• **LUXWOOD** is a 100% waterproof stone core floor that is extremely dent resistant. It looks and feels like real hardwood.

• **LUXWOOD** can be installed in virtually any room in the home or business including kitchens, full bathrooms and basements.

• **LUXWOOD** is quick and easy to install! It features a Unilin® Click locking installation method that can be installed immediately with no acclimation waiting time needed.

• **LUXWOOD** - No tear out required! Planks are extra rigid and can be installed directly over most existing subfloors with no subfloor telegraphing concerns (See installation details for further information regarding your application).

• **LUXWOOD** does not require glue, nails or underlayment for installation. To cut the product, simply score it with a utility knife and snap it, or use a miter saw.

• **LUXWOOD** has an anti-microbial coating on top and a pre-attached foam rubber underlayment for a quieter warmer floor.

• **LUXWOOD** is Floorscore® Certified and Formaldehyde Free (meets California Air Resource Board requirements).
