1978 NCAA SCORERS

USC scored 59 points to capture its 27th NCAA outdoor title and second in the last three years, clinching the meet before the final event (the mile relay) at Eugene, Ore. The Trojans finished nine points ahead of runnerups Texas El Paso and UCLA without scoring in any field event nor any race over 400 meters except the mile relay. Clancy Edwards ran nine races in three days and won the 100 and 200-meter dashes, along with running on the winning 400-meter relay team. Edwards was named the meet's most outstanding athlete. Here's a breakdown of the Trojan scoring:

First: Clancy Edwards, 100-meter dash, 10.07
Edwards, 200-meter dash, 20.16

Billy Mullins, 400-meter dash, 45.33
400-meter relay (**Kevin Williams, Billy Mullins,**
Clancy Edwards, **James Sanford**), 39.31

Second: Rich Graybehl, 400-meter intermediate hurdles, 49.31

Third: James Sanford, 200-meter dash, 20.45

Fourth: Mile relay (Rich Graybehl, Joel Andrews,
James Sanford, Billy Mullins), 3:07.35

Sixth: Kevin Williams, 100-meter dash, 10.38

PACIFIC-8 CHAMPIONS

USC won its fifth consecutive Pacific-8 Conference title and 30th in its history last year at Corvallis, Ore. The Trojans scored 126 points to finish seven points ahead of runnerup Oregon despite losing first-place points in both the 400 and 800-meter dashes because Billy Mullins and Rayfield Beaton were disqualified. Following are the USC athletes who won events and their winning mark:

Clancy Edwards, 100-meter dash, 10.34
Edwards, 200-meter dash, 20.06
Rich Graybehl, 400-meter intermediate hurdles, 49.98
400-meter relay (**K. Williams, Mullins, Sanford, Edwards**),
39.27
1600-meter relay (J. Andrews, Beaton, **Sanford, Mullins**),
3:05.3

ON THE COVER

Junior Billy Mullins is the Trojans' only returning NCAA individual champion from USC's 1978 national title team. Mullins won the 400-meter dash, nipping Auburn's Willie Smith at the tape in the premier duel of the meet.

It's fitting Mullins is holding a baton in the cover photo because USC's relay teams, coached by Ken Matsuda, were spectacular in 1978. The Trojans set a world record in the 800-meter relay (1:20.3), a collegiate record in the 400-meter relay (38.85) and a school record in the mile relay (3:03.3). Mullins ran on all three relays, along with another returnee, sophomore James Sanford.

The photo is by Merv Lew. Thanks also go to 1978 USC assistant coach Tracy Sundlun for compiling this guide's newest supplement, "Trojans in the World Rankings."

1979 OUTLOOK

One thing is for certain about USC in 1979. The Trojans can't be better than last year because how can you top perfection?

In 1978, Vern Wolfe's squad went 5-0 in dual meets to win the mythical National Dual Meet title for the third successive year, captured its fifth consecutive Pacific-8 crown despite disqualifications of two first place finishers and took home its second NCAA championship in three years.

USC goes into this season with an 18-meet winning streak in dual competition, having gone undefeated the last three years. But the Trojans will be hard pressed to perpetuate their dominance.

Wolfe is missing athletes that accounted for 37½ of USC's 60 points in the NCAA and 67½ of the Trojans' 126 in the Pac-8.

Major losses are NCAA MVP Clancy Edwards, who won both sprints and ran on the winning 400-meter relay at the NCAA and set collegiate records in the 100 (10.07) and 200 (20.03), and gutsy hurdler Rich Graybehl (14.33, 49.31), runnerup in the NCAA intermediates.

Also missing are 800-meter co-school record holders Rayfield Beaton and Lloyd Johnson (1:46.5), versatile sprinter-quartermiler Joel Andrews (10.22, 20.77, 45.80), huge discus thrower Darrell Elder (195-2), runnerup in the Pac-8; and conference scorers Urpo Paananen in the javelin (260-1) and Fred Assef in the triple jump (53-2). Larry Doubley, 1977 NCAA long jump champion and injured last year, has also left the team.

But there's still plenty of talent back, led by an exceptional pair of combination quartermiler-sprinters, junior Billy Mullins and sophomore James Sanford. Both were sensational in their rookie years with USC last season.

Mullins (10.2, 20.71, 45.03) nipped Auburn star Willie Smith to win the NCAA 400 and never lost in his specialty except for a disqualification for a marginal stepping-on-the-line infraction in the Pac-8. He was ranked No. 2 in the world behind Cuba's Albert Juantorena in the 400.

Sanford (10.38, 20.24, 45.77) finished third in the NCAA 200 and took second in both the 200 and 400 in the Pac-8. He was ranked No. 9 in the world in the 200 (No. 4 in the U.S.) and No. 8 in the U.S. in the 100.

Mullins and Sanford also ran on the record-breaking Trojan 400 and 800-meter and mile relay teams. USC set a world record of 1:20.3 in the 800-meter relay, a collegiate record of 38.85 in the 400-meter event and a school mark of 3:03.3 in the mile relay. The Trojans won both relays at the Pac-8 and the sprint version in the NCAA while finishing fourth there in the mile relay after having already clinched the team title.

The other NCAA scorer back is junior sprinter Kevin Williams, (10.34, 20.8) who doubles as starting flanker for the national championship football team. Williams finished sixth in the NCAA 100 and ran leadoff on the winning sprint relay quartet.

Two Pac-8 runnerups returning are senior high jumper Tim Walker (7-1¼), conference champion as a sophomore, and junior middle distance runner David Omwansa of Kenya (1:45.9, 3:39.5), who also set a 1500-meter school record last season. Bolstering Walker in the high jump is another football star, sophomore Dennis Smith (7-2), third in the Pac-8.

