## — Enjoy Yourself! —

Do you know the recipe for a great time? Take sunny SUMMER weather, fantastic MUSIC, and bright FESTival tents. Add delicious food and drink and good friends and you have the makings for a great time — one that everyone will enjoy and remember!

The name of it? The *Summer Music Fest*.

The *Summer Music Fest* has it all when it comes to good music and good times! Polka/variety music is featured all ten days, in Polish, German, Austrian, Slovenian, and Dutch-Hop styles. Country Western Swing is back the during first weekend. Monday through Saturday are Rock 'N' Roll nights, when Bill Haley's Comets bolt into town Monday and Tuesday and the Hubcaps roll in Wednesday through Saturday. In this booklet are the stories about the various bands featured during the festival and the centerfold details when those bands are scheduled to perform during the ten days. The rest of the booklet features ads of interest, helping you decide where to eat and stay, and what to visit while in Frankenmuth, Michigan's #1 tourist attraction.

Many factors are involved in attracting people to a certain city and a particular festival. The *Summer Music Fest* features nearly 10,000 square feet of wooden dance floors, surrounded by ample seating at tables, all under two stadium-size tents. Throughout most of the week both these areas feature entertainment simultaneously — giving you a choice of music styles to enjoy. The food available ranges from full course meals of barbecued chicken, roast beef or pork chops, with a large assortment of side dishes, to finger foods such as brats, kielbasa, hot dogs and hamburgers. Beer, wine, wine coolers and soft drinks are always on hand to accompany any meal you choose. Festival favorites such as pretzels, popcorn and funnel cakes are also available in the concession tent.

The *Summer Music Fest* co-hosts, Marv and Teresa Herzog and Mark Janson, continue to put together the right factors to attract people from across the nation and around the world. They believe music is a common denominator in all people and the *Summer Music Fest* features music to get your friends together for a great time. So come, listen and dance to your favorite style of music, whether it's polka, waltz, country swing, jitterbug or rock 'n' roll, because the 1992 *Summer Music Fest* is the festival that puts together the right ingredients for a great time!

POLKA - LESSONS

## Polkas Unlimited Butch & Mary Kotowski

Butch and Mary Kotowski, from Annapolis, Maryland, have been teaching people how to dance the polka since 1976. Their dancing talents have taken them to 150 exhibition dances around the country and their teaching abilities have enabled them to teach over 45,000 people how to polka dance. They have danced with the Lawrence Welk Travel Show in Maryland and on the cruise ship Fantasy and in the Bahamas. They have been the Summer Music Fest Dance Instructors since 1988, teaching classes in the afternoons, Monday through Friday. In 1991, their teaching was extended to include Saturday afternoon as well, meeting with such success that in 1992, free dance classes will be offered Monday through Saturday of the fest.

In addition to polka, they also teach Ballroom, Country Style, Figure Dances, Hustle and "Fun" dances. The classes will take place Monday - Friday, August 17 - 21, from 3:30 - 5:00 pm and on Saturday, August 22, from 1:30 - 5:00 pm. All are welcome to join. Meet people and become friends through the wonderful world of polka music.

*Put some uniformity in your dance steps!  
Dance partners know that practice makes perfect.  
Practice and brush-up on your dancing daily at the

## Bill Haley's Comets

Just as Haley's Comet, that astronomical phenomenon, streaks across the skies on its 76-year run, so have Bill Haley's Comets, a group whose name is synonymous with rock'n'roll, returned. Their song, 'Rock-a-Beatin' Boogie' was the group's first hit and the phrase "Rock'N'Roll" was coined because of that song, forever symbolizing this ever-popular style of music.

Led by singer Joey Rand, the only original Comet who is still in the group, the Comets have carried the torch of this special rock'n'roll since Haley died in 1981. The only group authorized to carry the Haley name, the Comets, best known for the hits 'Rock Around the Clock' and 'Shake, Rattle, and Roll', will appear at the Summer Music Fest on Monday and Tuesday, August 17 and 18. The evening begins at 7:30 pm with a show, followed by dancing until 11:30 pm.

Their pleasant and friendly staff can help you find your sizes from 5 to 18. Junior and misses sizes are carried both in sportswear and dresses.

