

M.O.L.E. MAL ODOR LIQUID ENZYME

**PORTION
CONTROL
#14**

USE

MOLE quickly eliminates a wide range of malodors through bio-enzymatic action that consumes the source of the odors. This non-toxic, biodegradable concentrate is packed with enzyme-producing bacteria and powerful fragrances. It is effective against malodors caused by pet accidents, urine, vomit, decomposing food, water, smoke damage and many others. Excellent for use in grease traps and drains.

APPLICATION

Restroom Odors - Empty 1 package into 1 to 2 gallons of mop water. Fill a 32-oz. spray bottle with water. Empty 1 package into the bottle, 2 packages for really tough odors. Attach sprayer. Spray MOLE directly onto the floor or wall around the toilets for tough odors. Do not mist up in the air.
