OMNI INTEGRATIVE WELLNESS, INC. PLEDGE

Believe individuals are doing the best they can and have the desire to improve.

Value and celebrate diversity and difference while ensuring you are seen, heard, and accepted just as they are.

Hold space for your feelings, experiences, and beliefs in a safe, non-judgmental, understanding, and empathetic manner.

Express and maintain gratitude that you have made the decision to engage in therapy and be part of our team.

Recognize and honor your challenges and success; this includes supporting you with acceptance and change.

Recognize trust is earned, not given; thereby demonstrating transparency, openness, and full disclosure.

Empower and value your opinions, decisions, and lifestyle.

Model radical genuineness by expressing care with unconditional positive regard, loving-kindness, and acceptance.

Provide team support in a wrap-around, trauma-based care to support your optimal wellness.

OMNI INTEGRATIVE WELLNESS, INC. INTRODUCTION

Omni Integrative Wellness, Inc., is a woman-owned mental health agency focused on holistic behavioral health and wellness. Established as a corporation in 2020, our mission is to inspire, educate, encourage and empower psychological, social, behavioral, and emotional wellness across the life cycle of the individual, couple, and family, along with the greater society as a whole.

Omni Integrative Wellness, Inc. founded the Integrative Holistic Model©, an multi and transdisciplinary structure pioneering strategies that cross many disciplinary boundaries to create a holistic approach. Omni Integrative Wellness, Inc.'s foundation adapts Theory U, a change management methodology, within a corporate context and social science sphere. This creates a greater connection to the whole in which we are apart. Omni Integrative Wellness, Inc., provides a standard of excellence in reputable and reliable care. Pioneering a person-centered conscious model of the business, Omni Integrative Wellness, Inc.'s foundation is an ecosystem of awareness that is concerned about the well-being of *all*.

Omni Integrative Wellness, Inc. provides innovative, holistic, and evidence-based practices for those experiencing mental health challenges, chaotic substance misuse (addiction), and transitory stress. Our organization recognizes the relationship between mind, brain, body, heart-center, and environment, which is paramount in achieving optimal wellness. We employ comprehensive, structured, systematic, and didactic approaches to motivate therapeutic engagement and efficacy. This supports the integration of emotionality, centering the body, mind, and heart-center for awareness to create change and gain optimal mental health and wellness.

Our approach to healing focuses on a collaborative, holistic, wrap-around, trauma-based, person-centered foundation with active participation from multidisciplinary professionals, as well as enriching interpersonal connections.

SUCCESS & SUTAINABILITY

Omni Integrative Wellness, Inc. maintains a reputation of excellence in reputable care and community connection.

Our philosophy is paramount to our continued growth and success. This is founded on our mantra of "connection, collaboration, community & change."

Our achievements are the work of a community striving for holistic health & wellness that creates a healthy live worth living!

Omni Integrative Wellness, Inc.'s foundation is based on ingenious and innovative strategies for sustainability.

We empower and encourage confidence bolstering a growth mindset; this creates an environment of collaboration, and communication in a creative, forward-thinking environment.

INNOVATIVE ENTERPRISE

MINDFULNESS MARKETING & MANAGEMENT (M3)

Omni Integrative Wellness, Inc. is mindful of the ever-changing nature of reality and functioning.

Our M3 strategy of success is adapted from Theory U, a social change management model. This supports a conscientious and co-evolving approach to creating, communicating, servicing, and promoting symbiotic relationships.

NEURO-FOUNDATION

Neuro-based principles are foundational to Omni Integrative Wellness, Inc., which encompasses science, marketing, and psychotherapy. This approach informs effective collaboration and communication from consumer care, to networking.