Their authentic Bavarian Dirndls with matching blouses and aprons are designed in rich, festive colors such as red, blue or green. They are exquisitely embroidered. Designed with a front zipper and made from 100 percent polyester and cotton blends, they are completely washable. Sizes 8 to 22 are available. # Munch to the music

DELICIOUS

*Cold drinks are a festival favorite to go with any food & snacks. Pop, beer, wine and coolers are available in an array of flavors. No "carry-ins" of food or beverages allowed.*

**Ice Cream...**

**Frozen Yogurt...**

**Bavarian Pretzels and Popcorn** have always gone hand in hand with festivals. Made fresh every day in Heritage Park, pretzels and popcorn are that perfect snack when you're not really hungry but want to munch on something.

When attending the Summer Music Fest in Frankenmuth this year, try a hot pretzel with a little dab of mustard or enjoy a box of buttered popcorn and taste for yourself why these two favorites are synonymous with a festival.

**Finger Foods** are any foods consumed without the aid of a fork, knife or spoon — quick foods to eat between dance sets. Under this category are pizza, sloppy joes, hamburgers, cheeseburgers, hot dogs and bratwurst and kielbasa (with or without kraut). When you don't want to miss the action, grab a finger food and keep on going at the Summer Music Fest.

**Bavarian Funnel Cakes** have been a festival mainstay since the beginning. Always a favorite among festival goers, the Funnel Cake is regarded by many as a "must have" treat when attending the festivals in Frankenmuth. To quench the thirst, assorted soda pop and ice will be available also. Make the Summer Music Fest and a Bavarian Funnel Cake a tradition in your family.

*Bring your family and friends. Heritage Park's fine amenities combined with our diverse line-up of entertainment is a good reason to schedule your next family or company gathering with us. Call ahead for group reservations.*

## Lenny Gomulka and the Chicago Push

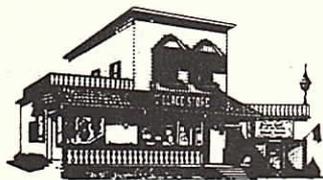

Lenny has made some big changes in his life and his band and has emerged on top. He moved from Chicago to Indian Orchard, Massachusetts, and his band brings together some of the top musicians in the polka world. Lenny is as excellent as ever on trumpet, sax and clarinet and now joining him are two former members of the *Boys from Baltimore*, Ted Borzymowski, playing accordion and concertina; and Bob Kuhn playing trumpet. Dave Raccis, from South Plainsfield, New Jersey, a former *Freddy K* band member and also Lenny's brother-in-law, plays the drums and does impersonations of polka personalities. John Mikos, son of Bruno, from McDonald, Ohio, plays concertina; and Brian Chenkus, from Connecticut and a former *Happy Louie* band member, plays bass. All the members share the vocals.

Most of the band's performances are on the East coast, but they do venture as far west as Wisconsin and to Frankenmuth, Michigan for the Summer Music Fest. Lenny and the band perform on Sunday & Monday, August 16 & 17.

## The Fab Four

The Summer Music Fest extends a warm welcome to The Fab Four, George Matysek and Rosemarie Meagher, and Greg Matysek and Norma Hurley, all from Maryland. They have been polka dancing since they were small children, being members of The Polka Kids, Butch and Mary Kotowski's group of children dancers from Blob's Park in Jessup, Maryland. From that realm, they have evolved into award winning polka dancers. These four teenagers represent the next generation of polka dancers and they have incredible style, technique and precision in their dance routines.

George and Rosemarie won 1st Place trophies in the Junior Division in 1988, and for the last three years have won 1st Place trophies in the Open Division. Greg and Norma won 2nd and 1st Place in the Junior Division in 1989 and 1990, respectively. In 1991 they won 2nd Place trophies in the Open Division. Together, they represent 1st and 2nd Place in the Open Division. For the 1992 festival, they will be the featured exhibition dancers, daily performing a variety of exciting-to-watch polka figure dances. The days and times of their performances will be posted on the circular display center near the front entrance.

## Verne Meisner

Verne Meisner is being honored in 1992 by the Summer Music Fest for his dedication to the world of polka music. He has been playing the accordion with his own band since 1950, and has been recording many of his original songs since 1957. He has devoted his entire life to music, performing throughout the United States, Canada and many parts of Europe, where his distinct style was widely received. Verne's sound consists of a genuine European flavor with a spark not heard in other bands. He is considered by many to be the *Waltz King*.

The ceremony honoring Verne is Friday, August 21 at 9:00 pm. Verne Meisner and the band Perform at the Summer Music Fest on Thursday and Friday, August 20 and 21.
