Welcome Letter

It is with great pleasure that I welcome you all to this joint meeting.

We are privileged to have this meeting under the Patronage of Her Royal Highness Princess Mona AlHussein. We all thank Her Royal Highness for her kindness and great help and support, without which we could not have succeeded in bringing this meeting to life.

I would like to thank you all for sparing some of your time, despite your busy schedules, to come and share your valuable experience with us. My gratitude extends to the previous administrative committee of our society for planting the seeds of this meeting. Special thanks to my colleagues in the new administrative committee for the tremendous work they have done to make this meeting a reality in such a short time.

I must also thank all our sponsors, without whom it would have been difficult to materialize such meetings. Thanks to the hotel administration for their cooperation and to the organizing group GEC, particularly Mrs. Tamara Awali, for their outstanding job and assistance in organizing this meeting.

Thank you all once again, and I wish you a successful meeting and a pleasant stay in Jordan.

Mutaz Alkarmi MD FRCS

Abstract Submission Instructions

Before You Begin:

The corresponding author should gather the following information for abstract submission:

- Contact Data: Correct spelling of the first and last name, rank, affiliation, and affiliation country.
- Paper Title: Provide the full title for your presentation.
- Paper Abstract: A concise 250-word abstract.

Submission Process:

1. Choose Your Presentation Format:

- Decide on your preferred presentation format: Oral, Poster, Workshop, or Live Streaming.
- Ensure your abstract aligns with the chosen format.

2. Prepare Your Abstract:

- Submit your abstract, adhering to the maximum word limit of 250 words.
- Clearly state the objectives, methods, results, and conclusions in your abstract.

3. Early Submission Encouraged:

- Submit well before the submission deadline to take advantage of Early Bird or Advanced Registration rates.
- Early submissions ensure a smooth review process.

4. Notification of Acceptance:

- If your abstract is accepted, you will receive an invitation to register for the conference.

Poster Presentation:

- For poster presentations, create a visually engaging poster within the dimensions of 1800mm high by 900mm wide.
- Engage with participants on a one-to-one basis during the presentation.
- A Virtual Poster Presentation option is available for delegates unable to attend in person.

Thank you for your contribution to our conference. We look forward to receiving and reviewing your abstract.

**Better health.
Within reach.
Every day.**

Biographies

*(In Alphabetical order)

Prof. Dr. Ali M Ghanem

UK

Professor Ali Ghanem is the Director of Facial Aesthetics at the College of Medicine and Dentistry – Birmingham and the Ulster University in the UK. He is a multi-award winning aesthetic plastic surgeon and founder and Medical Director of The Ghanem Clinic London. His academic journey, started in his native country Syria where he graduated in Medicine before he pursued his postgraduate training in Plastic Reconstructive Aesthetic Surgery in the UK obtaining a master of philosophy (MPhil) in Medical Law (Glasgow University), MSc in Surgical Science (University College London), MSc in Aesthetic Surgery (Queen Mary University of London) and a PhD in Developmental and Stem Cell Biology (University College London). His expertise blends scientific prowess, biotechnological advancements and aesthetic finesse, complemented by several international fellowships in Plastic and Reconstructive Aesthetic Surgery from Belgium, South Korea, Brazil, Canada, France and the United States. His main interest lies in regenerative aesthetics, laser medicine and total facial aesthetic surgery.

Dr. Ayman Helmi

KSA

Consultant in plastic surgery and hair transplant. Member of the Royal College of Physicians and Surgeons of Canada in plastic surgery and former head of the postgraduate studies department at the military hospital.

Dr. Abdul Reda Lari

Kuwait

- Graduate of Royal college Ireland 1982
- In plastic surgery last 37 years
- Specialized traumatology and cancer reconstruction
- past chairman dept plastic kuwait
- past President Kuwait society Plastic surgery
- past President of the following plastic societies:
 - Gulf society
 - Pan arab society
 - West Asia society
 - IPRAS ex co
- Now in private practice last 25 yeas
- Main interst and pioneer in body contouring and autologous fat grafting

Prof. Dr. Alessandro Gualdi

Italy

Dr. Alessandro Gualdi

M.D., Ph.D

Professor at c. of plastic surgery at the International MD Program at the Vita-Salute San Raffaele University (Milan).

Specialist in Plastic, Reconstructive and Aesthetic Surgery.

Doctor of Research in Plastic Surgery.

Master in Aesthetic Plastic Surgery of the Facial District

Member of the following scientific societies:

AICPE (Italian Association of Aesthetic Plastic Surgery) of which he was a member of the CD as advisor

SICPRE (Italian Society of Reconstructive and Aesthetic Plastic Surgery)

ISAPS (International Society Aesthetic Plastic Surgery)

EAFPS (European Academy of Facial Plastic Surgery)

ASDS (American Society for Dermatologic Surgery) for which he is HONORARY ITMP (International Travel Mentorship Program)

Specialized in Microsurgery at the University of Genoa.

Teacher in live and dissection surgery courses of the face and breast both in Italy and abroad.

Professor at c. There is plastic surgery at CLOPD and IMD (International Medical Doctor Program), at the Vita-Salute San Raffaele University of Milan

Former Professor at c. of facial aesthetic surgery at the specialization school in Maxillofacial Surgery at the University of Milan Bicocca.

Author of several medical texts including:

Illustrated manual Rhinoplasty, published by Acta Medica 2014;

Co-author Aesthetic Mammoplasties Practical Atlas of Plastic Surgery, published by See Firenze 2008;

Co-author Aesthetic Plastic Surgery of the Mid Face and Neck, published by See Firenze 2011.

Co-author Aesthetic Facial Anatomy – Essential for Injections, published by CRC Press: Taylor & Francis Ltd 2020.

Co-author of Safe Mammoplasty - How to Avoid and Resolve Complications, published by Edizioni Minerva Medica 2021

Ass. Prof. Dr. Deana shenaq

USA

Deana S. Shenaq, MD, is an assistant professor in the Division of Plastic and Reconstructive Surgery and program director of the Integrated Plastic and Reconstructive Surgery Residency. Shenaq specializes in both implant-based and autologous reconstruction after breast cancer and in microvascular techniques for lymphedema treatment, including lymph node transfer and lymphovenous bypass procedures. She has advanced training in limb salvage and oncologic reconstruction following cancers of the head and neck, skin, perineum and lower extremity. She also performs aesthetic surgery of the face, breast and body.

