*Schedule is subject to change. Any changes will be announced on the YouTube channel and in my Facebook Group, Mrs. Azfamilyzoo Stitches Facebook Group. https://www.facebook.com/groups/1532043021167565
Fusible – Which fabrics need fusible is listed by each block throughout the instructions. The **background fabrics** need fusible. Special fusible instructions (pages 35, 41, 42, and 44) will be addressed during block stitch outs.

Filler Blocks – I'll be stitching these without fusible. My fabric is starched with Faultless Heavy Finish Spray Starch. This pre-shrinks the fabric and makes it more stable. If you have a thinner fabric, you may need fusible for your filler blocks.

Batting – To determine batting size look at the finished block size and add one inch. For example, if a block is trimmed to 4x6 inches, you need a 5x7 inch piece of batting.

This is a BIG QUILT and the schedule is designed to finish by December 1st to use it for the holidays. You to NOT have to keep up with this schedule. Do what works best for you and have fun! You can use this schedule as a check list and make the quilt on your own timeframe.
