L&S CONSULTING

"L&S Consulting is professional, responsive, and communicative. I know people receive quality, individualized services each time I refer to L&S Consulting. Services such as job coaching, job search, and post-secondary counseling have assisted many students on my caseload with finding work, maintaining work, and planning for a successful future. The collaboration between L&S Consulting and VRS has been very effective and positive!"

- VRS Counselor

"L&S Consulting has been wonderful with my daughter. Communicating to her with a very respectful and professional manner has made my daughter feel respected and valued. Allison has helped my daughter build confidence and skills to search for grants for college and also fill out applications effectively to get employment."

- Parent of Current Client

"I love Allison! She has helped me in so many different ways with school and yet she still has made so many outside of school connections with me! She always makes sure I am staying safe with COVID and always supports me!"

- Current Client

"I recommend (and my consumers choose) L&S simply because it is hard to find another vendor that goes above and beyond like they do. All of their staff deliver excellent, timely customer service. They know the unique needs of each of their clients and treat them with the utmost respect. They are knowledgeable and think outside the box to find the best person centered solution."

- VRS Counselor

We strive to inspire and motivate our clients to pursue their goals by recognizing individual skills, talents, and cultures.

- We respect individual dignity, personal responsibility, self-determination, and pursuit of meaningful careers, based on informed choice, of individuals with disabilities.
- We have respect for the privacy, rights, and equal access of the individuals.
- We believe in inclusion, integration, and full participation of the individuals; choices.
- We encourage the involvement of a parent, a family member, a guardian, an advocate, or an authorized representative of an individual with a disability, if they so choose.

Helping clients achieve their career & life goals.

"They are really good at providing services to my consumers. I have had them provide job coaching to help my consumers maintain their jobs. They are quick to getting back to you and to start working with my consumers."