Shenaq completed a medical degree with honors at The University of Chicago Pritzker School of Medicine. She finished an integrated Plastic and Reconstructive Surgery residency at The University of Chicago Medical Center and then pursued an advanced Fellowship in Reconstructive Microsurgery at Memorial Sloan Kettering Cancer Center, where she worked with nationally recognized experts in oncologic reconstruction.

Shenaq is an accomplished writer and researcher who has authored numerous peer-reviewed scientific journal articles, abstracts and book chapters. She served as a research fellow in the Laboratory of Craniofacial Bone Biology and Development at The University of Chicago. Her current research interests focus on patient reported outcomes in breast reconstruction, surgical education and quality improvement. Shenaq has held various leadership positions, including serving as a resident member of the Board of Directors of the American Society of Plastic Surgeons. She is very committed to international volunteerism, having participated in global mission trips to provide quality surgical care to the underserved.

Prof. Dr. Eduardo Morera

Spain

Eduardo Morera Serna MD, PhD, EBE-ORLHNS, BCFPRS

Works at Hospital Universitario Son Espases. Clínica Juaneda. Palma de Mallorca, Spain

Medical School at Universidad Autónoma de Madrid 1989-1995

ENT Residence at Hospital Universitario La Paz, Madrid 1997-2001

PhD at Universidad Católica de Murcia. Suma cum Laude 2016

Oral and Maxillofacial Surgery Fellowship Fundación Universitaria de Ciencias de la Salud, Bogotá, Colombia 2001-2002

Facial Plastic Surgery Fellowship Universidad CES, Bogotá, Colombia 2002-2003

European Board Examination in ORL and HNS, Viena 2011

Board Certified Facial Plastic Surgeon, Washington 2012. Klaus Walter Award

Previous National Delegate of the European Academy of Facial Plastic Surgery

Secretary of the Rejuvenation Focus Group of the European Academy of Facial Plastic Surgery

Current President of the Facial Plastic Surgery Committee of the Spanish Society of Otolaryngology

Current President of the Spanish Society of Facial Plastic Surgery

Chair of the Credential Committee and Officer of the European Board of Certification in Facial Plastic Surgery

Director of the Facial Plastic Surgery Fellowship of Son Espases University Hospital

International Faculty in Facial Plastic Surgery in more than 100 courses and congresses

Published author of more than 20 scientific articles, 30 book chapters and two books. Director of 10 courses in Facial Plastic Surgery.

President of two international congresses in Facial Plastic Surgery

Dr. Fatema Al Subhi

KSA

Dr. Fatema S. Al Subhi MD, SB-plast
Consultant, Pediatric Plastic, Hand, and Microsurgery
Head of department Plastic Surgery and Burn,
Prince Sultan medical military hospital
Chairman Saudi scientific council of plastic surgeon training program SCFHS
chair of women's committee at ISAPS
Board member SSAPSB
Active member of ISAPS
ACTIVE MEMBER OF ASPS

Prof. Dr. Francesco Pietro Bernardini

Italy

Dr. Francesco Pietro Bernardini is an oculofacial plastic surgeon, completed his two-year fellowship training in Cincinnati (1998-2000) with Robert 'Bob' Kersten. His private practice named "Oculoplastica Bernardini" is based in Genova and Milano, but Dr. Bernardini is also active in teaching as a Professor at the Dept of ophthalmology of the University of Genova. Dr. Bernardini has published 61 indexed scientific papers and contributed with multiple international book chapters. Dr. Bernardini is member of ASOPRS (American Society of Ophthalmic Plastic and Reconstructive Surgery), AACS (American Academy Cosmetic Surgery), EAFPS (European Academy of Facial Plastic Surgery and OS (Orbital Society).
Dr. Bernardini is international Key Opinion Leader for Teoxane and international Guru for Revance Aesthetics. He also is Editorial board member of Ophthalmic Plastic and Reconstructive Surgery Journal

Prof. Dr. Gregory Evans

USA

Gregory R.D. Evans, MD FACS

Distinguished Professor of Plastic Surgery and Biomedical Engineer

Founding Chair, Department of Plastic Surgery

The Bruce F. Connell Endowed Chair in Plastic Surgery The University of California, Irvine

Past President American Society Plastic Surgeons

Gregory R.D. Evans is the Founding Chairman of the Department of Plastic Surgery at the University of California Irvine. He is the Bruce F. Connell Endowed Chair in Plastic Surgery. At UC Irvine, Dr. Evans holds appointments as the Distinguished Professor of Plastic Surgery.

Recognized as a national and international academic leader, Dr. Evans is currently President of the World Society for Reconstructive Microsurgery, Vice President for California Society of Plastic Surgeons, Chair of the American Alpine Workshop in Plastic Surgery and the President of the Orange County Society of Plastic Surgeons. He has previously served as the President of the American Society of Plastic Surgeons and the Director of the American Board of Plastic Surgery.

Dr. Evans has devoted much of his academic career to improving the residency program. He has established a fully integrated residency program and developed a practice that consists of microvascular surgery, aesthetic surgery, and cancer reconstruction.

Dr. Evans established an international reputation and was instrumental in assisting with the advancement and initial establishment of the research laboratory. His early research career focused on tissue engineering specifically as it involves nerve regeneration and the creation of nerve constructs.

Dr. Evans earned his Bachelor of Science and Physiology degrees at the University of Southern California and his Doctor of Medicine degree at the University of Southern California School of Medicine. He completed his internship in General Surgery at Los Angeles County - University of Southern California Medical Center, followed by Plastic and Reconstructive Surgery residency at the Johns Hopkins Hospital - University of Maryland. After residency, Dr. Evans completed a Craniofacial - Microvascular Surgery Fellowship at Maryland Institute for Emergency Medical Service Systems.

Dr. Evans is board-certified by the American Board of Surgery and the American Board of Plastic Surgery.

He is a Fellow of the American College of Surgeons.

As a busy clinician, Dr. Evans developed his leadership skills while maintaining his clinical interests. He has been consistently recognized as one of Orange Coast Magazine's Physicians of Excellence. He had received many other honors including the Castle Connolly Top Doctor, America's Most Honoured Doctors - Top 1%, America's Best Plastic Surgeons, Newsweek America's Best Plastic Surgeons and Top Plastic Surgeons in Orange County.

Dr. Hadi Nural

Antalya

Dr. Hadi Nural was graduated from ISTANBUL University Medical Faculty in 1989. He started ENT training same year in Haseki Training and Research in İstanbul. He established Antalya's first ENT center Mediface in 1997. His main expertise is rhinoplasty and facial plastic surgery since 2000.