Wolfe has three Pac-8 scorers in the weight events. Junior John McKenzie (60-2, 159-9) was third in the shot put and junior Steve Montgomery (57-10½, 180-9) and senior David Kurrasch (59-8, 180-2) fourth and fifth respectively in the discus.

USC has a fine steeplechaser in senior Henry Perez (8:47.0), whose opening event victory in the UCLA dual provided the impetus for an 84-70 Trojan triumph. Perez can also run the 5000 (14:37.7) where senior Rich Crowell (14:43.2) is the lone regular.

Other top returnees in their events are senior Dan Jackson (52-2¼) in the triple jump, sophomore James Walters (1:48.4) in the 800 and Ilpo Paananen (236-0) in the javelin.

Wolfe went to the JC ranks for immediate help in the field events. He came up with California JC long jump and triple jump champion Kenny Hays (26-2¾, 51-7½) of Pasadena and West Valley vaulter Jerry Mulligan (17-2¾) whose vault mark was best among the nation's JC's. The 6-6 Hays' best tied the national JC long jump record. However, Kenny had knee surgery Feb. 5 and will miss the first half of the season.

USC brought in four freshman hurdlers to fill the vacancy left by Graybehl. Those newcomers are Finnish high hurdle champion Arto Bryggare (13.56), California state titlist Milan Stewart (13.84hs) of West Covina, L.A. city winner Philip Johnson (13.3hs) from Gardena and promising intermediate hurdler Anthony Campbell (13.8hs, 53.68) of Banning High. Bryggare was third in the European Championships and ranked No. 10 in the world.

The Trojans look to have another promising 400-200-meter dashman in freshman Rod Bethany (21.3, 46.93) from Fontana.

Freshman Tohru Asami of Sunny Hills High, the nation's leading prep decathlon performer (6525) last year, gives USC depth in several events. Tim White, (9.6y, 21.3) a freshman, may help in the sprints but will miss part of the season due to spring football.

Three athletes are returning after missing last season. They're senior dashmen Mike Simmons (10.44, 20.7) and Colin Bradford (20.81, 46.6) and junior football All-American Charles White. Simmons and Bradford redshirted last year and White skipped the track season. White ran a 52.5 intermediates as a freshman and 51.5 in high school but plans to compete in the 400.

Here's coach Wolfe's capsule look at the Trojans:

DASHES (100-200, 400)—Even with the loss of Edwards, we should be as good as last year with the versatility of Mullins and Sanford, who will be running the sprints more. We've also got improving Williams and reliable Simmons in the sprints. We're stronger in the 400 with the addition of Bethany and Jamaican Olympian Bradford can really help if he gets his old form back.

HURDLES—We're much better here with the four freshmen, led by Bryggare, who has run the college highs all his life. We have a lot of possibilities among Stewart, Johnson and Campbell in the intermediates.

MIDDLE AND LONG DISTANCES—We just have one man per event—Walters in the 800, Omwansa the 1500, Perez the steeplechase and Crowell the 5000. Omwansa can go in the 800 and Perez the 5000, but we're vulnerable if we have injuries here.

RELAYS—We've had the nation's best relays the past two years. I think we'll be as good or better than our NCAA champion sprint relay team of last year. If we can stay close on the opening two legs of our mile relay, we'll be tough to beat with Sanford and Mullins.

HORIZONTAL JUMPS—If we don't get Hays back, we don't have any hope in the long jump. With Jackson, we're in fair shape in the triple jump. Hays has tremendous potential in both events.

HIGH JUMP—We have a good 1-2 punch with Walker and Smith. If he's free from spring football practice, Smith should be an NCAA scorer, considering he did 7-9 without working out last year.

POLE VAULT—Mulligan should be a consistent 17-footer and a potential NCAA scorer. His improvement from 15 feet two years ago to 17-2¾ last season is impressive.

WEIGHTS—McKenzie and Montgomery have had good fall workouts in the shot put and could reach the 62 to 65-foot range. In the discus, Karrasch and Montgomery reached the 180-foot mark at the end of last year and are throwing there now.

JAVELIN—Paananen threw 236 feet last summer and we're hoping for 240 feet from him this season to help us in dual meet competition.

OVERALL—We're a questionable team this year. We're very, very thin in quality and depth. We have to stay healthy and improve throughout the season. If we're healthy, we'll be dangerous in dual meets because of our relay strength. We don't have a lot of depth for the Pac-10 meet, but I think we'll be a factor in the NCAA because of our quality performers.

VERN WOLFE Head Coach

When the subject of USC head track coaches comes up, the logical descriptions that follow are superlatives like legendary, highly successful, winningest and so on.

That's because USC has dominated track and field more than any one university has in any single sport. The Trojans have won 27 team titles in the 57-year history of the NCAA Outdoor Track Championships, 30 Pacific Coast or Pac-8 titles including a string of 15

straight and 38 unbeaten and untied seasons including a streak of 16 in a row.

First, there was the legendary Dean Cromwell, who began the winning tradition with a record 12 NCAA titles and a dual meet record of 109-48-1 in 38 years.

Then came the perfectionist, Jess Mortensen, whose Trojan teams never lost a dual meet in his 11 years and 64 meets and captured seven national outdoor crowns.

Now, it's Vern Wolfe carrying on the heritage. His teams have contributed eight NCAA titles (six outdoor, two indoor) to place Wolfe as the second winningest coach in NCAA Championship history.

On a hot streak the last three years Wolfe has seen his team capture two NCAA outdoor titles, three consecutive mythical national dual meet and Pac-8 crowns and win 18 dual meets without a defeat.

He was honored as Track and Field Coach of the Year for 1978 by both the Columbus Touchdown Club and *Runner's World*. Vern's popularity as teacher in his sport took him to track and field clinics in Seattle, St. Louis, Cincinnati, Baton Rouge and Anaheim during the off-season.

