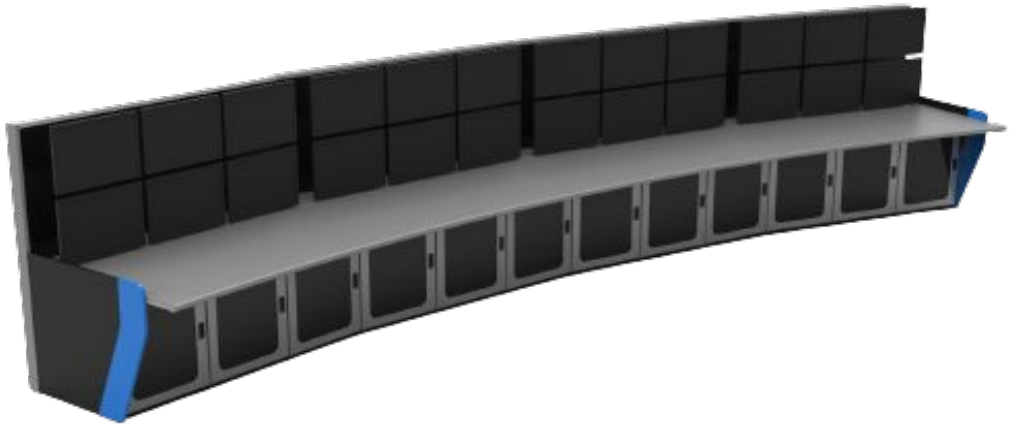
SLAT WALL CONSOLE



Application

-High-Tech Consoles,
-Speciality Consoles
-On-board Consoles,
-Command Centre Consoles,
-Data Centre Consoles
-NOC Console
-SOC Console

MOC & BOM

Modern consoles has rack mount capacity below the work space.

Construction :
-2mm thick CRCA framework.
- front and rear shutters and lock.
-Shutters can be with clear acrylic window or with natural ventilation to forced cooling
-Aluminium Profile Slatwall

Work Surface : surfaces are made of 25mm pre-laminated MDF/Solid Acrylic

Finish : All metal items are powder-coated MDF & Solid Acrylic can be selected from standard colours and finishes.

Side Panel;Cosmetic Dual Coloured panel

ATC CONSOLE/DATA CENTER

.

Application
-Air traffic controller (ATC) Console
-Speciality Consoles
-On-board Consoles,
-Command Centre Consoles,
-Data Centre Consoles
-NOC Console
-Operator Console

MOC & BOM
Heavy duty metal consoles has Controllers Mounting facility

Construction :
-2mm thick CRCA framework.
- front and rear shutters and lock.
-Shutters can be with clear acrylic window or with natural ventilation to forced cooling
-Aluminium Profile Slatwall

Work Surface : surfaces are made of 25mm pre-laminated MDF/Solid Acrylic
.
Finish : All metal items are powder-coated MDF & Solid Acrylic can be selected from standard colours and finishes.

Side Panel;Cosmetic Dual Coloured panel

OPERATOR/RACK MOUNT CONSOLE

.

Application
-Command Centre Consoles,
-Data Centre Consoles
-NOC Console
-SOC Console
-Reception Console
-Rack Mount Consoles,
-Cabinet Mount Consoles

MOC & BOM
Modular metal/Profile consoles

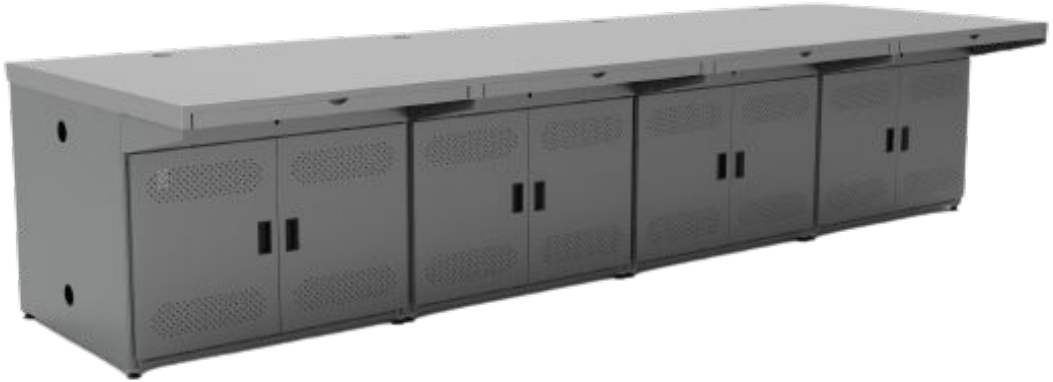
Construction :
- CRCA/Aluminium profile framework.
- front and rear shutters and lock.
-Shutters can be with clear acrylic window /MDF or with natural ventilation to forced cooling

Work Surface : MDF/Solid Acrylic

Finish : All metal items are powder-coated MDF & Solid Acrylic can be selected from standard colours and finishes.

Side Panel;Cosmetic Dual Coloured panel

OPERATOR/COMMAND CONSOLE



.

Application

-Command Centre Consoles,
-Data Centre Consoles
-NOC Console
-SOC Console
-Reception Console
-Rack Mount Consoles,
-Cabinet Mount Consoles

MOC & BOM

Heavy duty metal consoles

Construction :

- CRCA profile framework.
- front and rear shutters and lock.
-Shutters can be Metallic /MDF
or with natural ventilation to forced cooling

Work Surface : MDF//Metallic/Stainless steel

Finish : All metal items are powder-coated MDF can be selected from standard colours and finishes.

Side Panel;Metallic panel

HEIGHT ADJUSTABLE CONSOLE

MOC & BOM
Metal consoles has Controllers for setting
Height of console (600-1200)mm

Construction :
-2mm thick CRCA framework.
- front and rear shutters and lock.
-Shutters can be with clear acrylic window
or with natural ventilation to forced cooling
-Height adjustable legs Mechanism with settings

Work Surface : surfaces are made of
25mm pre-laminated MDF/Solid Acrylic

Finish : All metal items are powder-coated
MDF & Solid Acrylic can be selected from
standard colours and finishes.

Side Panel;Cosmetic Dual Coloured panel

Application
-Speciality Consoles
-On-board Consoles,
-Command Centre Consoles,
-Data Centre Consoles
-NOC Console
-Operator Console

LAB FURNITURES

MOC & BOM

Work Surface made of SS/GRANITE/CORIAN/LAMINATE

Construction :
-1.2mm thick GI-CRCA framework/ALuminium profile/MDF.
- Front and rear shutters with lock.
-The design of all console / panels / cabinets and layout shall be based on human engineering considerations
-6/16 amp electrical Socket of reputed make with MCB

Finish :
All metal items are powder-coated
MDF & Solid Acrylic can be selected from standard colours and finishes.

Panel:Cosmetic Dual Coloured panel

Application
-Educational institutes
-Dairy testing Labs
-Quality Control
-Diagnostics
-R&D Labs
-Clean rooms

OPERATOR LAB CONSOLE

MOC & BOM
Modular metal/Profile consoles

Construction :
- CRCA/Aluminium profile framework.
- Front display and rear shutters with lock.
- Rare Shutters can be with natural ventilation to forced cooling

Work Surface : MDF/Solid Acrylic/Granite/SS

Finish : All metal items are powder-coated MDF & Solid Acrylic can be selected from standard colours and finishes.

.Application
-Command Centre Consoles,
-Central Lab Consoles
-Control operator labs
-Reception Lab Console
