## Escorting tours for more than 5 years

I'm a daily pilgrim, taking each day as a new opportunity to discover & share about life, people & places. Whilst I now live in Italy, I'm originally from Galicia in Spain and have double nationality due to my Portuguese father. I'm proud to consider Catholic faith-based travelling my specialist field. As I always explain to the pilgrims I'm glad to meet on our way, these experiences transcend the simpler sense of vacation touring as we do not only travel in search of shopping, exploring, leisure, relax or entertainment, but we travel to meet what, somehow, has been part of us from the very beginning of our existence through our identity, our family or cultural heritage: that's pilgrimating, a journey that takes us to redefine our existence according to our beliefs through those sites where these have happened or been commemorated.