USC has always been near the top under Wolfe, if not winning. The Trojans have finished among the top four teams in the NCAA Outdoor Championships 12 of his 16 years—six firsts, two seconds, three thirds and one fourth.

WINNINGEST TRACK COACHES

Coach	School	NCAA Titles
Dean Cromwell	USC	12
VERN WOLFE	USC	8
Jess Mortensen	USC	7
Ted Banks	UTEP	5
William Bowerman	Oregon	4
Jim Bush	UCLA	4
Bob Timmons	Kansas	4

Wolfe has a career dual meet record of 99-9-1 (.913) at USC. He also coached undefeated seasons at San Jose State in 1961 and Foothill College in 1962. He has never lost more than two dual meets in any one year.

Currently, Wolfe's Trojans have become the dominant team in the Pacific-8 (now Pacific-10) Conference, the nation's toughest track league. USC has won the conference team title six of the last seven years including the last five seasons, giving Wolfe nine Pac-8 crowns in his career. His 1976 team holds the conference record of 182 points in a Pac-8 Championship meet.

Wolfe has also led the Trojans to eight undefeated seasons in dual meet competition and four national collegiate dual meet championships (1971, 1976-78) since *Track & Field News* began those rankings in 1970.

During his tenure at USC, Wolfe has coached 23 athletes who have broken or tied 29 indoor and outdoor world records. At every Olympics since he became USC coach, at least one of his athletes has won a gold medal. He's had six Olympic champions, including 200-meter champion Don Quarrie in 1976.

Vern's athletes also have won 27 individual NCAA championships and have broken or tied every USC individual record.

Wolfe was born in Garber, Oklahoma on July 14, 1922. He graduated from Gardena High School in Los Angeles and won honors as an All-Marine League back in football and in track as a pole vaulter.

He then entered USC, winning a letter with the 1941 frosh track team and the 1942 varsity squad, before being called to military duty. Following three and one-half years with the Paratroopers, he was discharged in 1946 and came back to school. He vaulted for Cromwell again in 1947 and 1948 and also obtained his bachelor's and master's degree in education.

Graduating in 1949, Wolfe began his coaching career in 1952 at Torrance High School. He was there three years, then moved on to North Phoenix High School in Arizona for the 1955 season. It was during his six-year reign at North Phoenix that he achieved recognition as one of the nation's most successful prep track and field coaches.

Wolfe has again taken up pole vaulting and competes in senior meets. He won his age division in the Senior Olympics in Georgia this past summer.

KEN MATSUDA

Assistant Coach

Wherever Ken Matsuda has coached, his track teams have enjoyed extraordinary success. Starting his 22nd year of coaching, Matsuda has been on the losing side in dual meets only eight times.

Matsuda is now in his 13th season as an assistant to Vern Wolfe at USC. He came to USC from Foothill Junior College where he was head coach for three years and his team members set four national JC records. Among his athletes

was former decathlon record holder Russ Hodge.

A graduate of Westchester High School locally, Matsuda was a sprinter and long jumper at San Jose State and also earned two letters on the football team as a halfback.

He began his coaching career in 1957 as an assistant track coach at San Jose State to Bud Winter, who has been a U.S. Olympic coach. His freshman teams were ranked No. 1 in the nation twice during his four years there. He coached under Wolfe there when Vern became San Jose's coach in 1961.

Matsuda then became head track coach at Andrew Hill High School for two seasons where his teams went undefeated before moving to Foothill JC. His pole vaulter, Bill Fosdick, went on to USC and won an NCAA title.

During his career, nine of his long jumpers have bettered 25 feet. They are Mack Burton at San Jose State, Russ Hodge and Pete d'Eliscu at Foothill JC and Earl McCullouch, Henry Jackson, NCAA Indoor champion Henry Hines, Olympic champion and collegiate record holder Randy Williams, Gerald Hardeman and 1977 NCAA champion Larry Doubley at USC.

Matsuda has also coached the Trojan sprint relay teams to seven NCAA titles and nine Pacific-8 wins.

He and his wife, Janet, have a daughter at USC and a son who is a freshman at El Camino College.

RICH GRAYBEHL

Graduate Assistant Coach

Rich Graybehl, co-captain of last year's NCAA champion Trojan team, is returning to USC this year as a graduate assistant coach.

A graduate student in business working for a M.B.A., Graybehl had a 3.63 grade point average majoring in business administration as an undergraduate and was awarded the Pacific-8 Conference medal, the highest honor a conference athlete can achieve.

His senior year, Rich finished second in the 400-meter intermediate hurdles and ran on the fourth-place mile relay team at the NCAA Championships. He also won the intermediates and placed fourth in the high hurdles to help USC win its fifth consecutive Pac-8 title at the conference meet.

A gutty performer who succeeded despite his 5-9 size, Graybehl ranks as the fifth fastest intermediate hurdler in conference history, and third best ever at USC with a life best of 49.31.

Rich attended Las Lomas High School in Walnut Creek where he had the fastest prep 440-yard intermediate hurdle time (51.6) his senior season in 1974.

ATHLETE BIOGRAPHIES

(Note: The following biographies are limited to those performers expected to see the most action this season. USC Coach Vern Wolfe's comments are in bold face.)

TOHRO ASAMI 5-9 152 Fr.

Decathlon

Asami led the nation's preps in the decathlon with a best of 6,525 points as a senior at Sunny Hills High School in Buena Park. For Sunny Hills, he had bests of 6-9 in the high jump, 23-2 in the long jump, 46-9 in the triple jump, 13-9 in the pole vault and 14.8 in the high hurdles. He won the triple and long jumps and high hurdles in the Freeway League.

"He has very good potential," says Wolfe. "He should develop rapidly and perhaps qualify for the Pac-10 Championships."

