Varsity Prospects

The 1961 track and field campaign found the Men of Troy back in front of the national collegiate championship race following a two-year lapse due to ineligibilities and injuries. Needless to say, Coach Jess Mortensen's thinclads will be in an all-out bid this year to retain that No. 1 position.

Despite the loss of all but two of the many fine performers who gave the Trojan 65-points and the NCAA title in last year's championship meet, this year's USC track and field squad should again rank among the nation's best. Last year's title, incidentally, was their 21st out of 29 NCAA meets completed in.

Lone point returnees from the NCAA championship meet are Dallas Long, who contributed ten points as a result of his record-breaking shot put effort, and Bob Pierce, the ever-improving hurdler who was a close second in the 120-yard high hurdles.

Other notable returnees this year include Rex Cawley, the fast-stepping junior who was named the outstanding collegiate performer last year on the basis of his No. 1 ranking nationally in three separate events; Bruce Munn, one of the nation's finest sprinters; Warren Farlow, credited with the fastest half-mile clocking in Trojan history; and Mel Hein Jr., who should better the 15-foot vault barrier before season's end.

On the debit side of the ledger, the list of non-returnees is a long one. Key losses will be Luther Hayes, who contributed 18-points to the USC cause in the NCAA meet with a first in the hop, step, and jump and a second in the broad jump; Bobby Avant, the school's second seven-foot high jumper and a runnerup in the nationals; and Jim Brewer, school record holder in the pole vault and a co-titlist for the NCAA title last year.

Outstanding newcomers include Julio Marin, the leather-lunged distance runner and surprise star of last year's Trojan cross country team; Jan Sikorsky, a service returnee and one of the nation's best javelin throwers; and George Fleckenstein, a Junior College transfer from Santa Monica in the high jump.

A fast rundown by events for the 1962 campaign (with 1961 best marks listed unless otherwise noted):

SPRINTS: Bruce Munn (9.5n and 21.0n) will probably carry most of the load here with the loss of Jim Bates (9.6n and 21.4n), Rusty Week (9.6n and 21.6n) and Bobby Staten (21.7n). Before season's end, Munn should rank among the nation's best. Trojans will receive some help from Dick Cortese (9.6 and 21.0n), who equaled the frosh century record last spring, and JC transfer Ted Doll (9.8 and 21.1). Trojans will have to pick up a fourth—probably Stan Rhodes—to rank as a contending sprint relay foursome. **RATING:** Good.

MID-DISTANCES: The quartermile entry should be about the best in the school's history, with the return of Rex Cawley (46.2) and Kevin Hogan (46.5n). Cawley claimed the best time by a collegian last year and should provide big points for the Trojans in the NCAA meet, which he was forced to sit out last year due to a leg injury. The sensational USC junior, incidentally, also claimed the best collegiate marks in the 220-yard low hurdles (22.5) and 400-meter hurdles (49.9) and helped USC baton teams establish new records in both the

half-mile and one-mile relays. Hogan's best is the second fastest in USC history, giving indication of his ability. A pair of sophus up from the frosh—Rich Shencopp (50.0n) and Jack Benton (50.5n)—will try and offset the loss of Staten (47.1n) and Dean Balzarett (48.1n) in giving the Trojans another outstanding mile relay team. In the longer two-lapper, only senior Warren Farlow (1:49.4n) claims a mark of note. That time is the fastest in USC history. Twin Wayne (1:55.4n) and JC transfer Tom Lile (1:52.8n) should help here. Look for Warren, who's time was the seventh best by a collegian last year, to rank among the nation's top five this year. **RATING:** Good.

DISTANCES: As was the case last year, the pre-season prospective is hazy. Junior Ted Eggleston (4:16.5n) showed traces of greatness last year and should knock several seconds off of his best time of last year. Wayne Farlow (4:20.9n) will probably alternate between this and the half-mile. Two-mile situation is even more cloudy. JC transfer Julio Marin (9:21.1n) could flirt with the under-nine-minute barrier on the basis of his fine marks with the USC cross country team last fall. Bill Nardi, up from the frosh, is the only other two-mile candidate. **RATING:** Fair.

HURDLES: Undoubtedly USC's best event, both from the standpoint of top performers and depth. Bob Pierce (13.8n) was a close runnerup in the NCAA meet and a double winner in the AAUW championships. A consistent performer, his best has been bettered by only two men in USC history—world record holders Jack Davis and Dick Attlesey. Brian Polkinghorne (14.1) gives the Trojans what should be the greatest one-two high hurdle punch in the country. Because of the tremendous improvement of Pierce and Polkinghorne last year, Mortensen was able to try Cawley in the flat races and the lows. His success is now history. Cawley's low hurdle time (22.5) was the fastest in the country last year and the third fastest in the world. Pierce (22.8) is only a step behind while Polkinghorne (23.9n) will be able to hold his own against most of the nation's better low hurdlers. Lone loss in this event is Staten (23.4n). **RATING:** Excellent.

