

Small Sided (6v6 or 7v7) Indoor Soccer Rules & Rates

1. Each game shall consist of two (2) equal halves of 25 minutes each plus a 3-minute halftime interval.
2. If one team fails to produce the minimum four (4) in 6v6, or five (5) in 7v7, players required to start by ten (10) minutes after the kick off time, the Match Official will deem the match forfeit. Providing the match can kick off by ten (10) minutes after the hour, the Match Official will shorten each half to 20 minutes per half. The Match Official shall be the sole judge of the amount of time played, and their decision on this matter shall not be subject to appeal or protest.
3. In the event a team has its compliment of players reduced to less than four (4) in 6v6, or less than five (5) in 7v7, players during a game for whatever reason, the team shall forfeit the game.

If, in the opinion of the Match Official, a game should be abandoned due to extenuating circumstances (eg. unplayable field conditions, power failure), before the completion of $\frac{3}{4}$ of the total regular playing time, the game shall be rescheduled. Games abandoned in the last quarter of the regular playing time shall be deemed as compete and the actual score at that time shall stand.

If a game is abandoned by the Match Official due to the actions of players, officials or spectators/supporters of a team, or the Match Official is concerned for the safety of all persons in the facility by continuing the game, the League shall decide, by review of the circumstances, the result of the game, which may include rescheduling the game or calling a forfeit.

The players and the team officials will be subject to disciplinary action and penalties assessed in accordance with ONTARIO SOCCER Discipline policies and procedures
