it is very important to ensure councils remain on a firm footing.

Fraternally,
William O' Rielly
Past State Deputy
Cermonials Director