SHOT PUT: The best mark in the world in 1961, new national collegiate record, and a new USC record are but a few of the credentials that the incomparable Dallas Long (64 ft. 7¾ in.) will carry into the 1962 season. Needless to say, the Trojan senior is without a peer in collegiate shot putting circles. He's bettered 60 feet on 55 occasions going into the 1962 season and should break every possible record before bringing to a close his varsity career this spring. Discuss thrower Jim Wade (53 ft. 8 in.) and ex-Trobabe Ed Shuey (46 ft. 3½ in.) will lend support here. **RATING:** Excellent.

DISCUS: Mortensen is hopeful that the giant Wade will return to the form he displayed in 1960 as a sophomore. His 1960 best: 190 ft. 6½ in. His 1961 best: 177 ft. 11 in. His 1960 throw, incidentally, is the second best in USC history. Long could also give the Trojans valuable points in this event. His 1961 best of 172 ft. 3½ in. is the tenth best in USC history. Footballer Denny Schmidt (159 ft. 7½ in.) rounds-out the discus candidates. **RATING:** Good.

JAVELIN: Despite the loss of Bob Sbordone (234 ft. 9½ in.), Troy's javelin corps was bolstered by the return of Jan Sikorsky (249 ft. 4 in.) to school following a two-year hitch with the

Marine Corps. Dick Tomlinson, a former junior college record holder, will hope to match his 1960 efforts when he threw the spear 240 ft. 3½ in. He had a best of 223 ft. 10 in. last year. A pair of sophs up from the frosh—John Pearson (177 ft. 9 in.) and John Ruebenis (174 ft. 8½ in.)—round-out the list of candidates. **RATING:** Good.

BROAD JUMP: The Trojans will sorely miss the services of Luther Hayes (25 ft. 6¼ in.) who was second in last year's NCAA meet in addition to setting a new NCAA meet record in winning the hop, step, and jump, and Bill Jackson (25 ft. 3 in.). Lone candidate is sophomore Max Johnson, who did 22 ft. even with the frosh last year. **RATING:** Fair.

POLE VAULT: Despite the loss of school record holder Jim Brewer (15 ft. 4 in.), Trojan pole vaulters will hold their own this year with the return of Mel Hein Jr. (14 ft. 7 in.) and the addition of Mike Flanagan (14 ft. 3¼ in.), who is up from the frosh. Hein has plenty of potential, as does Flanagan, and both should be flirting with the 15-foot height before season's end. **RATING:** Good.

HIGH JUMP: It's hard to imagine Troy's high jump entry being ranked as good with the loss of Bobby Avant (7 ft.) but such is the case with the addition of JC transfer George Fleckenstein (6 ft. 7¼ in.) and the return of Norm Grundy (6 ft. 6¾ in.). Fleckenstein cleared 6 ft. 8 in. in the Los Angeles Indoor Meet in January, giving indication that he's headed for an outstanding campaign. **RATING:** Good.

The Staff

JESS HILL, DIRECTOR OF ATHLETICS

Jess Hill, former track and grid coach at Troy, is in his fifth year as Director of Intercollegiate Athletics at the University of Southern California.

Born Jesse Terrill Hill in Yates, Missouri, on January 20, 1907, Jess came west with his family ten years later and became one of the top athletes in southern California while at Corona High School. From the fall of 1923 to the spring of 1925, he was awarded ten letters in five sports.

Following his graduation from Corona in 1925, Hill attended Riverside Junior College for one year, earning letters in football, basketball, baseball and track as Riverside fielded championship teams in all four sports.

Jess entered USC in February, 1927, and continued to exhibit his all-around athletic prowess, playing football and baseball and compiling an outstanding track and field record.

He became the first Trojan in history to surpass 25 feet in the broad jump, leaping 25 $\frac{7}{8}$ " to win the 1929 IC4A title. This mark has been bettered by only three Trojans since 1929.

Also outstanding in his studies, Jess graduated cum laude following the 1930 collegiate baseball season.

Hill signed immediately to play professional baseball and enjoyed a brilliant ten-year career in Triple-A and Major League ball. He compiled a lifetime average of .306, seeing service with the Yankees, Senators, Athletics and Oakland, Hollywood and Newark.

In the off-season during his professional baseball years, Jess launched his coaching career at Corona High. Just as in his playing days, he moved from Corona to Riverside JC. His next position was at Long Beach JC, where he was on the physical education and coaching staff when World War II came.

Hill enlisted in the Navy in March of 1942 and served until February of 1946, when he was separated from active duty with the rank of Lieutenant Commander.

Jess returned to Long Beach City College after getting out of the Navy and immediately piloted the junior college baseball team to a Conference championship.

Hill returned to USC in the fall of 1946 to begin a period of ten years of advancement within the athletic department. His first team at USC, the 1946 frosh football team, went through an undefeated season. In 1948 he was selected as assistant track coach, being groomed to succeed Dean Cromwell as head track coach after the latter's retirement at the end of the '48 season.

Hill had two undefeated years, 1949 and 1950, as head track coach at USC, continuing the great Trojan track heritage and winning two National Championships.