Asami was born in Saitama, Japan. He hasn't declared a major.

ROD BETHANY 6-0 150 Fr.

400-200

The nation's third fastest prep 440-yard dashman last year, Bethany finished a fast-closing second in the California state meet with his best of 46.93 although hampered by an outside-lane draw. He later that day added a blistering 45.9 relay leg to help Fontana High School to third in the mile relay.

"Smooth striding and gifted, Rodney should become an outstanding runner soon," says Wolfe. "He needs to work on his strength and consistency. He gives us great depth behind Billy Mullins and James Sanford in the 400 and 200."

Bethany has run the 220 in 21.3. He won the 440, was third in the 220 and helped the mile relay team to victory in the CIF 4-A Championships as Fontana took third in the team standings.

The Dallas, Texas native plans to major in sociology at USC.

COLIN BRADFORD 6-2 175 Sr.

Sprints-400

The seventh place finisher in the 1976 Olympic Games 200-meter dash, Bradford is back on the Trojan squad after sitting out last season. Besides making the 200-meter finals at the Olympics, he also won a bronze medal as a member of Jamaica's 1600-meter relay team.

Colin transferred to USC in the spring of 1977 after leading Essex (Newark, N.J.) County College to the team title in the National Junior College Championships. He scored 23 points for Essex to earn high-point athlete of the meet honors for the meet in which there were 600 entrants. He won the 200-meter dash, was second in the 100 and ran a leg for both the winning 440-yard and mile relay teams.

"With his international experience and junior college success, Colin has outstanding credentials to help us," says Wolfe. "If he can develop consistency week after week, he could be a bright spot on our relay teams and in the sprints."

Bradford's bests for USC in 1977 were 10.64 in the 100 and 48.4 in the 400, but he has lifetime bests of 10.47 and 46.6, along with a 20.81 200. Colin also ran well as a freshman at Essex, placing second in the 220 and third in the 100 to help Essex place second in the National JC Championships.

Colin grew up in Jamaica but now lives in Los Angeles. He's majoring in business administration.

ARTO BRYGGARE 6-3 200 Fr.

High Hurdles

Bryggare, a 20-year old from Finland, enters USC as the 10th ranked high hurdler in the world. He finished third in his event at the European Championships with his life best of 13.56 and won at the World Games in Helsinki, the Finnish Championships and his country's dual meet with West Germany. Although he was third in the European Championships, he finished only 0.02 behind winner Thomas Munkelt.

"He's a proven world class hurdler," says Wolfe. "Unlike most freshmen, Arto has been hurdling the 42-inch hurdles all his life. As his speed develops, he will be a factor every time he runs."

Arto was the 11th ranked high hurdler in the world for 1977 when he had a best of 13.66. He was the European junior champion, too. He's majoring in business administration.

ANTHONY CAMPBELL 6-2 150 Fr.

Hurdles

Campbell turned in the second fastest 440-yard intermediate hurdle time among the nation's preps last year with a 53.68 for second in the Golden West Invitational. He was fourth in the 330-yard low hurdles at the California state meet and second in the high hurdles and 330 lows at the Los Angeles city meet. He had bests of 13.88 in the highs and 36.72 in the 330 lows.

"Anthony is a promising intermediate hurdler," says Wolfe, "but he could surprise everyone in the highs as well. He must work hard on conditioning and develop his strength. He has all the tools to become outstanding."

Campbell attended Banning High School and lives in Carson. He hasn't declared a major.

RICHARD CROWELL 6-0 147 Sr.

5000

A non-scholarship athlete, Crowell was the Trojans' second fastest 5000 runner with a best of 14:38.4. He finished third in the UCLA dual and second in the California dual.

"He's given his all to become a consistent performer," says Wolfe. "I have nothing but praise for this young man. When we need him, Richard will be there."

Crowell improved 36 seconds last year from a previous life best of 15:14.4. He was fourth in the Los Angeles city meet and second in the Western League in the two mile with a best of 9:32.2 his senior year at Westchester High School. He's majoring in business.

STEVE FUNDERBURK 6-1 195 Sr.

Javelin

The Trojans' No. 3 javelin thrower last year, Funderburk had a best of 207-5. He placed second in the Stanford dual and third against California.

"Steve must reach 220 feet to score for us," says Wolfe. "If he can reach his goals, he can help the team and be a consistent dual meet scorer."

Funderburk threw his life best of 216 feet at the Mt. San Antonio Relays while attending Riverside City College. He went to Roswell High School.

KENNY HAYS 6-6 195 Jr.

LJ-TJ

Hays led Pasadena City College to the California state JC title by winning both the long and triple jumps and was named athlete of the meet.

His winning long jump mark of 26-2 3/4 equalled the national JC record held by ex-USC star Henry Hines. He won the triple jump at 51-7 1/2, his life best. He also ran on the mile relay team that placed second and had a best split of 46.8. During the season he ran the 440-yard intermediate hurdles only four times but had a best of 52.8.

Hays had knee cartilage surgery early in February of 1979 but is expected back in action late in March or early April.

"Ken had a terrific year at Pasadena Junior College," says Wolfe. "He's a very talented performer who can run the intermediates, long and triple jump and contribute an excellent 400-meter relay leg."

"His knee surgery will set him back a bit but watch out by the end of the year. He could score high in conference and NCAA competition."

Hays is from Chicago, Illinois and went to John Marshall Harlan High School there. He first attended Prairie View College before transferring to Pasadena. He's majoring in broadcasting.

DANIEL JACKSON 5-9 145 Sr.

LJ-TJ

After placing fourth in the Pac-8 triple jump his first two years with the Trojans, Jackson finished a non-scoring seventh last season at the conference meet. He had a 1978 best of 50-6 3/4 for third in the UCLA dual but has a life best of 52-2 1/4, tied for seventh on the all-time USC list, which he did in 1977.

