RIGHT TO INFORMATION MADE EASY

POWERED BY *yugantar*

About us

YouRTI.in is a citizen centric, Hyderabad based social initiative managed by Yugantar, an NGO working on the issues of governance, democracy and development. Launched in 2016, YouRTI.in has supported journalists, activists, NGOs and private citizens to easily and if required, anonymously, file RTI requests.

YouRTI.in is an affordable and transparent service. YouRTI.in boasts of 5000+ users and has filed more than 7000 requests and received more than 12,000 government responses (more than one government department can respond to a single request).

We support citizens in exercising their Right To Information by drafting and filing online RTI applications, first appeals and second appeals

Adopt your own RTI filing portal

Yugantar is now offering the opportunity for like minded organisations that believe in the Right to Information to join YouRTI.in.

Through our model, organisations can make YouRTI.in available on their website, packaged as their own RTI filing platform - powered by Yugantar.