Field of Interest

- Preservation Rhinoplasty
- Revision Rhinoplasty
- Septorhinoplasty
- Blepharoplasty
- Extended Deep Plane Facelift
- Vertical Space Lift: Transcutaneous Lower Blepharoplasty, Subperiosteal Midface Lift, and Lower Face Lift
- Facial Plastic Surgeries

Memberships

- Turkish Facial Plastic Surgery Society
- The European Academy of Facial Plastic Surgery Society
- Turkish Otorhinolaryngology Head and Neck Surgery Society

Prof. Dr. Holger G. Gassner

Germany

Dr. Holger Gassner is internationally recognized for his expertise in facial plastic and aesthetic surgery. He is the only USA trained and board certified facial plastic surgeon in Europe ("Board certified Facial Plastic Surgeon", ABFPRS). Dr. Gassner regularly presents as invited speaker at renowned international conferences on his innovative surgical techniques. The focus of his work lies on strategies to avoid complications and to achieve natural looking results. His endonasal rhinoplasty techniques are globally recognized and widely adopted. In addition to the frequent "primary surgeries", he performs a large number of difficult revision surgeries to improve unsatisfactory results from previous operations, especially after nasal surgery and face lift. His patients come from Germany, Europe and abroad.

Dr. Holger Gassner is fully board certified specialist in ORL / Head and Neck Surgery in the USA as well as in Germany. He has completed his full specialist residency training as part of a 7-year stay at the renowned Mayo Clinic in Rochester, MN, USA. He completed his training in facial plastic and reconstructive surgery (AAFPRS Fellowship) under the direction of Prof. Wayne F. Larrabee jr., Prof. Craig Murakami and Prof. Kris Moe at the University of Washington in Seattle, USA.

Dr. Gassner directed the Division of Facial Plastic and Reconstructive Surgery at the University of Regensburg for 9 years. He is Professor of Medicine at the Faculty of Medicine, University of Regensburg. Dr. Gassner is the President of the European Board for Certification in Facial Plastic Surgery, which oversees examination and certification of facial plastic surgeons in Europe.

Since 2017, Dr. Gassner has been Director of the "Finesse Center for Facial Plastic Surgery" in Regensburg, Germany.

Dr. Houssam Tahseen

Egypt

Dr. Hossam Tahseen is Consultant of Plastic Surgery & Aesthetic Medicine, graduate from Cairo University of Medicine, Faculty member and professor of Plastic Surgery, Cairo in University.

Dr. Tahseen is one of the pioneers of Plastic Surgery in Egypt and Middle East, has performed thousands of successful cases and always brought up to date machinery and tech- niques from all over the world into the Plastic Surgery field in Egypt and the Middle East.

Dr. Tahseen is Also A Member of many renowned plastic surgery related associations and organizations, such as:

- Member of the International Society of Aesthetic Plastic Surgery ISAPS
- American society of plastic surgery. ASPS
- Member of the Egyptian society of Plastic Surgery. ESPRS

He is also, an international lecturer and instructor in TOTAL DEFINER ACADEMY and lecturer in many regional and international conferences.

Main area of interest is high Definition body contouring, liposuction, body lift surgery, Abdominoplasty, male plastic surgery, Gynecomastia, total body sculpting, Fat grafting.

Dr. Jamal Jomah

KSA

Dr. Jamal Jomah graduated with honors from King Faisal University. He is a triple board certified (USA, UK, Canada) Consultant Plastic Surgeon practicing in Dubai and Saudi Arabia. He was trained by the finest in Canada, tuned up by the most elegant in the USA and widened his scope in United Kingdom. Furthermore, he was honored with several medals from Government of Saudi Arabia and Kuwait.

ASPS International Visiting Professor (American Society of Plastic Surgeons)

ACS KSA Chapter President (American College of Surgeons)

EPSS General Secretary (Emirates Plastic Surgery Society)

AASMA President (Arab Association of Surgical & Medical Aesthetics)

ISAPS Educational Co-chair

DBE Ambassador (Dubai Business Events)

Guinness World Record Holder

Editorial Board – PRS Global Open, The Aesthetic Surgery Journal, and the Middle East Burn Journal

He is the Founder and General Manager of Med Art Clinics (Riyadh, Saudi Arabia) and Med Art Clinic Day Surgery Center (Dubai, United Arab Emirates) and CEO of National Medical Company – Ajmal Clinics (Riyadh, Saudi Arabia)

He is an active member of very reputable professional societies and Royal Colleges and an Honorary Member of the Romanian Aesthetic Surgery Society (RASS) and the Egyptian Society of Plastic and Reconstructive Surgeons (ESPRS).

Dr. Jay Shenaq

USA

Jay M. Shenaq, M.D., F.A.C.S. is an internationally recognized, board-certified plastic surgeon in Houston, TX. With over 20 years of private practice at Plastic Surgery of Houston, his philosophy of comprehensive, compassionate care has won him the acclaim of thousands of happy patients. Dr. Shenaq is affiliated with the Weill Cornell Medical College in New York City, NY as a respected clinical assistant professor. Houstonia Magazine has named him as one of «Our Best Doctors» and a «Top Doctor,» and Houston's Magazine honored him as one of the «Top Docs for Women» in plastic surgery. Dr. Shenaq is highly experienced in breast surgeries (reconstruction and enhancement), and body contouring procedures, tummy tucks, and facial cosmetic surgery.

Dr. Lamees Abedalrahim Arabiyat

Jordan

MD ,mracs-Ed,JBPRS,FACS,EBOPRAS,MRm

Consultant of plastic and reconstructive surgery and burn ,royal medical services .

-Mracs -Ed

-Jordanian board of general surgery 2009

-Jordanian board of plastic and reconstructive surgery 2013.

-European board of plastic and aesthetic surgery 2015.

-international European school master in reconstructive microsurgery (U.K. Spain .Belgium,Finland .France ,Italy) .2016

-aesthetic surgery and medicine fellowship .spain -Barcelona 2014-2017.

