

# Property Management

## COVID-19 Update

The safety of our tenants and staff is our top priority. As the COVID-19 pandemic continues, we have implemented additional safety measures, including frequent cleaning of common areas, encouraging social distancing, and providing masks and hand sanitizers. If you have any questions or concerns, please feel free to contact us.

## Maintenance Tips

Regular maintenance is essential to keep your property in top condition. Here are some maintenance tips for the upcoming season:

- Check and clean gutters and downspouts to prevent water damage.
- Schedule a furnace inspection to ensure it is in good working condition for the colder months.
- Trim trees and bushes away from your property to prevent damage from falling branches or leaves.

## Rental Market Trends

The rental market continues to be strong, with a high demand for rental properties. We have noticed a slight increase in rental prices due to the high demand, but we still offer competitive rates. If you are looking to rent or lease your property, please contact us for more information.
