BETTER ENVIRONMENTS TO ELEVATE EDUCATORS

## Happy New Year!

As we move into 2025, the BEEE Family would like to wish everyone a Happy New Year, filled with prosperity, growth, and meaningful connections. After a year of learning and growth in 2024, we are excited to reflect on our journey and share our vision for the year ahead. Let's take a moment to celebrate what we accomplished in 2024:

- Launched our YouTube channel, expanding our reach and bringing our mission to new audiences.
- Conducted powerful interviews reflecting on teaching as a minority, becoming a new teacher, and navigating the challenges of teaching as a mother.
- Hosted inspiring conversations with a diverse range of educational leaders.
- Trained 4 interns from different universities, fostering the next generation of educators.

We thank everyone for their support and look forward to 2025, aiming to increase interviews and collaborations, including a new podcast. Together, we will share stories, learn, and make a lasting impact. Here's to a successful 2025!

# Classroom Confessionals

As educators and teachers in training, we all experience the daily stress of working in education. Classroom Confessionals is a dedicated space where you can anonymously share your thoughts, challenges, and experiences. This is an opportunity to connect with others who may be facing similar struggles, fostering a sense of community and support.

One of my students once claimed, "My homework disappeared because my cat sat on it for so long it turned invisible!" Points for creativity, right?

During a lesson on punctuation, I accidentally used a permanent marker on the whiteboard. Cue 10 minutes of students offering hilarious solutions like, "Use toothpaste, Ms. H!" or "Just flip the board over!"

# Help Create Impact by donating to Better Environments to Elevate Educators

## YOUR MONEY AT WORK

Your donation will help us organize and conduct professional development programs. These programs will focus on topics that provide teachers with the knowledge and skills to improve their teaching practices and student outcomes.

Your donation will facilitate networking opportunities for educators to connect with their peers and share best practices, create a community of educators who are passionate about improving education, we can foster collaboration and teamwork among teachers.

Your donation will help us provide educational resources such as books, online courses, and instructional materials to assist educators in their professional journey, ensuring that every teacher has the necessary tools to succeed.
