## JESS HILL

### Director of Athletics

Jess Hill, former track and football coach at Troy, is in his 13th year as Director of Intercollegiate Athletics at the University of Southern California.

Born Jesse Terrill Hill in Yates, Missouri, on January 20, 1907, Jess came west with his family ten years later and became one of the top athletes in Southern California while at Corona High School. From the fall of 1923 to the spring of 1925, he was awarded ten letters in five sports—football, basketball, baseball, track

and tennis.

Following his graduation from Corona in 1925, Hill attended Riverside Junior College for one year, earning letters in football, basketball, baseball and track as Riverside fielded championship teams in all four sports.

Jess entered USC in February, 1927 and continued to exhibit his all-around athletic prowess, playing football and baseball and compiling an outstanding track and field record. He became the first Trojan in history to surpass 25 feet in the broad jump, leaping 25'  $\frac{7}{8}$ " to win the 1929 IC4A title.

Also outstanding his his studies, Jess graduated cum laude following the 1930 collegiate basetal season.

Hill signed immediately to play professional baseball with the old Hollywood Stars. In his first plate appearance, he hit one out of the park at Wrigley Field to start a ten-year career in Triple-A and Major League baseball.

In the off-season during his professional baseball years, Jess launched his coaching career at Corona High. Just as is his playing days, he moved from Corona to Riverside JC. His next position was at Long Beach JC where he was on the physical education and coaching staff when World War II came.

Hill enlisted in the Navy in March of 1942 and served until February of 1946 when he was separated from active duty with the rank of Lieutenant Commander.

Jess returned to USC in the fall of 1946 to begin a period of ten years of advancement within the athletic department. In 1948 he was selected as assistant track coach, being groomed to succeed Dean Cromwell as head track coach after the latter's retirement at the end of the '48 season.

Hill had two undefeated years, 1949 and 1950, as head track coach at USC, continuing the great Trojan track heritage and winning two National Championships. He also held that post in 1962 following the sudden death of his close friend, Jess Mortensen.

Early in 1951 he was named head football coach, following the resignation of Jeff Cravath.

Hill's six-year record as head football coach at USC was 45 wins, 17 losses, and 1 tie for a .722 winning percentage.

Jess is married to the former Elizabeth Helen Glass. They have two children, Mrs. Mary Bett Carter, a USC graduate, and Jess Jr., also a USC graduate.

## VERN WOLFE

### Head Track Coach

Now entering his eighth year as head track and field coach at the University of Southern California, Vern Wolfe has already established himself as one of the nation's premier track and field mentors.

Wolfe's teams have won five NCAA track and field championships and three Pacific-8 Conference titles. In his seven seasons at Troy the personable

coach has won 49 meets against just four losses.

Friendly and buoyant in nature, the 47-year old coach has been coaching track since 1950. He arrived at USC in the summer of 1962, taking over the coaching reins from Jess Hill. Hill had served as interim coach that season following the sudden death of Jess Mortensen just as the season was beginning.

In seven years at Troy, 13 Trojan tracksters have tied or broken 20 indoor and outdoor world records. In winning five NCAA team championships the Trojans have been individual winners fifteen times. All individual track and field event records have been broken by Wolfe-coached athletes.

Since arriving at USC Wolfe's teams have captured three conference titles, but even more significant is the fact that Trojan teams have had four undefeated seasons, and have lost to cross-town rival UCLA only twice in that span.

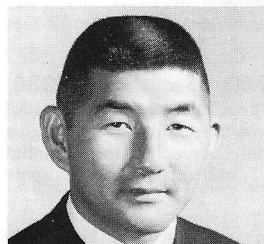

Eleven athletes who were coached by Wolfe have competed in the Olympic Games, with three winning gold medals. Rex Cawley captured a gold medal in the 1964 games in the 400-meter intermediate hurdles; Dallas Long won the shot put in the 1964 games and Bob Seagren took the pole vault in Mexico City in 1968.

Wolfe lives in Rolling Hills with his wife, Marilyn and two boys, Corey 16 and Dean 14.

## KEN MATSUDA

### Athletic Advisor

### Assistant Track Coach

Ken Matsuda is now in his fourth year as assistant track coach at USC. He came here in the summer of 1966 following a successful coaching job at Foothill College.

Matsuda had worked with Wolfe for one season (1961) at San Jose State when the Trojan headman trained the Spartan freshmen. Besides his coaching duties, the 33-year-

old coach serves as Athletic Advisor for academic affairs in the athletic department.

The Trojan track assistant had an outstanding athletic career of his own, lettering four years in football, track and baseball at Westchester High. From Westchester Matsuda went to Santa Monica City College for a year and a half making the All-Metropolitan Conference team in football. He then transferred to San Jose State where he earned two letters as a Spartan halfback and competed in track as a sprinter and long jumper.

Born Feb. 11, 1935 in Fresno, Ken and his wife, Janet, have a girl, Jo Ann, 9, and a boy, Michael, 7. They live in Torrance.