Besides his third versus UCLA, he had two second places, a third and a fifth in the five-meet dual season last year. He won his event three of six duals in 1977.

"Danny has the responsibility of carrying the entire load in the jumps until Ken (Hays) regains his strength," says Wolfe. "A veteran performer, Dan must improve to the 54-foot mark to help us in the conference and national meets."

Jackson only long jumped twice last year with a best of 22-1 1/2 for second against Arizona but will be used there more this season. He jumped his life best 24-0 in high school.

Jackson was the nation's second leading prep triple jumper (50-11) at Oakland High School where he also was elected student body president. He's majoring in physical education at USC.

PHILIP JOHNSON 6-0 170 Fr.

Hurdles-100

Johnson ran 13.3 to equal the fastest high school time of 1978 in the high hurdles at the Golden West Invitational, but he placed second to the season's other 13.3 by Steve Parker. Philip won the highs at the Los Angeles city championships and was second in the California state meet to USC teammate Milan Stewart after blasting the first barrier and losing a shoe and sock at the ninth.

A Gardena High School product, Johnson was ranked No. 3 nationally in the highs.

"Philip must adjust to the collegiate highs," says Wolfe, "but he has the speed to become a class collegiate hurdler. One of four outstanding freshman hurdlers, he needs to work hard in practice and be consistent from week to week."

Johnson will also be used in the 100-meter dash and intermediate hurdles. He ran a 10.5 100 meters last year. He's a majoring in public administration.

DAVID KURRASCH 6-0 220 Sr.

Discus-SP

The nation's leading prep shot putter in 1975 at Newport Harbor High, Kurrasch had his top success in the discus last year, upping his life best to 180-2 in the SPAAU. He was fifth in the Pac-8 discus with a 177-10 throw. His season best of 57-2 1/2 in the shot took third in the UCLA dual. He's hit 59-8 indoors.

David originally enrolled at UCLA but transferred to USC and had to sit out the 1977 season.

"Dave has always been a steady performer in the shot," says Wolfe. "Last year he showed great improvement in the discus and looks to be a potential scorer in this event."

Kurrasch was undefeated with a 68-5 best and 10 meets over 65 feet his senior year in high school. He was the backup punter for the Trojan football team in 1977 but didn't go out the past fall. He's majoring in marketing.

JOHN MCKENZIE 6-3 245 Jr.

SP-Discus

The Trojans' leading shot putter last year, McKenzie broke the 60-foot barrier with a life best of 60-2 for second in the UCLA dual. He was sixth in the Pac-8 shot last year and fifth in 1977. In the five-meet dual season he was first three times and second and third once each. He reached 159-9 in the discus at the SPAAU.

"With two years of experience behind him, this could be the year for John to break loose," says Wolfe. "He has the size, strength and explosion but needs to work on fundamentals and concentration. His fall workouts indicated John is ready for a big season."

McKenzie ranked second in the nation his senior year at Hart High School in Newhall, trailing only current Trojan teammate Steve Montgomery. He tossed the prep shot over 67 feet four times topped by a 67-9 and won both the CIF 4-A Southern Section and Golden West titles. He's majoring in sociology at USC.

STEVE MONTGOMERY 6-3 250 Jr.

SP-Discus

Montgomery, who was the nation's leading prep shot putter in 1976, performed better in the discus for USC last year with a fourth place in the Pac-8. He lifted his life best to 180-9 in an All-Corners meet at Mt. SAC after throwing 179-9 for second in the UCLA dual and 178-11 at the Pac-8.

"Steve has had a great winter program and gives every indication that he will have a good year in both events," says Wolfe. "We need improvement from all three of our weight men to keep up with the competition in the new Pac-10."

Montgomery is the leading Trojans' returning discus thrower with the graduation of Darrell Elder. In the shot put, he won at Irvine in the first meet of 1978, hitting a life best 57-10½.

In the dual meet season he won at Arizona, had two seconds and a fourth in the discus and two seconds, a third and a fourth in the shot.

Steve led the nation's prep shot putters with a 68-5½ best at Lassen High in Susanville and won both the shot (meet record 68-0) and discus (188-5) at the California state meet in 1976. He went 57-9¾ with the 16-pounder in the U.S.-Russia junior dual and was the AAU junior champion. He's majoring in recreation.

JERRY MULLIGAN 6-0 175 Jr.

Pole Vault

Mulligan led the nation's JC pole vaulters last year by going 17-2¾ at West Valley College in northern California. He improved dramatically over his freshman season when his best was only 15-0. He missed the California JC championships because of an injury.

"We're hoping Jerry can become a consistent 17-footer," says Wolfe. "He has the physical ability and only needs to handle the pressure of Pac-10 and open competition."

Jerry really improved at West Valley under coach Bill Campbell, who also produced Washington's Steve Oravetz (17-8½), the Pac-8 runnerup last year. Mulligan's best at Chico High School was 14-3. He lives in Reno and is majoring in physical education.

BILLY MULLINS 6-1 190 Jr.

400-Sprints

Mullins did it all in his first year at USC last season after transferring from West Los Angeles Junior College. He won the NCAA 400 and was undefeated at that distance except for a disqualification for a marginal stepping-on-the line infraction in the Pac-8. He was ranked No. 2 in the world in the 400 to Albert Juan-torena of Cuba and ran the third fastest time for 1978 with a 45.3 (second fastest in USC history) in the UCLA dual.