-fellow of American college of surgeons 2019

Dr. Mais Al Karmi

Jordan

Dr. Alkarmi obtained her medical degree from the University of Jordan in 2010 and she completed her general surgery and plastic surgery training at the Jordan Hospital Amman Jordan, she also did additional fellowship in plastic reconstructive Surgery in the US at the University of Texas medical branch

She is now a faculty at the Jordan cosmetic center Amman Jordan

Prof. Miguel Gonçalves Ferreira

Porto, Portugal

Department of Otolaryngology Head and Neck Surgery - HSA / CHUdSA

The Rhinoplasty Society of Europe

Dr. Mohammed Alghoul

Jordan

Mohammed Alghoul, MD, FACS Bio

Dr. Mohammed Alghoul is a Plastic & Reconstructive Surgeon based in Amman, certified by both the American and Jordanian Boards of Plastic Surgery. He earned his medical degree from the University of Jordan and completed his surgical training in the United States, including residencies in general and plastic surgery at the Cleveland Clinic. He also completed fellowships in microsurgery at the Medical College of Wisconsin, and in cosmetic face and eyelid surgery with Dr. Mark Codner. Dr. Alghoul served as an assistant professor at Northwestern Feinberg School of Medicine in Chicago, where he built a busy clinical practice and trained residents. He specializes in cosmetic face and oculoplastic surgery and complex facial reconstruction. He has published over 60 peer-reviewed papers and developed several innovative techniques, including the lateral orbital C-Angle enhancement procedure, the Triple Arc Lift, and the Endoscopic 360 Blepharoplasty. Dr. Alghoul is a fellow of the American College of Surgeons and a member of several prestigious societies, including the American Society of Plastic Surgeons and the American Society for Aesthetic Plastic Surgery and the International Society of Aesthetic Plastic Surgery. He currently practices at Alghoul Clinic in Amman-Jordan.

Prof. Dr. Mohamed Ellabban

Egypt

Prof. Ellabban's educational background and international training have provided a solid base for him to develop an acknowledged expertise in the field of Plastic and Reconstructive Surgery. In 2002, he started his basic surgical training in general and plastic surgery at Suez Canal University Hospitals, Egypt, and was awarded a master's degree in surgery in 2004. Thereafter, He had a head and neck oncoplastic fellowship in Canniesburn Plastic Surgery Unit, Glasgow, United Kingdom for three years. In 2008, he became a member of the Royal College of Physicians and Surgeons of Glasgow (MRCS Glas) after the completion of its exam. He then undertook two years of training in plastic and reconstructive surgery as a Specialty Registrar in several Scottish teaching hospitals as well as periods spent as a visiting fellow in specialist centers in Belgium and the United States of America. In 2009, he had a "University Diploma in Free Flap Dissection on Living Tissue", in Timisoara, Romania. In 2010, He became a Fellow of the European Board of Plastic, Reconstructive and Aesthetic Surgery (FEBOPRAS) after completing its exam. In 2021, He was appointed as Professor of Plastic and Reconstructive Surgery, at Suez Canal University, Egypt. He has continued to publish his work within the plastic surgery and scientific literature, and present nationally and internationally at plastic surgery conferences. He has received various academic and research field awards during his career. He regularly teaches and supervises postgraduate studies of junior plastic surgeons as in microsurgery, limb trauma, and head and neck reconstruction. Prof. Ellabban is currently the secretary general of the Egyptian Society for Surgery of the Hand and Microsurgery (ESSHM).

Dr. Moh'd Shobaki

Jordan

Prof. Dr. Nabil Fakih

Lebanon

Dr. Nabil Fakih, is one of leading facial surgeons and a recognized worldwide expert in the field of Facial Plastic and Reconstructive Surgery. He is the Vice-President of the Spanish Society of Facial Plastic Surgery and Chairman of Oculoplastic of European Academy of Facial Plastic Surgery and of associate member of the American Academy of Facial Plastic & Reconstructive Surgery. He is Member of Honor of the Argentinian Society of Aesthetic & Functional Rhinoplasty and International Advisory Board in the American Journal of Cosmetic Surgery. He is specialized in Cranio-Maxillo-Facial Surgery from the most prestigious Hospital of Spain. He is devoted to furthering the field of facial plastic surgery. He has authored or co-authored several scientific manuscripts and books on facial plastic and reconstructive surgery. He is an international educator with keen to sharing knowledge and advance the training of surgeons. He is the Chief of Department of Facial Plastic, Cranio-Maxillo-Facial and Reconstructive Surgery at Fakih Hospital in Lebanon. He owns FAKIH CLINICS in Lebanon and FACEPERT Clinic in Spain.

Prof. Dr. Naci Çelik

Turkey

Dr. Naci Celik is a Plastic and Reconstructive Surgeon based in Istanbul, Turkey.

Following his medical school education, he specialized in Plastic Surgery at Ege University Medical School. He completed a 2-year microsurgery fellowship at Chang Gung Memorial Hospital with Fu-chan Wei during the final years of his residency.

Subsequently, Dr. Celik undertook an Aesthetic Surgery Fellowship at ONEP under the guidance of Onur Erol.

Since 2008, Dr. Celik has been practicing in both private settings and part-time at a university. His extensive research contributions include over 60 publications in esteemed journals and multiple books on plastic surgery. He holds prestigious roles as a

faculty member at various international meetings such as AMWC, CBAM, IMCAS, ISAPS, and ISWAM. Additionally, he serves as a board member of the Aesthetic Surgery Society of Turkey and holds the position of Turkish President at I-SWAM.

Dr. Celik is the founding director of FABCAST, a collaborative initiative with four other plastic surgeons that focuses on organizing cadaver courses for plastic surgeons under the banner of "Facial and Body Cadaver Surgery Training." Furthermore, he is an official certified trainer of Infinite Thread and an official trainer of the Canadian Board of Aesthetic Medicine. Dr. Celik is also the founding director of the Istanbul CBAM Center.

His primary areas of interest encompass face rejuvenation (surgical and nonsurgical), breast surgery, body contouring, laser treatments, and regenerative medicine. Dr. Celik actively welcomes both national and international fellows for training opportunities.

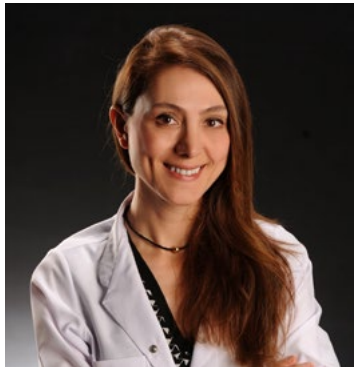

Dr. Norman Waterhouse

UK

Norman Waterhouse graduated from Birmingham University Medical School in 1978. After four years of general surgery training he qualified as a Fellow of the Royal College of Surgeons of England and Edinburgh in 1982. His Plastic Surgery training was carried out in Bristol, Bordeaux, Adelaide, Tokyo and London. In 1988 he completed his accreditation and gained specialist fellowship in Plastic Surgery FRCS(Plas).

