**FIRE UP**  
the flavor

A detailed view of a summer picnic spread on a white table. On the left, a wicker basket is filled with burgers, pickles, tomatoes, onions, and lettuce. To the right, a metal tray holds several grilled hot dogs in buns, accompanied by small bowls of mustard, ketchup, and relish. In the foreground, there are glasses of iced tea with lemons, a plate of grilled corn on the cob, and a blue plate with watermelon slices. A red and white checkered napkin with a burger and chips is also visible. The overall scene is bright and appetizing, with a focus on fresh, grilled food.