Billy was also sensational for the Trojan relay teams. He ran the third leg in the 800-meter relay to help USC set a world record of 1:20.3 in the Sun Devil Relays. He was the second leg runner on the Trojans' collegiate-record 400-meter relay unit that ran 38.85 in the UCLA dual and went on to take both the NCAA and Pac-8 titles. He anchored the mile relay quartet and turned in a 44.4 split to help the Trojans set a school record of 3:03.3 in the Sun Devil meet, second fastest time in the world last year. The mile relay team won the Pac-8 and was undefeated until the NCAA when USC finished fourth after having already clinched the team title.

"Billy was an inspiration to the team last year," says Wolfe. "He showed tremendous desire in the NCAA's, running six 400's and three legs on the sprint relay team in three days to help us to the team title."

"An established world class athlete, Billy will run the shorter sprints more this year with the loss of Clancy Edwards. Don't be surprised to see Billy come close to world records in one or two events this year."

Mullins ran the 200 and 100 occasionally last year with bests of hand-timed 10.2 and 20.71 (hand-timed 20.5, too). He made the AAU final in the 200 but didn't run because of an injury.

Billy's NCAA 400 win was a classic matchup with Auburn's Willie Smith, who was ranked No. 3 in the world with a best of 44.73. Both had moved through the prelims easily.

In the final, both passed the halfway point in 21.4. Smith accelerated on the turn and held a two-meter lead as they entered the straight, with no one else in contention. With about 50 meters to go, Smith visibly tightened and Mullins (who appeared equally tired) began to narrow his lead. Mullins leaned dramatically at the tape, while Smith did not and that provided the margin of victory.

Mullins transferred to USC last spring from West Los Angeles where he won the California JC 200 in 20.8 and placed second in the 100 to Houston McTear in 1977. He had paced Hamilton High to the Los Angeles city title and a tie with San Fernando for the 1976 state championship, winning the 100 (10.0) and 220 (21.6). He also won the state 220 as a junior.

He enrolled at New Mexico on a football scholarship as a wide receiver in 1976 but transferred to West Los Angeles and hasn't played football since. He's majoring in public relations.

DAVID OMWANSA 5-8 145 Jr.

800-1500

The Trojans' leading middle distance runner this year, Omwansa crushed the school record in the 1500 with a 3:39.5 clocking for second place in the Pac-8. He came back to run the 800 in the Pac-8 but finished a tiring seventh.

David went into last season as the co-holder of the 1500 school mark at 3:47.7. He was 11th in the NCAA 1500 final after a second place (3:45.11) in his heat.

However, the 800 was David's specialty until last year. He ran a 1:47.3 in the Pepsi Invitational, third fastest in USC history, and has a life best of 1:45.9 set when he beat Mike Boit in the 1976 Zanzibar Games.

"David now has two years of experience in the United States and is ready to display his talents as a world class runner," says Wolfe. "He needs to run more consistently but never lacks the desire."

Omwansa comes from Kenya where so many athletes have emerged as great distance runners. His Kenyan last name is Atenga, but he uses Omwansa (his middle name) here.

Forced to run the 1500 more last year because of the Trojans' need in that event, he responded by winning four of four in dual meets and also placing first in a non-scoring meet at Irvine. He won the UCLA dual in 3:46.6.

He took the 800 at the San Jose Relays in 1:48.5 and was second in the Pac-8 800 as a freshman.

The 26-year-old Omwansa is majoring in education.

ILPO PAANANEN 5-9 170 So.

Javelin

Paananen will be the Trojans' leading javelin thrower this year, replacing his older brother Urpo, who decided not to return here from Finland. Ilpo, a small thrower at 5-9, had a best of 228-1 for third in the UCLA dual last season. He was first once and second three times in the other dual meets. He improved to a life best 236-4 last summer in Finland.

"Ilpo will concentrate on the javelin this year, having worked on the decathlon last season," says Wolfe. "He has good potential and could reach the 240's."

Paananen scored a life best of 7024 points in the decathlon early last season but could manage only 6974 in the Pac-8 meet for eighth place. He's majoring in business.

HENRY PEREZ 6-1 170 Sr.

Steeplechase-5000

The former national JC record holder in the steeplechase, Perez entered USC last spring and filled a big hole in the distances. He came through with a big win over Shawn James in the UCLA dual steeplechase in 8:52.1, his season best, and later in the meet finished second in the 5000 in 14:37.7, his life best.

Henry was bothered by back spasms near the end of last season. He dropped out of the Pac-8 steeplechase and didn't qualify for the NCAA final.

"Needless to say, Henry's health is very important to the Trojans," says Wolfe. "There's no backup runner for him. A tough competitor and hard worker, he'll always be in the race and had a great year for USC last season."

Perez started slowly last year because of his late arrival at USC after sitting out the 1977 season. He attended San Joaquin Delta Junior College in 1975 and 1976 and set a national JC steeplechase record of 8:51.6, since broken. He ran a life best of 8:47.0 for 12th place in the 1975 AAU. A graduate of Edison High in Stockton, he's majoring in public administration.

JAMES SANFORD 6-0 174 So.

Sprints-400

Although only a freshman last year, Sanford was a key member of USC's NCAA and Pac-8 title team. In the NCAA, he was third in the 200 and anchored the winning sprint relay team. He also ran on the mile relay during the heats but missed the final because of a blister after the Trojans had already clinched the team championship.

James blazed a 20.24 for second behind Clancy Edwards in the Pac-8 200—giving him the second fastest collegiate time and fifth fastest clocking in the world for 1978. He was ranked No. 9 in the world and No. 4 in the U.S. in the 200, and although rarely running the 100 he was rated No. 8 in the U.S. and had a best of 10.38. He scored a big win in the Manley Games 200 in Jamaica, beating Edwards and Don Quarrie. He was fifth in the AAU 200.

But probably what impressed most about Sanford was his durable performance in the Pac-8. Besides his second in the 200, he finished second in the 400 (46.07) and ran on the winning sprint and mile relays.