Initially appointed as a Consultant in Plastic and Reconstructive Surgery at St Bartholomew's and the Royal London Hospitals, he subsequently moved to Charing Cross and the Westminster Hospital where he developed a cleft lip and palate and head and neck practice. For fifteen years he led the specialist Cranio-Facial Unit at the Chelsea and Westminster Hospital, treating all forms of facial conditions. He is now an Honorary Consultant at the Chelsea and Westminster Hospital, and is in full time aesthetic surgery private practice. He is a past President of the British Association of Aesthetic Plastic Surgeons, a Council member, and Royal College Tutor in Aesthetic Surgery.

He has an international profile in facial rejuvenation surgery..

Prof. Dr. Özay Özkaya

Turkey

She graduated from Istanbul University, Istanbul Faculty of Medicine in 1999.

Between the years 2001-2007; she completed her training in Plastic and Reconstructive Surgery in Istanbul Şişli Etfal Training and Research Hospital.

In 2013 she won the title of Associate Professor and she worked as Head of the Department of Plastic Reconstructive and Aesthetic surgery clinic Surgery in İstanbul Prof. Dr. Cemil Taşcıoğlu Training and Research Hospital, between 2013 and 2018.

She was appointed as Professor in 2020.

She is working as a private doctor since 2018 in her own clinic.

Dr. Özkaya had total 78 scientific articles including 54 international and 24 domestic articles, more than 200 citations to these articles, international book chapter writing, 3 book chapter translation.

Dr. Özkaya is a member of Turkish Society of Plastic Reconstructive and Aesthetic Surgeons, Turkish Society of Reconstructive Microsurgery, Turkish Society of Aesthetic Plastic Surgery, International Society of Aesthetic Plastic Surgeons (ISAPS).

Dr. Özkaya worked as member of the Board of Directors of Turkish Society of Plastic Reconstructive and Aesthetic Surgeons between 2012-2014, 2014-2016 and 2018-2020 in different positions.

Her clinical interests are; postbariatric surgery and post-mastectomy breast reconstruction.

Dr. Sanjay Parashar

UAE

MS, Dip NB Plastic Surgery, MCh Plastic , CranioFacial Fellowship RACS
CONSULTANT PLASTIC SURGEON & CHAIRMAN – COCOONA, 7D & Medart Clinics Dubai
Chairman Scientific Committee Emirates Plastic Surgery society
ISAPS National Secretary & President FUE ASIA
Aesthetic Faculty at AIIMS & National Board of Examination, India
President FUE Asia
Member ASPS
Member Rhinoplasty society of Europe
BOOKS

- "Art of Abdominal Contouring, Advanced Liposuction"
- "Revealing the Skin I'm In"
- Medicolegal Aspects In Dermatology and Plastic surgery
- Practice management in Plastic surgery and dermatology
- Textbook of Plastic, recon & Aesthetic surgery Volume 6
- 10 book series of "A comprehensive guide of Aesthetic Surgery for patients"

SPECIALTIES

- 3D & 4D Liposuction/body contouring
- Breast surgery
- Facial Plastic surgery
- Body Lift

Mr. Santdeep Paun

UK

Mr. Santdeep Paun, a distinguished Consultant Nasal and Facial Plastic Surgeon. Mr. Paun has rendered his skills and leadership within the NHS at the prominent St Bartholomew's and the Royal London Hospitals, two of the UK's largest and most respected teaching hospital trusts. His journey there has been marked not only by his capability to successfully navigate through complex surgical cases but also by his tenure as the respected Head of Department.

Mr. Paun's footprint in the medical field extends into academia as an Honorary Lecturer at Queen Mary's University. Here, he intertwines his clinical expertise with his passion for education, teaching professionals and engaging in pivotal clinical research. His research, particularly in rhinoplasty and aesthetic reconstruction post-facial trauma, has been noteworthy, contributing to advancements in the field.

Earning a spot in Tatler magazine's guides for cosmetic surgery and as one of the country's paramount nose surgeons in their Best Doctor's guide, Mr. Paun is recognised as a leading surgeon in the nasal and facial field.

Dr. Abdul Shaheed Fadhul

Bahrain

Dr. Abdul Shaheed Fadhul is a senior consultant plastic surgeon working in Al Raneem Health Center and Al Kindi Specialized Hospital in the private sector in Manama, Bahrain. He is having long experience in both the reconstructive and the cosmetic field. He was trained by many pioneers of this specialty in France, Austria and in Germany. He was chairing the plastic surgery unit in the university hospital in Manama from 2010 till 2015. He had important role with his colleges in establishing the plastic surgery unit in Bahrain and introducing many services in this field and creating multi-disciplinary teams to treat head and neck cancer and to manage craniofacial congenital anomalies. He is interested in body contouring, breast, Rhinoplasty and cleft lip and palate surgeries. He has important contributions in the local, regional and international conferences. He has many publications. He is a member in many international societies and founder member and x president of Bahrain association of plastic surgeons.

Dr. Shikhan Hashimi

Oman

Dr. Sheikhan Al Hashmi is a Canadian Board certified Consultant Plastic Surgeon. Dr. Al Hashmi graduated from the College of Medicine at Sultan Qaboos University and then completed his journey in plastic surgery in Toronto Canada followed by fellowship in Paediatric Plastic surgery and also in Aesthetic plastic Surgery at the University of Toronto. He is a trusted faculty in Oman medical speciality board ,a board Member of Oman Medical Association , published many papers , and participate in many committees in the government and private sector.

Dr. Waleed Haddadin

Jordan

Consultant plastic surgeon

Jordanian Board in Plastic and reconstructive Surgery

Jordanian board in General Surgery

Member of the Royal College of Surgeons, Ireland

Member of the JSPRS

Former Plastic Surgery senior specialist, Royal Medical Services Jordanian armed forces.

Graduate of University of Jordan medical school, 1998

Dr. William Watfa

Lebanon

Dr. William Watfa is currently assistant professor of Plastic & Reconstructive/Aesthetic Surgery and a Specialist in Microsurgery at the Saint-George Hospital University Medical Center. He also is a licensed Plastic Surgeon in Dubai, United Arab Emirates – UAE, where he operates on a regular basis.

Dr. William is a board member of the Lebanese Society of Plastic, Reconstructive, & Aesthetic Surgery (LSPRAS), an active member of the International Society of Plastic Surgery (ISAPS) and of the General Medical Council (GMC) with the rights to practice in the United Kingdom. Dr. William is also a Fellow of the European Board of Plastic, Reconstructive & Aesthetic Surgery (EBOPRAS).

After completing his training at the renowned Centre Hospitalier Universitaire Vaudois (CHUV) in Lausanne, Switzerland, where he underwent a fellowship in Microsurgery and breast reconstruction, Dr. William added to his experience in aesthetic surgery a Fellowship training at the renowned LaClinic-Montreux in Switzerland headed by one of the world's five top aesthetic surgeons (Dr. Pfulg).

