

2026 TBPA Encore Performance Team

INFORMATION and APPLICATION

The Encore Team is a Professional Youth Performance Troupe that brings their talent to Florida events and venues.

Admission to the Troupe is by invitation, audition, or director permission.

2021 Universal Studios City Walk Performance

About Encore Performance Team

Encore Team performs both near and far in the State of Florida. They perform a 25-35 minute non-stop, high energy show where the music never quits. One song falls right into the next as the performers slide on and off stage without a quiver of slow down. A bright new costume emerges nearly every 2 minutes. The vocalists and dancers keep the crowd clapping and singing along throughout the entire performance.

This group is taught how to be professional entertainers, adhering to different rules, regulations, and requirements of many different performance venues. Venues and Events being considered for the 2025-26 season are: Disney Springs, Universal City Walk, Florida State Fair, Florida Strawberry Festival, Suncoast Hospice Fundraiser, Palm Harbor Tree Lighting and Parade, and of course, all four in-house shows at the Palm Harbor Playhouse (TBPA Stage). Talent agents have been contacted and they are on the lookout for more exciting places for the Team to bring its 2025-2026 Show.

The Team consists of five levels: Juniors, Seniors, JR Elite, Elite, and Elite Excel. All levels perform in the shows individually as well as mixed groups and full cast. Admission to the team is by invitation and/or audition. Placement on the team is open to TBPA students with at least 1 year of Musical Theater at advanced beginner and above skills in dance or those with 3 or more years of dance experience.

Invitations & Auditions

Admission to the team is by invitation and/or audition. Audition are held at scheduled times or by appointment.

Vocal auditions are held separately -- all vocalist must dance at the Jr Elite, Elite, or Elite Excel Level or have special permission from the Director, and must be enrolled in private voice lessons. Vocal performances are very limited in number.

Once an application has been submitted, an audition time will be scheduled. Those accepted to the team will receive an acceptance letter with commitment forms to be signed by both team member and parent.

Commitment

Joining the TBPA Encore Performance Team is a commitment by both parent and student. It requires a time commitment as well as a financial one.

Prior to requesting an audition or accepting an invitation to join the team — please review the materials in this packet and be sure that both you and your student are willing and able to make the commitments required.

If your student is involved with other activities, please check all dates for conflicts. Most dates will be released and finalized by September 30, 2025.

Re-choreographing and Extra Rehearsal Fees

When a team member is unable to attend a performance, very often that means that coaches will need to re-choreograph a number or two and the other team members will need to re-learn the number with the changes. Our team members are excellent performers but they are not adult professionals --these changes put lots of stress on the entire team. Having to relearn choreography at the last minute is unfair to the members who have worked very hard to learn some difficult choreography for big shows.

Therefore we will be imposing a re-choreographing fee and extra rehearsal fee of \$150 when a team member is unable to attend a major performance and fails to give the Encore Team a least a 8-week advance notice. (This will be waived for serious illness).

Absences

Students are allowed to miss up to 3 regular rehearsals. If a student misses a mandatory long rehearsal before a major performance, they may not be allowed to participate in that event.

If a student misses more than 3 rehearsals without prior permission or acceptable excuse, they may be dismissed from the team and all monies paid will be forfeited. Prior year students with more than 3 missed rehearsals or one or more major event may not be invited to rejoin the team.

Consequences

Failure to maintain Elite Level commitment on a regular basis will be reason to be moved to the Senior or Junior Level Teams. Failure to maintain Junior or Senior level commitments will be reason to be dismissed from the team or prevented from performing at one or more major events.