Sanford also ran four races in the UCLA dual—turning in a life best of 45.77 for second to teammate Billy Mullins in the 400, placing third in the 200 at 20.48 and running legs on both winning relays.

"James' contributions to the team all year were outstanding," says Wolfe. "He loves to run, doesn't like to be beaten, fears no one and is at his best when the competition is tough. As he learns to relax a bit more, watch for his marks to improve even more."

Sanford was part of USC's world-record 800-meter relay team (1:20.3), running the second leg; the Trojans' collegiate-record 400-meter quartet (38.85) as the anchor man, and the school-record mile relay unit (3:03.3) with a 45.7 second-leg split.

James was the No. 1 ranked prep for the 220 and No. 3 in the 440 as a senior at Pasadena High in 1977. His 20.80 made him the third fastest high school 220 runner of all-time behind Dwayne Evans and Marshall Dill. He won the California state meet 440 and was second in the 220 (coming only 20 minutes after his 440 win) and also ran anchor legs on Pasadena's winning sprint and mile relay teams to help his team to the title. His 440 best was 46.60. He's majoring in public administration.

MICHAEL SIMMONS 5-10 160 Sr.

Sprints

A member of two NCAA and three Pac-8 champion sprint relay teams for USC, Simmons returns this season after redshirting last year. He ran the second leg on the Trojans' national champion sprint relay teams in 1975 (39.09 for 440 yards) and 1977 (39.56 for 400 meters) and the leadoff leg of the third-place relay squad in 1976 when USC won the team title.

While redshirting last season Simmons represented the Tobias Striders. The Striders, with Simmons on the second leg, ran the fastest 800-meter relay ever with a 1:20.3 clocking to edge USC at the Sun Devil meet, but the mark won't count as a world record because the Tobias team was non-homogeneous in nationality. Simmons also ran on the Tobias team that clocked the year's quickest 400-meter relay, 38.55, the fastest-ever by a non-national team.

"Michael has maturity and experience on his side," says Wolfe. "He always runs well and does his job. He has good range and can run both the sprints and 400 meters. We expect him to be a team leader."

Simmons also ran the open 100 last year and lowered his life best to 10.44. He scored in both sprints in the 1977 Pac-8 meet with a third in the 100 and sixth in the 200 and had season bests of 10.49 and 20.87 (his best electronic 200).

He can run on the mile relay, too. He's run 47.5 in the open 400 and a 46.8 split in the relay and was a member of the all-freshman Trojan quartet that won the Pac-8 mile relay in 1975.

Michael was runnerup in the state and L.A. city champion in both sprints his senior year at Carson High with bests of 9.5 and 21.1. He's majoring in physical education.

DENNIS SMITH 6-3 200 So.

High Jump

The California prep record holder in the high jump with a 7-2 best, Smith will probably be available for the entire track season after missing most of it last year because of spring football practice obligations. He's at USC on a football scholarship and started at safety for USC's national champions last fall, leading the team with seven interceptions.

Dennis came out for track just two days before the UCLA meet, yet cleared 7-0 for second place. He also went 7-0 third in the Pac-8 two weeks later.

"Having made the starting lineup in football, we hope Dennis can spare more time with the high jump this year," says Wolfe. "He displayed his skill and natural talent by jumping seven feet late last year with very little practice. If he can jump more often, he should be a factor in the big meets."

Smith won the California state meet his senior year at Santa Monica High School with his 7-2 record leap, breaking Dwight Stones' mark. He hasn't declared a major at USC.

MILAN STEWART 5-11 175 Fr.

Hurdles

Stewart won the highs at both the California state and CIF 3-A Southern Section championships. He had bests of 13.84 over the prep highs and 14.42 and a wind-aided 13.73 over the 42-inch hurdles. His prep best came in the Golden West when he was third to Steve Parker and current USC teammate Philip Johnson.

"Milan needs slight adjustments in his technique, but he has demonstrated he can run well under pressure," says Wolfe. "He may surprise everyone in the intermediates."

In the CIF Southern Section he also was third in the 330 low hurdles (38.63) and long jump (22-6½) and fourth in the triple jump (46-4). His bests in those events are 37.4, 23-11½ and 48.6. He attended West Covina High School.

He's majoring in psychology.

CHARLES SUEY 6-1 180 Fr.**Pole Vault**

A walk-on, Suey has a best of 15-4 and was second in the Los Angeles city championships at 14-4 last year. He also was the Northern League champion as a senior at Eagle Rock High School.

"Charles has the physical equipment to become a good vaulter," says Wolfe. "He needs experience, patience, relaxation and discipline."

Suey hasn't declared a major.

TIM WALKER 5-11 156 Sr.**High Jump**

The Trojans' top high jumper the past three years, Walker was the Pac-8 champion two years ago and finished third in the conference meet last season. He twice cleared 7-0 for his best last year, while he went 7-1¼ for his life best in the 1977 Pac-8.

He won his event in two dual meets, was second once and third in the other two. His 7-1¼ mark ranks him second on the all-time USC list behind Dean Owens.

"Tim's been over seven feet for three years," says Wolfe. "We hope he can find the right combination this year to jump even higher. He has the experience and loves to compete."

Walker cleared 7-1½ at Rogers High School in Newport, Rhode Island for an indoor prep record, since broken. He's majoring in recreation at USC.

JAMES WALTERS 6-3 180 So.**800**

Walters cut his time down to 1:48.4 when he went unplaced in the fast 800 at the UCLA dual but missed the rest of the season because of illness. He won the 800 in two of the five dual meets. His 800 best ranks him fourth on the all-time USC list.

"A strong, aggressive runner, James has unlimited potential," says Wolfe. "He needs more experience and will get it this year since we are very thin in the 800."