He returned to Beirut where he was appointed head of the division of Plastic Surgery at the prestigious Saint George Hospital University Medical Center from 2018 to 2022. During this period, he trained and graduated several young plastic surgeons.

Today, Dr. William is recognized as a leader in the breast aesthetics field and authored more than 20 scientific publications published in world-renowned journals.

Prof. Dr. Youssef J. Bakhach

Lebanon

Dr. Youssef J. Bakhach is a Plastic, Reconstructive and Aesthetic – Hand and Micro-surgeon at the American University of Beirut Medical Center in Lebanon. He received his MD degree from Victor Segalen University of Medicine in Bordeaux - France. He completed residencies in General Surgery and Plastic Surgery and a fellowship in Hand - Micro Surgery at the University – Hospital Medical Center in Bordeaux - France.

Dr. Bakhach is Board Certified in Plastic Surgery and he is an Associate Professor of Clinical Surgery at the American University of Beirut - Lebanon.

Dr. Bakhach is a member of the World Society of Reconstructive Microsurgery, the European Society of Microsurgery, the French Society of Plastic, Reconstructive and Aesthetic Surgery, the French Society of Hand and Upper Arm Surgery and the Lebanese Society of Reconstructive Microsurgery. Dr. Bakhach is a reviewer of multiple peer reviewed journals in his field of specialties. He is the President of the Lebanese society of Plastic, Reconstructive and Aesthetic Surgery and he is the President of the Lebanese Order of Physicians.

Dr. Bakhach has published several original works in international journals which became routinely used and cited. Dr. Bakhach received many grants from the French Ministry of Education and European Union Institutions.

Dr. Zuhair Al Fardan

UAE

A highly-renowned Emirati Plastic Surgeon in Dubai and across the globe, an assistant-professor at the UAE university and the president of the Emirates Plastic Surgery Society.

After graduating from medical school, Dr. Al Fardan continued his training in Canada, completing a FRCSC in Plastic and reconstructive surgery followed by a fellowship of Breast Reconstruction from the University of Toronto. Through his rigorous training, Dr. Al Fardan covered all aspects of Plastic and Reconstructive Surgery including cosmetic surgery, breast reconstruction, cancer reconstruction and the correction of congenital defects. Dr. Zuhair Al Fardan is Canadian Board-Certified specializing in a range of plastic and cosmetic procedures including breast reconstruction, and hand, body and face surgeries.

With more than eight years of international experience, Dr. Al Fardan returned to the UAE as an Assistant Professor at the UAE University in Al Ain. Since his return, Dr. Al Fardan has embraced every opportunity to share his expertise, speaking at several high-profile lectures and TV appearances.

JSPRS Conference Scientific Program

DAY1

DAY2

DAY3

Wednesday, 11th, Sep

DAY1

The Jordanian Society of Plastic & Reconstructive Surgeons' Meeting

Regenerative medicine & nonsurgical aesthetics (8:00-10:00)

Moderators: Dr. Mahmoud Wreikat, Dr. Jamal Jomah, Prof. Dr. Ali Ghanem

8:00-8:20 (20 min)	Fat grafting and stem cells	Prof. Dr. Gregory Evans (USA)
8:20-8:35 (15 min)	Revitalizing Beauty: The Miracles of Facial Fat Injection in Volume Restoration, Scars & Beyond.	Prof. Dr. Moh'd Ellabban (EGY)
8:35-8:50 (15 min)	Adipose tissue derived aesthetic regeneration	Prof. Dr. Ali Ghanem (UK)
8:50-9:05 (15 min)	Superficial Enhanced Fluid Fat Grafting SEFFI	Prof. Dr. Francesco Bernardini (ITA)
9:05-9:20 (15 min)	Lasers and energy devices in regenerative aesthetics	Prof. Dr. Ali Ghanem (UK)
9:20-9:35 (15 min)	Nonsurgical face lift (Endolaser/Endo lift).	Dr. Jamal Jomah (KSA) (AASMA)
9:35-9:50 (15 min)	Regenerative techniques in Rhinoplasty	Prof. Dr. Eduardo Morera (SPA)
9:50-10:00	Discussion	

10:00-11:00

Opening Ceremony & Coffee Break

Wednesday, 11th, Sep

DAY1

Oculoplastic Surgery (11:00-1:00)

Moderators: Dr. Hadi Nural, Dr. Zuhair Al Fardan, Dr. Samhar Wishah

11:00-11:15 (15 min)	Vertical Endoscopic Lifting: the MIVEL	Prof. Dr. Francesco Bernardini (ITA)
11:15-11:30 (15 min)	Endoscopic 360 Blepharoplasty	Dr. Mohammed Alghoul (JOR)
11:30-11:45 (15 min)	Eye Lift lower blepharoplasty	Prof. Dr. Francesco Bernardini (ITA)
11:45-12:00 (15 min)	Triple Arc Lift: Shaping the upper eyelid and Brow	Dr. Mohammed Alghoul (JOR)
12:00-12:20 (20 min)	Lower Blepharoplasty with transconjunctival approach: maximizing outcomes & avoiding complications	Prof. Dr. Alessandro Galdi (ITA)
12:20-12:50 (30 min)	VERTICAL SPACE LIFT: Transcutaneous lower blepharoplasty, subperiosteal midface lift and buccal fat suspension to medial infraorbital rim: A Novel Technique for correction of tear through deformity, midcheek groove, midface, lower face and jowls sagging	Dr. Hadi Nural (TUR)
12:50-1:00	Discussion	

1:00-2:00

Lunch

Wednesday, 11th, Sep

DAY1

Oculoplastic Surgery (2:00-4:00)

Moderators: Dr. Mohammad Al Baddawi, Dr. Ayman Helmi, Prof. Dr. Francesco Bernardini

2:00-2:15 (15 min)	The GPoint Lift to address the eyelid-cheek junction with fillers	Prof. Dr. Francesco Bernardini (ITA)
2:15-2:30 (15 min)	Canthoplasty and Canthopexy	Prof. Dr. Francesco Bernardini (ITA)
2:30-2:45 (15 min)	The Gliding Brow Lift	Dr. Norman Waterhousev (UK)
2:45-3:00 (15 min)	Quadfecta Lift	Dr. Waleed Haddadin (JOR)
3:00-3:15 (15 min)	Periorbital Rejuvenation	Dr. Jamal Jomah (KSA) (AASMA)
3:15-3:30 (15 min)	Periorbital Rejuvenation surgery under local anesthesia	Prof. Dr. Eduardo Morera (SPA)
3:30-3:50 (20 min)	Trans-blepharoplasty corrugator muscle reduction: Indications, Pros & Cons & Video Illustration	Dr. Ayman Helmi (KSA) (AASMA)
3:50-4:00	Discussion	

