ICE MELT BLEND

ROAD RUNNER® ICE MELT

A CALCIUM CHLORIDE BLEND ENHANCED WITH MAGNESIUM CHLORIDE

ALL THAT'S LEFT IS A SAFE, CLEAN SURFACE

PRODUCT ADVANTAGES

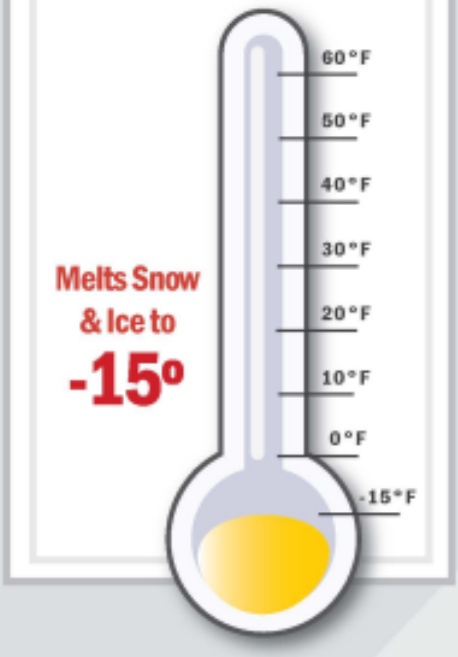

- Contains calcium chloride pellets; the fastest de-icer available
- Begins melting ice and snow immediately upon contact and quickly generates melting heat
- Fewer applications required for excellent results
- Safer on concrete and vegetation than rock salt when used correctly
- Effectively melts ice and snow in temperatures down to -15ºF

Road Runner Contains: Sodium Chloride, Calcium Chloride Pellet and Magnesium Chloride Pellet

CAS #
NaCl.....7647-14-5