Walters won the California state 880 and was ranked No. 2 in the nation his senior year at Estancia High in Costa Mesa. His state-winning time of 1:49.4 was second fastest nationally among preps in 1977. He's majoring in mechanical engineering at USC.

CHARLES WHITE 6-0 187 Jr.**400**

Consensus All-American tailback White, the national prep record holder in the 330-yard low hurdles, is returning to track after a year's absence. He ran the 400-meter intermediate hurdles as a USC freshman two years ago and recorded a best of 52.3 in the Stanford dual, although missing part of that season because of spring football practice. He plans on running the 400-meter dash this season.

"Since Charles is established in football, we may see him for the whole track season," says Wolfe. "He can run quite well in track shoes, too. He can help us on the 1600-meter relay and the intermediate hurdles, if he chooses to run them."

White equalled the fastest ever prep 330-yard low hurdles (36.0) to win the Los Angeles city title and took the state (36.4), too, his senior year at San Fernando High School. He helped San Fernando to the city title and a tie for the state championship and was named Player of the Year for Los Angeles city in track (also won that honor in football, one of only three to win double honors the same year with USC teammate Kevin Williams and Anthony Davis the others).

Charles moved up to the 330-yard intermediates following the state meet and won the International Prep (36.4) with the sixth fastest prep time ever. He was selected the top 330-yard hurdler in the nation for 1976.

He toured Europe following his high school graduation and ran the 400-meter intermediates in 52.1, 52.5 and finally a life best 51.5.

TIMMY WHITE 5-11 170 Fr.**Sprints-400**

White, a star in both football and track in high school, is at USC on a football scholarship and will miss part of the track season because of spring football workouts. A graduate of Asbury Park (New Jersey) High School, he was Central Jersey champion in the 100 and 220, New Jersey state indoor titlist in the 60 and Eastern States champion in the 220 in 1978.

Tim beat Butch Woolfolk, the nation's No. 2 ranked prep 220-yard dashman, in the Eastern States final. His 220 best is 21.3. He was eighth in the International Prep 100 (10.8) and sixth in the 220 (21.4).

"Tim is an excellent prospect, but it will be hard for him this year because of his spring football obligations," says Wolfe. "He could help us on the mile relay as well as the sprints."

White anchored his high school's mile relay team to a state indoor record of 3:20.2, the fourth fastest prep time ever, with a 48.3 leg.

A Coach & Athlete and Parade All-American quarterback in football, White was one of the nation's most highly-sought-after athletes. He made visits to UCLA, Michigan and Penn State before choosing USC.

KEVIN WILLIAMS 5-8 155 Jr.**Sprints**

Williams accomplished a rare achievement in 1978, contributing to national championships in two sports—first track last spring then football in the fall for USC. In the NCAA track championships, he placed sixth in the 100 (10.38) and led off the winning 400-meter team (39.31). In football, he started at flanker and caught 17 passes, 10 of those for touchdowns to miss the single-season school record by just one. He was named to the All-Pac-10 first team.

"If he improves this year as much as he did last season, he will be able to run with anyone," says Wolfe. "He did a sensational job leading off our sprint relay and surprised us by scoring in the open 100 at the NCAA."

With Kevin leading off, the Trojan 400-meter relay team won 9 of 10 times (only loss at San Jose Relays) and set a collegiate record of 38.85 at the UCLA dual.

In the open 100, Williams made the NCAA final by finishing ahead of Texas Olympian Johnny Jones in the semifinals (10.28w). He was sixth in the Pac-8 meet and lowered his life best to 10.34 for third in the UCLA dual. He also ran the 200 at UCLA and turned in a life best of 20.8 hand-timed although going unplaced.

Williams won the California state 100-yard dash his junior year at San Fernando High School with a 9.4 clocking. He was the two-time 100 champion in the Los Angeles city championships, leading his school to the team title as a senior. He was named Player of the Year for Los Angeles city track in 1975.

DUAL MEET WINNING STREAKS

USC enters the 1979 season with an 18-meet winning streak in dual competition, not having lost the past three years. The Trojans last lost to UCLA in 1975.

But the current Trojan winning streak is nowhere near the school record. USC once had streaks of 78 consecutive dual meet wins and 104 consecutive dual meets without a loss. The streak without a loss stretched over 17 seasons until Oregon beat the Trojans in 1962.

USC hasn't lost to any team except UCLA since 1965 when the Trojans fell to Washington State at Pullman. This streak has reached 62 dual meets.

ALL-TIME TOP TEN USC PERFORMANCES

Listed below are the top ten performances in each event by USC track performers during seasons in which they represented USC, either as a freshman or varsity performer. It does not include marks made before or after attending USC, or during seasons in which they did not compete for USC. An athlete will only be listed once for each event.

With the switch to meter races, lists of all-time USC performances at those distances were compiled last year. These lists would not have been possible without the invaluable assistance of USC graduate Tom Lawless.

(Note: Rankings are based on the conversion of plus .15 seconds from hand timing to electronic timing in all races up to and including 400 meters, as established by the NCAA. The marks have not been converted, but the method of timing is reflected in the rankings. For races above 400 meters, the electronic time is rounded off to the nearest tenth and marked with an "e". Legend: e = electronic, n = non-winning.)

TROJANS IN WORLD RANKINGS

USC athletes have earned more places in the top ten in the world (and top 15 after 1975) than any university in the nation. The rankings are compiled by Track & Field News, the bible of the sport. Since the rankings were begun in 1947, 59 different Trojans have placed among the world's best 215 times.

USC's ATHLETIC HERITAGE

USC's athletic excellence is recognized throughout the world of intercollegiate athletics.

Trojan teams have captured more NCAA championships — 63 — than any university in the nation and the university's football team has been declared mythical national champions on eight occasions.

Here is the up-to-date list of USC national titles and the coaches of the winning teams.