4:00 – 4:30

Coffee Break

Wednesday, 11th, Sep

DAY1

Face/Neck Lift Surgery (4:30-6:30)

Moderators: Dr. Nasser Qassed, Dr. Norman Waterhouse, Prof. Dr. Alessandro Gualdi

4:30-4:45 (15 min)	Haemostatic Net & Haematoma Prevention	Dr. Norman Waterhouse (UK)
4:45-5:10 (25 min)	Deep Plane Structural Neck Lift	Dr. Norman Waterhouse (UK)
5:10-5:25 (15 min)	Internal haemostatic net in face lift for middle eastern & Indian Patients	Dr. Sanjay Parashar (UAE) (AASMA)
5:25-5:45 (20 min)	Combined approach to midface rejuvenation with vestibular and temporal incisions avoiding transpalpebral approach	Prof. Dr. Alessandro Gualdi (ITA)
5:45-6:05 (20 min)	Deep extended cervico-facial composite flap with platysma transection to optimize cervicomental angle	Prof. Dr. Alessandro Gualdi (ITA)
6:05-6:20 (15 min)	Extended Deep Plane Facelift	Dr. Hadi Nural (TUR)
6:20-6:30 (10 min)	Discussion	

End of the first day

Thursday, 12th, Sep

DAY2

The Jordanian Society of Plastic & Reconstructive Surgeons' Meeting

Face/Neck Lift Surgery (8:00-10:30)

Moderators: Dr. Khaldoun Haddadin, Prof. Dr. Eduardo Morera, Prof. Dr. Holger G. Gassner

8:00-8:15 (15 min)	Deep plane thread lifting for plastic surgeons	Prof. Dr. Naci Çelik (TUR)
8:15-8:45 (30 min)	Extended Deep Plane Facelift: Anatomy & Principles	Prof. Dr. Holger G. Gassner (GER)
8:45-9:05 (20 min)	Preservation Face lift: Extended deep plane with limited skin dissection. From Anatomy to improved results	Prof. Dr. Alessandro Gualdi (ITA)
9:05-9:20 (15 min)	Deep Plane Facelift. How to lose the fear to the facial nerve	Prof. Dr. Eduardo Morera (SPA)
9:20-9:35 (15 min)	Deep Plane Mini lift	Prof. Dr. Eduardo Morera (SPA)
9:35-10:05 (30 min)	Facial Rejuvenation: Advanced Technique	Prof. Dr. Holger G. Gassner (GER)
10:05-10:20 (15 min)	Surgical Rejuvenation of the lips	Prof. Dr. Eduardo Morera (SPA)
10:20-10:30 (10 min)	Discussion	

10:30-11:00

Coffee Break

Thursday, 12th, Sep

DAY2

Rhinoplasty (11:00-1:00)

Moderators: Dr. Samer Haddad, Dr. Jarir Al khaledi, Dr. Sanjay Parashar

11:00-11:25 (25 min)	The deviated nose. What really works?	Dr. Santdeep Paun (UK)
11:25-11:40 (15 min)	Middle Eastern Nose (Rhinoplasty) Pits & Pitfalls	Prof. Dr. Mostafa Hemeda (EGY)
11:40-11:55 (15 min)	Managing the thick skin rhinoplasty patient.	Dr. Santdeep Paun (UK)
11:55-12:25 (30 min)	Aesthetic and Functional Result of Crooked Nose Treatment; Internal Micro perforating Osteotomy and Subtotal Septal Reconstruction. Aesthetic and Functional Result of Crooked Nose Treatment	Dr. Hadi Nural (TUR)
12:25-12:50 (25 min)	Revision Rhinoplasty - tips and pitfalls	Dr. Santdeep Paun (UK)
12:50-1:00 (10 min)	Discussion	

1:00 – 2:00

Lunch

Thursday, 12th, Sep

DAY2

Rhinoplasty (2:00-4:00)

Moderators: Dr. Khaldoun Al Abbadi, Dr. Rami Numair, Dr. Santdeep Paun

2:00-2:25 (25 min)	Endonasal Rhinoplasty: Finesse in Primary Rhinoplasty	Prof. Dr. Holger G. Gassner (GER)
2:25-2:40 (15 min)	Over projected Nasal Tip	Prof. Dr. Eduardo Morera (SPA)
2:40-2:55 (15 min)	Reshaping the nasal tip with the superior transposition flap	Prof. Dr. Eduardo Morera (SPA)
2:55-3:20 (25 min)	Complex deformities: Advanced Endonasal Solutions	Prof. Dr. Holger G. Gassner (GER)
3:20-3:35 (15 min)	Ultrasonic Rhinoplasty	Prof. Dr. Eduardo Morera (SPA)
3:35-3:50 (15 min)	How to adjust tip projection and rotation using the Taco graft	Prof. Dr. Eduardo Morera (SPA)
3:50-4:00 (10 min)	Discussion	

4:00-4:30

Coffee Break

Thursday, 12th, Sep

DAY2

Reconstructive Surgery (4:30-6:30)

Moderators: Dr. Eyad Baqain, Dr. Jay Shenaq, Prof. Dr. Gregory Evans

4:30-4:45 (15 min)	Current approaches to breast reconstruction - achieving aesthetic results	Prof. Dr. Gregory Evans (USA)
4:45-5:00 (15 min)	To mesh or not to mesh in alloplastic breast reconstruction	Ass. Prof. Dr. Deana Shenaq (USA)
5:00-5:15 (15 min)	What I do differently now? New trends in breast reconstruction	Dr. Jay Shenaq (USA)
5:15-5:30 (15 min)	Aesthetic considerations in Autologous tissue and Implant based breast reconstruction	Dr. Jay Shenaq (USA)
5:30-5:45 (15 min)	Beyond the DIEP flap, navigating the SIEA of VUGS, PAPS and stacked flaps for breast reconstruction	Ass. Prof. Dr. Deana Shenaq (USA)
5:45-6:00 (15 min)	Beyond Scars: Free Tissue Transfer for Complex Facial Defects Post Missile Injuries	Prof. Dr. Moh'd Ellabban (EGY)
6:00-6:15 (15 min)	Rebuilding Beauty: Perforator Flaps for Post burn Face and Neck Resurfacing - Lessons in Restoration	Prof. Dr. Moh'd Ellabban (EGY)
6:15-6:30 (15 min)	Plastic Surgery Demography in the MENA region	Prof. Dr. Youssef J. Bakhach (LEB)
6:30-6:40	Discussion	

End of the second day

Friday, 13th, Sep

DAY 3

The Jordanian Society of Plastic & Reconstructive Surgeons' Meeting

Body Contouring (8:00-10:30)

Moderators: Dr. Shaher Abu Hdeib, Dr. Houssam Tahseen, Prof. Dr. Özay Özkaya.