Early in 1951 he was named head football coach, following the resignation of Jeff Cravath. In 1952, Hill steered the Trojan varsity through an undefeated Conference season and a 7-0 win over Wisconsin in the Rose Bowl game.

Hill's six-year record as head football coach at USC was 45 wins, 17 losses and 1 tie for a .722 winning percentage.

On September 1, 1957, Hill officially succeeded Willis O. Hunter as Director of Athletics.

Jess is married to the former Elizabeth Helen Glass. They have two children, Mrs. Mary Bett Carter, a USC graduate, and Jess Jr., a junior at USC. The Hills reside in West Los Angeles.

HEAD COACH JESS MORTENSEN

It isn't often that a single school may claim two of the outstanding coaches in the history of a collegiate sport. But such is the case at the University of Southern California with former Head Coach Dean Cromwell, recognized as undoubtedly the greatest college track and field coach of all time, and now Jess Mortensen, who competed for the Great Dean as an undergraduate and who is making a reputation in his own right as the director of Troy's track and field fortunes.

Simply, Mortensen's records as USC track coach are as impressive as the Dean's. In eleven seasons as USC's track mentor, he has posted an enviable record—including seven NCAA titles and he has yet to lose a dual meet. It might be noted that his Trojan trackmen were ineligible to compete in two of the four seasons that the Men of Troy failed to win the national collegiate crown.

Born in Thatcher, Arizona, on April 16, 1907, Mortensen attended Gila Academy and Gila Junior College for his freshman year.

He won two letters in football at USC as a right halfback, playing behind Lloyd Thomas in 1928 and Erny Pinckert in 1929. As a cager, he earned three awards and was an All-PCC choice as a sophomore in 1928.

The tragic death of Jess Mortensen came on Monday, February 19, just as this book was to go to press. It seemed only fitting to leave in this biographical sketch of the former great Trojan athlete and coach as a humble dedication to his memory.

It was in track and field that Mortensen gained his greatest recognition. Earning varsity letters in 1928-29-30, he won the NCAA javelin title his junior year with a throw of 203 ft. 7 $\frac{3}{4}$ in. and won the National AAU title the following season with his all-time best throw of 204 ft. 11 $\frac{3}{4}$ in.

"Mort" also won fame as a decathlon man. In 1931, while coaching at Riverside JC, he competed in his last decathlon and won the National AAU title at Lincoln, Nebraska, with a world-record-breaking score.

During his 14-year coaching stint at Riverside JC, he handled football, basketball, baseball and track, taking time off during World War II to serve as a physical education instructor for the Navy. He was discharged in 1946 as a lieutenant.

Upon his return to Riverside in 1946, he was appointed dean of men and resumed his duties as head football coach.

In 1947, he moved to the University of Denver as frosh football and head track coach. Mortensen turned out two unbeaten frosh grid teams and gave Denver its first Skyline Conference track championship in 1949 and developed Jerome Biffle, Olympic Games winner at Helsinki in 1952.

He moved on to West Point in a similar capacity in January, 1950, and a year later returned to USC as head track coach, replacing Jess Hill who moved up to the head football coaching post.

Since his return to USC, Mortensen has posted an incomparable track and field record. In addition to his current dual

meet streak of 63 consecutive wins and seven national collegiate championships, Mortensen gained added laurels in 1956 when he was named an assistant coach for the United States Olympic Games track and field team.

During his reign at USC, he is given credit for developing such all time cinder greats as Jack Davis, Sim Iness, Parry O'Brien, Des Koch, Max Truex, Jim Lea, Rink Babka, Charlie Dumas, Dallas Long, Bob Avant, Bob Voiles, Ron Morris, Rex Cawley, and countless others.

Jess is married to the former Irene Ross of Riverside. They have two children—a married daughter, Anne, and Ross. They live in South Pasadena.

ASSISTANT COACH JIM SLOSSON

Jim is in his eighth season as assistant track coach at the University of Southern California.

Before his move to USC, Slosson gained a reputation as one of the finest young coaches in this area while at Valley JC, particularly for his work with middle-distance and distance runners. In his three years at Valley, he never lost a Conference dual meet and only lost one meet outside the league. In addition to his record of 27 wins in 28 meets in dual competition, Slosson's teams finished second in the state meet in 1952, won it in 1953, and finished sixth in 1954.

Since his move to USC in 1955, he has been credited with playing an important role in the development of Max Truex, Sid Wing, Mal Robertson, and more recent top Trojan distance runners.

Slosson was born on April 12, 1923, in Van Nuys, California, and has lived there ever since. He was L.A. City half-mile champ as a senior at Van Nuys High School in 1941. Following a tour of service with the Army Air Corps during World War II, he ran three years of track at USC (1946-47-48). His best times were 1:54.8 for the 880 and 47.8 for the 440.

Obtaining his doctorate in Geology from USC, Jim has been teaching geology at Valley JC since 1950. He is also head of the Earth Science Department at the Junior College.

Jim and his wife, Nancy, a USC graduate in 1947, have two children, Bonnie, 11, and Tommy, 8.
