Make sure your name goes here as a 2026 Buyer!

Thank you!

**Columbia County 4-H and FFA members and Columbia County Friends of Fair
welcome you to the 2026 Youth Livestock Auction!**

You may participate in this sale in several ways as a buyer:

- 1) If you wish to buy an animal for yourself:
 - Bid until the animal is sold to you. Sign the sale ticket, indicating you want to keep the animal for personal use.
 - Pay the price you bid, multiplied by the pounds listed in the catalog for that animal.
 - Indicate that you want your animal processed, and we will have the animal delivered to the processor. You will pay a slaughter charge and make arrangements with the processing company for cutting and wrapping.
- 2) If you wish to support the sale by bidding on an animal on a resale basis (this means you do not want to keep the animal):
 - Bid until you win, knowing that you can resell immediately, paying only the difference between your bid price and the resale price already offered by market buyers. For example, a 130 lb. lamb bid at \$3.00/lb., which would resale at \$1.75/lb. on the market would have a difference for you to pay of \$1.25/lb. for a total of \$162.50.
 - Sign the sale ticket, marking RESALE, and pay the amount of the difference as your support of the sale and the 4-H livestock members. There is no resale for Turkey, Chickens, or Rabbits.
- 3) If you are unable to purchase an animal and would still like an opportunity to support an exhibitor, please consider an add-on donation. Details for add-on donations are at the registration/payment desk and through QR codes. Please provide a mailing address so a thank you may be sent out to the appropriate donor/sponsor.

Please consider the following:

- * If an animal is condemned in the slaughter process (because of disease, use of medications, injury, etc.), the buyer's money will be returned, and the seller will assume the loss.
 - * Funds expended in the purchase of animals through this sale may not be considered a donation to 4-H; however, if an animal is donated to another charitable organization, it can be a donation to that group. The funds expended may be considered a business or advertising expense. Please contact your accountant for further information.
- 3
- * Sale order is NOT the order of the show placing. Sale order is by lottery draw.