8:00-8:15 (15 min)	Abdominoplasty, The anterior facial repair	Prof. Dr. Mostafa Hemeda (EGY)
8:15-30 (15 min)	Autologous buttock beautification	Dr. Abdul Shaheed Fadhul (BAH)
8:30-8:45 (15 min)	Abdominoplasty and Body contouring - personal perspective.	Prof. Dr. Gregory Evans (USA)
8:45-9:00 (15 min)	High definition body contouring in obese patients.	Dr. Houssam Tahseen (EGY)
9:00-9:20 (20 min)	Circumferential excisional body contouring: Body lift with gluteal augmentation in massive weight loss patients	Prof. Dr. Özay Özkaya. (TUR)
9:20-9:35 (15 min)	High definition body contouring after massive weight loss challenges and Strategies..	Dr. Houssam Tahseen (EGY)
9:35-9:50 (15 min)	Complications to abdominoplasty and body contouring - can combine with Above.	Prof. Dr. Gregory Evans (USA)
9:50-10:05 (15 min)	Female finesse high definition abdominal contouring after massive weight Loss.	Dr. Houssam Tahseen (EGY)
10:05-10:20 (15 min)	Laser arm liposuction	Dr. Fatema Al Subhi (KSA)
10:20-10:30	Discussion	

10:30-11:00

Coffee Break

Friday, 13th, Sep

DAY3

Body Contouring (11:00-1:00)

Moderators: Dr. Maher Al khatib , Prof. Dr. Mostafa Hemeda, Dr. Omar Al Shobaki

11:00-11:15 (15 min)	No plication Abdominoplasty (NPA) an over missed procedure	Dr. Abdulreda Lari (KUW)
11:15-11:35 (20 min)	Ultrasound assisted gluteal fat grafting; safety and outcome.	Dr. Houssam Tahseen (EGY)
11:35-11:50 (15 min)	Thigh Plasty	Prof. Dr. Özay Özkaya (TUR)
11:50-12:05 (15 min)	Lower body circumferential contouring male vs females; how to pick the right procedure.	Dr. Houssam Tahseen (EGY)
12:05-12:20 (15 min)	Liposuction my Approach	Dr. Zuhair Al Fardan (UAE) (AASMA)
12:20-12:35 (15 min)	Aesthetic subunits of torso & applied anatomy for a better outcome & preventing complications	Dr. Sanjay Parashar (UAE) (AASMA)
12:35-12:50 (15 min)	Brachioplasty	Prof. Dr. Özay Özkaya (TUR)
12:50-1:00	Discussion	

1:00-2:30

JUMMAH PRAYER & Lunch

Friday, 13th, Sep

DAY 3

Breast Aesthetic surgery (2:30-4:15)

Moderators: Dr. Fadi Zibdeh, Dr. Majid Jarrar, Dr. Rafat Al Abdallat

2:30-2:43 (13 min)	Breast Augmentation Mastopexy	Dr. Zuhair Al Fardan (UAE) (AASMA)
2:43-2:56 (13 min)	New Classification for management of Gynecomastia in post massive weight loss patients	Dr. Houssam Tahseen (EGY)
2:56-3:09 (13 min)	BIA-ALCL updates.	Dr. Mais Al Karmi (JOR)
3:09-3:22 (13 min)	Breast Autoaugmentation	Dr. Fatema Al Subhi (KSA)
3:22-3:40 (18 min)	Breast Augmentation via semi-periareolar incision: Pros & Cons & video illustration	Dr. Ayman Helmi (KSA) (AASMA)
3:40-3:53 (13 min)	The reversed dual technique in breast augmentation	Prof. Dr. Mostafa Hemeda (EGY)
3:53-4:06 (13 min)	Vertical mammoplasty for all seasons	Dr. Abdulreda Lari (KUW)
4:06-4:15	Discussion	

4:15-4:45

Coffee Break

Friday, 13th, Sep

DAY3

Breast Aesthetic surgery (4:45-6:30)

Moderators: Dr.Samiha EL Hadid, Dr. Shikhan Hashimi, Dr. Jafar Hiary

4:45-4:58 (13 min)	Augmentation Mammoplasty	Dr. Shikhan Hashimi (OMN)
4:58-5:11 (13 min)	Mammoplasty surgeries and the planes controversies.	Dr. Lamees Arabiyat (JOR)
5:11-5:24 (13 min)	Septum Based Mammoplasty	Dr. Moh'd Shobaki (JOR)
5:24-5:37 (13 min)	Augmentation Mastopexy after massive weight loss	Dr. Shikhan Hashimi (OMN)
5:37-5:50 (13 min)	Breast Reduction & Mastopexy anatomical basis to avoid complications	Dr. Sanjay Parashar (UAE) (AASMA)
5:50-6:03 (13 min)	L- Mastopexy for male gynecomastia	Dr. Abdulreda Lari (KUW)
6:03-6:21 (18 min)	My SSS technique with Motiva® Breast Implants And Complications management	Dr. William Watfa (LEB)
6:21-6:30	Discussion	

End of the third day

End of the conference

Video Recorded Lectures

Friday, 13th, Sep

DAY3

Hamourabi 3

Moderators: Dr. Khaled Maayta, Dr. Kusai Elmusa, Dr. Marzouq Ammarin

14:00 - 14:30 (30 min)	Contemporary Upper Eyelid Surgery: Volumetric Contouring Concept	Prof. Dr. Nabil Fakh (LEB)
14:30 - 15:00 (30 min)	Lower Eyelid Surgery with Fat Transposition and Three Vector Suspension	Prof. Dr. Nabil Fakh (LEB)
15:00 - 15:15 (15 min)	Discussion	
15:15 - 15:45 (30 min)	Preservation rhinoplasty - Spare Roof Technique - the state of art	Prof. Miguel Gonçalves Ferreira (Por)
15:45 - 16:00 (15 min)	Septal Advancement Flap Why and how	Prof. Miguel Gonçalves Ferreira (Por)
16:00 - 16:15 (15 min)	Discussion
